0001. PURPOSE. This manual is issued to promulgate policies and procedures for the guidance of personnel assigned to duties involving the procurement of enlisted Marines, to establish the criteria for enlistment, to establish procedures governing the processing of applicants, and to summarize recruiting support programs to be used in accomplishing the enlisted recruiting mission.

0002. STATUS.

1. The policies and procedures in this manual apply to HQMC staff agencies and field commanders who are authorized to recruit for the U. S. Marine Corps.

2. Any deviation from the instructions in this manual must be authorized by the CG MCRC.

0003. RESPONSIBILITY. The CG MCRC is responsible for the accuracy, currency, modification, and distribution of this Manual. The HQMC staff and field commanders are responsible for the timely entry of changes and the physical maintenance of copies of this Manual.

0004. ALLOWANCES.

1. Forward requests for changes to the authorized allowances of this Manual to the CMC (AREB). Submit requests per the instructions contained in MCO P5600.31, Marine Corps Publications and Printing Regulations.

2. Obtain missing pages by requisitioning the basic Manual and/or pertinent changes per MCO P5600.31.

0005. ORGANIZATION.

1. This Manual is organized into chapters identified by an Arabic numeral as listed in the overall contents.

2. Paragraph numbering is based on four digits. The first digit indicates the chapter; the next digit, the section, the final two digits the general major paragraph number; and the combinations which follow the decimal point, the subparagraph number; e.g., 3103.3a(2) refers to chapter 3, section 1, general major paragraph number 03, subparagraph 3a(2).

3. Pages are numbered in separate series by chapter number, with the chapter number preceding each page number; e.g., the fourth page of chapter 2 is shown as 2-4.

4. Paragraphs preceded by an asterisk differ substantially from the previous edition of this manual and should be reviewed closely.

0006. CHANGES. The MCRC will publish changes to this Manual per established criteria. Such changes are numbered consecutively. Record receipt and entry of such changes on the page provided for that purpose.

CHAPTER 1

RECRUITING POLICIES

SECTION 1: MILITARY CONDUCT ON RECRUITING DUTY

1100. PURPOSE. This section contains general policy and instructions governing the procurement of both prior service (PS) and non-prior service (NPS) enlisted personnel into the Marine Corps and NPS enlisted personnel into the Selected Marine Corps Reserve (SMCR). This section outlines procedures that foster professional military standards for Marines serving on the independent duty of recruiting.

1101. ACCEPTANCE FOR ENLISTMENT OR REENLISTMENT. All applicants who meet prescribed standards are acceptable for enlistment or reenlistment. No applicant will be refused enlistment because of race, color, religion, national origin, or gender, if the applicant is otherwise qualified in accordance with the provisions in this Manual.

1102. MISSION OF THE MARINE CORPS RECRUITING COMMAND. The ultimate objective of the recruiting effort is the perpetuation of the Marine Corps and the standards of preparedness and military vigor that Marines have upheld since 1775. The immediate impact that recruiting has on the Marine Corps requires that standards for enlistment be strictly set to ensure that future Marines will maintain our tradition of excellence. Accordingly, the mission of the Recruiting Command is to procure personnel in the quantity and quality directed by the CMC.

1103. RECRUITER AWARENESS. The policies, instructions, and procedures in this chapter and in subsequent chapters of this Manual implement directives from public law, Executive Orders, governmental agencies, Department of Defense (DOD), and Headquarters Marine Corps. It is the responsibility of the Recruiting Service to comply with the policies contained herein and accomplish its mission. The individual Marine recruiter is the indispensable element of mission accomplishment. Therefore, it is essential that each recruiter be thoroughly familiar with this manual. Recruiter awareness must also include a knowledge of each step in the process of qualification and enlistment. This requirement will be supported through recruiter training. An exchange of recruiting information among recruiters themselves is encouraged. Recommendations or inquiries should be submitted to the CG MCRC through the appropriate chain of command.

1104. SCREENING AND PROCESSING OF APPLICANTS.

1. Objectives. The objectives of enlistment processing are:

a. That all applicants accepted for enlistment possess the required qualifications. During all phases of processing, particular care must be taken to prevent erroneous or fraudulent enlistments. Once it is established that an applicant does not meet enlistment qualifications, processing should stop unless the applicant is otherwise exceptionally qualified and recommended for a waiver.

b. That all enlistment records are prepared accurately. Enlistment records are not only a matter of major importance during a person's military service, but also later in civilian life, and even after death. Recruiters are responsible for the entries that they make. Likewise, Military Entrance Processing Station Liaison NCO's are responsible for their entries. MEPS Liaison NCO's are also responsible for reviewing and verifying with the applicant all the entries made on enlistment forms.

c. That a smooth transition from civilian to military life is effected for those accepted for enlistment. Applicants must be honestly informed of what they can expect from the Marine Corps and of what the Marine Corps expects from them. For those not qualified for enlistment, appropriate advice and assistance should be given (see paragraph 1201 on page 1-9).

2. Professional Conduct. Processing is usually an applicant's personal introduction to the Marine Corps. If integrity, efficiency, courtesy, and tact prevail, the applicant will know that the decision to enlist is a wise one, and the objectives listed above will be met.

3. Initial Recruiter Screening.

a. Recruiters are the first echelon of quality control within the Recruiting Service. Accordingly, recruiters will screen each prospect to determine basic eligibility. Initial screening will include an authorized Enlistment Screening Test (EST) and a Wide Range Achievement Test (WRAT) (see chapter 3, section 2, part F, page 3-76).

b. Section 2 of chapter 3 of this manual assists in determining enlistment qualifications.

c. Ineligible prospects or applicants will be immediately rejected unless there is an exceptional basis for waiver consideration.

1105. RECRUITING ETHICS.

1. Penalty for Knowingly Enlisting Ineligible Applicants. Article 84, Uniform Code of Military Justice, expressly states: Any person subject to this chapter who effects an enlistment or appointment in, or separation from the Armed Forces, of any person who is known to him/her to be ineligible for that enlistment, appointment, or separation because it is prohibited by law, regulation, or order, shall be punished as a court-martial may direct."

2. Recruiting Promises.

a. Recruiting personnel will not make oral or written promises to applicants, parents, or to others except as authorized by this Manual or by other appropriate Marine Corps directives. Misrepresentation or deception will not be tolerated. Implied or direct assurances and/or promises are prohibited. Further, recruiting personnel must not suggest that personal correspondence to the CG, MCRC, CMC, or to a political representative will give the applicant preference or result in acceptance after an applicant has been rejected. All applicants are evaluated on their individual merits and qualifications alone using a "whole person" concept.

b. Recruiting personnel have a serious obligation to ensure that applicants fully understand the true nature and scope of their agreement with the Marine Corps. Special care must be taken to clarify or avoid any statements, oral or written, that could possibly be construed or misinterpreted as a promise. There are some matters that must receive special emphasis so that applicants will have a true and proper understanding. These are matters that relate to:

- (1) Occupational field and military occupational assignments.
- (2) Duty station assignments.
- (3) Bonus enlistments.
- (4) Promotions.
- (5) Educational opportunities.
- (6) Meaning and requirements of a military service obligation (MSO).

c. Under no circumstances shall recruiting personnel directly or indirectly characterize life in the Marine Corps as a

life of ease and pleasure. Instead, our life should be depicted as a life that offers men and women a military career where technical training, education, and other rewards are available for those who work and desire to make their own way. The Marine Corps is a challenging career. If properly presented, this should be sufficient attraction for young men and women of the desired character.

d. Recruiting personnel must reinforce in the mind of each applicant that only those promises actually written into the enlistment contract will be kept. Items 8 and 13 of DD Form 4, Enlistment/Reenlistment Document, deal with enlistment promises and must be stressed so that applicants have a legitimate understanding of their significance. Specific statements of understanding are prescribed for enlistments with a guarantee. For general service enlistments (open contracts), the DD Form 4, and section IV of the DD Form 1966 will adequately suffice, if used properly.

e. Real or implied promises that cannot be honored result in consequences that are seriously damaging to our recruiting efforts. Questionable recruiting practices not only tend to jeopardize accomplishment of the mission, they also mar the integrity of the individual Marine, the Recruiting Command, and the Marine Corps. Such methods are not condoned and will not be employed.

3. Recruiter Intervention with the Judicial System. Under no circumstances will recruiting personnel directly or indirectly intervene on behalf of a prospective applicant who is awaiting action by court authorities.

a. Recruiting personnel will not appear in court or before judicial authorities at any time (i.e., District Attorney, Assistant DA, Prosecuting Authority, etc.) nor will they initiate communication with the same, with or on behalf of any prospect, applicant, member of the Delayed Entry Program (DEP) or Selected Marine Corps Reserve (SMCR) awaiting initial active duty for training (IADT).

b. Informal conversations with defense attorneys or probation/parole officers will be limited to explaining Marine Corps recruiting policies. No opinions will be given that would even suggest that enlistment or retention of an unqualified individual is a possibility. The normal course of court action must be allowed to occur without the assistance, intervention, or influence of recruiting personnel.

4. Reporting Recruiting Irregularities. Organizational reporting procedures for incidents of recruiting malpractice or misconduct

are set forth in the current edition of MCO 1130.65. In addition, all Recruiting Command personnel who become aware of or suspect recruiting irregularities must report such activities to their immediate superior. Commanding generals, district commanding officers, commanding officers of recruiting stations will initiate inquiries into allegations or complaints of recruiting irregularities, including those allegations forwarded from the Military Entrance Processing Command (MEPCOM).

5. Bribes. In the event an applicant attempts to bribe recruiting personnel for any purpose, it will be reported to the district commanding officer, via the chain of command, who will forward the report to the appropriate depot. The applicant will be rejected.

1106. UNIFORMS.

1. The Marine blue dress uniform is distinctively Marine, and is universally recognized and respected throughout the United States by Americans from all walks of life. To them, this uniform represents the best in military professionalism and soldierly virtue. The blue dress uniform looks sharp and satisfies America's perception of what a **Marine** should look like. In short, it is the single uniform that signifies Marine to a large majority of Americans. The Marine Corps advertising effort recognizes this and builds upon it. Successful recruiters recognize this and use it to their advantage.

2. It would be counterproductive for recruiting personnel to attend ceremonial functions or to conduct official presentations in any uniform other than the blue dress uniform. Therefore, the **prescribed uniform for recruiting personnel**, officer and enlisted, appearing on any high school, college or university campus, television program, or at any public gathering, patriotic celebration, or other such event, will be the blue dress uniform. Those personnel assisting the recruiting effort on a temporary basis who do not possess the blue dress uniform are excluded from this policy. Instead, they will wear the prescribed seasonal uniform.

3. The uniform for the daily routine, to include regular high school visits, will be as specified by commanding officers. The uniform for exceptional presentations (e.g., combat displays, physical fitness tests) will also be specified by the commanding officer.

1107. HOURS OF OPERATION, MARINE CORPS RECRUITING COMMAND.

Commanding officers of Marine Corps Recruiting districts will prescribe working hours for recruiting stations, recruiting substations, and permanent contact stations. Consideration will

be given to staggering the working hours to permit offices to remain open during peak recruiting hours of the day.

1108. INSPECTIONS.

1. Frequent inspections of, or visits to, Marine Corps recruiting stations by the district commanding officer or representative are considered essential to proper functioning of the recruiting effort. Recruiting methods shall be under constant inspection by the district commanding officer so that no discredit can be brought on the Marine Corps by questionable advertising, false promises, or unethical practices.

2. Commanding officers of recruiting stations will inspect/visit their substations as prescribed by the Guidebook for Recruiters. Greater frequency is encouraged where circumstances and time permit. Station executive officers, sergeants major, and recruiter instructors may perform such inspections/visits when directed by commanding officers; such delegation is encouraged.

CHAPTER 1

RECRUITING POLICIES

SECTION 2: CONDUCT WITH CIVILIANS AND OTHER SERVICES

1200. PURPOSE. The purpose of this section is to define the appropriate military conduct and cooperation required with civilians and other services.

1201. CONDUCT WITH APPLICANTS.

1. Courtesy to Applicants. All applicants will be treated with courtesy, respect, dignity, and consideration. This applies equally to rejected applicants. Recruiters have the responsibility for tactfully informing disqualified applicants of their ineligibility to enlist or reenlist. Rejected applicants must be made to feel that the Marine Corps also regrets they cannot be accepted and that their interest in the Marine Corps is greatly appreciated.

2. Sexual harassment and discrimination.

a. The nature of recruiting is such that we are under the daily scrutiny of the public eye. As such, any action which jeopardizes the public trust and confidence will adversely effect our ability to accomplish our mission.

b. Recruiters often provide the first impression of the Marine Corps for many applicants, their friends and families; thus, their conduct must be above reproach at all times. Vulgar, sexually explicit, or obscene language or conduct is unprofessional and will not be tolerated. Further, members of the opposite sex should never be made to feel that a recruiter or member of the Recruiting Command is ever taking advantage of a situation; even the appearance of a situation that could be misconstrued will not be tolerated. Failure to adhere to this policy could result in administrative and disciplinary action.

c. It is imperative that all Marines, Sailors, civilian employees and poolees of the command understand the Marine Corps policy on discrimination and sexual harassment as defined in MCO 5300.10. Commanders at all levels will ensure that every member under their charge has been provided discrimination and sexual harassment training and education in accordance with the current Marine Corps Order.

3. Information and Instructions to be Given to Applicants and Enlistees. To sustain the readiness of the Marine Corps, the

Recruiting Command must find able-bodied, spirited individuals who can endure rigorous training, accept firm discipline, respond to sound leadership, and perform their duties in a competent manner. The purpose of enlistment screening and processing is to determine if applicants fit these general criteria, and to see if they have the potential to serve successfully as United States Marines. Recruiting personnel have an important obligation to help ensure success by carefully informing and instructing applicants and new enlistees about what they can expect and about what will be expected of them in return. See Chapter 4 to fulfill this responsibility.

1202. REFERRING APPLICANTS.

1. Marine Corps recruiting personnel have detailed knowledge of this criteria for enlistment and reenlistment, and a general knowledge of the rationale associated with enlistment standards. Recruiting personnel will resolve cases locally by answering all questions to the best of their ability. If recruiting personnel lack information, they will obtain it through their chain of command. Recruiting personnel will advise applicants that all matters pertaining to their enlistment or reenlistment will be handled locally. **Recruiting personnel will not advise or instruct applicants to visit, write or otherwise communicate with the CG MCRC; CMC, or other headquarters, agencies, or elected officials, for information regarding enlistment or reenlistment.**

2. Cases that require information from or action by the CG MCRC will be handled by the local recruiting station via the appropriate Marine Corps district and/or recruit depot. Commanding Officers of recruiting stations are responsible for ensuring that personnel under their charge are thoroughly familiar with the foregoing.

1203. RECRUITING POLICY FOR SECONDARY SCHOOLS.

1. Stay-in-School. Recruiters will emphatically encourage secondary school students to stay in school and graduate. The Marine Corps does not want to enlist high school drop-outs. Detailed instructions for processing high school drop-outs, however, are contained in chapter 3, section 2, part D, page 3-47, of this Manual.

2. In-School Recruiting.

a. The Marine Corps prefers to make separate presentations by Marine Corps recruiters at assemblies, career-day activities, and at other similar programs or gatherings. When desired by local school officials, however, arrangements for joint in-school presentations can be made. Marine Corps recruiters will give

their full cooperation and assistance. If a joint service committee is organized to plan the presentation, the school should be invited to furnish a representative, such as a guidance counselor, to act as a liaison.

b. School officials should be encouraged to inform students about the vocational and career opportunities available in the Armed Forces. All possible assistance in conveying this information to students should be given. Vocational guidance materials are available to school guidance counselors and librarians from Headquarters, U.S. Military Entrance Processing Command (USMEPCOM). Listings of Marine Corps films, reference materials and occupational field descriptions are available to guidance counselors with the annual Educator's Calendar. The Recruiter Support Material Guide (RSMG), distributed to each recruiting station, lists all supporting material available to the field.

3. Cooperation with Other Military Procurement Efforts and With Educational Authorities.

a. Like the Marine Corps, the National Guard, Air National Guard, Coast Guard, and other services will be encouraged to participate in the secondary school program. Marine Corps recruiters must cooperate with other service recruiters and work conscientiously to eliminate any doubts, misconceptions, or negative attitudes about our Armed Forces.

b. Recruiting personnel will cooperate to the fullest extent with all officials of the education system. The contents of this paragraph may be shown to any interested school representative.

1204. RELATIONSHIPS WITH OTHER AGENCIES AND MILITARY COMMANDS.

1. Recruiting personnel must form, maintain, and improve cooperative working relationships with all organizations and individuals. During day-to-day operations, however, problems will occasionally arise. When questions or differences do occur, common-sense solutions should be sought. Solutions reached at the lowest possible level are most often the best ones. Such solutions will lead to even greater cooperation and a better mutual understanding. To more efficiently accomplish the mission, a special effort should be made to establish good rapport with:

a. MEPCOM. Recruiting personnel must not fail to give praise or extend appreciation on appropriate occasions. Recruiting personnel should periodically review the performance of MEPCOM commands and personnel who provide them with direct

support. When appropriate, appreciation or recognition should be expressed officially. Cases of exceptional performance, either in a single instance or over a period of time, should be brought to the attention of the CG MCRC (RE) so that official recognition can be expressed from that level.

b. Marine Corps Reserve Units. The preceding subparagraph applies equally to Marine Corps Reserve unit personnel. Recruiting stations and Reserve units each have recruiting responsibilities. At the local level, recruiters must provide pertinent information to the appropriate Reserve unit on all potentially qualified prior service (any service) applicants who do not join their unit. Additional details and responsibilities are contained in the current edition of MCO 1130.56.

c. Assistance to the Naval Medical Program. Requirements of the Navy Medical Program are of concern to all assigned to recruiting within the naval service. In this regard, Marine Corps recruiters will provide every assistance to the Navy recruiting effort by referring potential nursing, dental, or medical service personnel to the nearest Navy recruiting office.

2. Casualty Notification.

a. In the case of first-term enlistees, when the CMC (MHP-10) notifies a district of a casualty whose next of kin must be informed, the district will determine what recruiting station enlisted the casualty.

b. The district will ensure that the casualty's recruiting station is notified of the facts concerning the casualty's status: diagnosis and prognosis. The commanding officer of the recruiting station will ensure that the NCOIC of the casualty's recruiting substation or permanent contact station is notified. The NCOIC will note the facts and ensure that recruiters are also aware of the casualty's status.

NOTE. This procedure gives local recruiters information about their recruiting areas and helps preclude embarrassment through ignorance. This procedure is in addition to those prescribed in the current edition of MCO P3040.4 (MARCORCASPROC MAN) and other Marine Corps Directives.

c. SMCR enlistees (Category L's and P's) awaiting initial active duty for training may be eligible for Servicemen's Group Life Insurance (SGLI) benefits even though they have not paid premiums, completed an SGLI form, or served on active duty. Final determination is made by the office of SGLI. Report deaths of SMCR enlistees awaiting IADT to the CMC (MHP-10) per the MARCORCASPROC MAN.

3. Selective Service System.

a. Registration.

(1) Registration is a very important and sensitive issue. It is essential that recruiters use sound judgment and discretion and avoid involvement in the registration process. Recruiters will not request names and addresses from postal authorities, volunteer to help postal authorities accomplish registration, nor approach registrants either while in lines or while in or around post offices during registration.

(2) Since 1 December 1983, the following draft registration statement has been incorporated into the enlistment contract (DD Form 4):

"I understand that my signature on this contract also constitutes registration to the extent required of me under the Military Selective Service Act. I authorize the Department of Defense to transmit pertinent personnel records to the Selective Service System, including name, social security number, date of birth and current address, for the purpose of meeting applicable registration and information reporting requirements."

Completion of the DD Form 4 is tantamount to registration. All identifying information is provided by the Department of Defense to the Selective Service System.

b. Enlistment of Registrants Ordered for Induction.

(1) Registrants who have been issued a notice to report for induction may enlist or accept an appointment in the Marine Corps or the SMCR, provided that the date of enlistment or appointment is at least 10 days prior to the scheduled reporting date for induction (in times of mobilization for war, a "notice to report" may preclude any chance to volunteer). These individuals may apply for any enlisted program, including the DEP. Enlistment may be for any term of service authorized by current regulations.

(2) In the case of a registrant whose induction reporting date has been postponed, the enlistment or appointment will be valid if it is accomplished at least 10 days prior to the rescheduled reporting date.

(3) Commanding officers of recruiting stations should expeditiously inform appropriate local selective service boards of those registrants who have been issued orders to report for induction and who are being actively processed for enlistment

into the Regular or Reserve Forces. This information should include a projected date on which the registrants will be sworn onto active duty.

(4) Induction of personnel assigned to the Marine Corps will be effected by personnel of the MEPS per chapter 9 of MCO P1100.75. Appendix F of this Manual contains supplemental information for the Recruiting Service in the event of mobilization.

4. Sending Recruiting Materials Outside the United States.

a. When written inquiries are received from foreign nationals, they will be expeditiously forwarded via chain of command to the MCRC (RE) for reply.

b. The forwarding of recruiting information or material into a foreign country, without the consent of the country concerned, is a violation of international law and is prohibited regardless of the method of communication except as noted below.

c. It is permissible to give recruiting information and material to foreign nationals who appear in person at recruiting offices in the United States or its possessions. It is also permissible to send recruiting information or material to:

(1) United States Territories

(a) American Samoa,

(b) Guam,

(c) Midway and Wake Islands,

(d) Northern Marianas Islands,

(e) Puerto Rico,

(f) Trust Territory of the Pacific Islands (Micronesia) and

(g) U.S. Virgin Islands, and

(2) United States diplomatic officials living in foreign countries, and;

(3) United States military or government-sponsored personnel (e.g., military members, their dependents, or dependents of diplomatic personnel living in foreign countries).

d. If there is any doubt or question, refer the matter to the MCRC (RE).

5. Drifters. Applicants normally apply for enlistment at the recruiting station nearest their residence or place of employment. This enables a recruiter to properly ascertain an applicant's qualifications. When applicants apply at a station distant from their home or place of employment, the recruiter must determine the applicant's status. In many cases, these individuals have been previously rejected, or they are simply not desirable applicants. To help make a determination, recruiters should communicate with the recruiting office nearest to an applicants home. The "drifter-type" generally is not desirable for service in the Marine Corps.

1205. COOPERATION WITH CIVILIAN AUTHORITIES.

1. The Department of Defense and the Department of Labor have a reciprocal working relationship.

a. State employment services should fully cooperate with the Armed Forces by:

(1) Providing career information to job applicants expressing an interest in military service.

(2) Referring interested job-seekers to appropriate military recruiters, and;

(3) Making office desk space available intermittently to inter-service military recruiters when it does not interfere with employment service functions and operations. Providing such space, while encouraged by the Education Training Act, must be decided by state agency officials.

b. In return, recruiters should establish procedures to refer applicants who cannot qualify for enlistment to the local state employment service offices. They are responsible for testing, counseling, and selecting persons for occupational training or employment, including opportunities in the Job Corps and Neighborhood Youth Corps.

2. Job and Training Opportunities in the Armed Forces. Commanding Officers of recruiting stations will establish mutually satisfactory arrangements with state employment service offices in their areas of responsibility to provide information on job and training opportunities in the Marine Corps, including, but not limited to, the following.

a. Provide the local state employment service offices with current printed materials that give information on job and training opportunities available to members of the Marine Corps.

b. Ensure timely replacement of these materials, as required, and;

c. Coordinate with the local state employment service offices to establish mutually acceptable procedures to be followed for referring individuals to Marine Corps recruiting offices for particulars about jobs and training opportunities in the Marine Corps.

3. National Voter Registration Act (NVRA) of 1993. This act requires cooperation between Armed Forces recruiters and Federal/State election officials to facilitate voter registration. Implementation procedures and policies are coordinated by the DOD Federal Voting Assistance Program office. Recruiting personnel will receive all guidance and direction from this headquarters and not from local election officials. Specific details are published under separate correspondence.

1206. PRIVILEGED COMMUNICATIONS AND APPLICABILITY OF THE PRIVACY ACT OF 1974.

1. Release of information pertaining to military personnel, applicants, and dependents to unauthorized individuals or agencies outside of DoD is prohibited. This restriction includes, but is not limited to, the release of mailing lists or rosters.

2. As a preliminary step in enlistment processing, recruiters will require applicants to complete Privacy Act Statements (NAVMC 11000 and DD Form 2005). See chapter 4 for processing procedures and for information on forms.

3. When unresolved criminal conduct on the part of an applicant is suspected, release of any information about the applicant to agencies outside DoD is not authorized, except to a law enforcement agency. However, a law enforcement agency must request specific information. Its request may be made by any available means of communication to accomplish its mission. The request must both specify the particular record or portion desired, and also explain the law enforcement purpose for which the record of information is being requested. When records or information are disclosed in this manner, applicants do not have to consent to the release, but an account of the disclosure is mandatory. MCO P5211.2 contains additional instructions on the Privacy Act of 1974.

4. Restrictions also extend to information obtained from third parties, and apply regardless of whether the information is received orally, in writing, or in response to formal requests (e.g., police checks, personal references, educational records checks). It is expressly intended that applicants and/or their families not be advised of either the source, the specifics, or even the general content of the information received regarding an applicant's background or qualifications. This is the most important aspect of recruiting. All recruiting personnel must be continuously aware that it would be impossible to obtain objective information from community members if they were not totally assured of the privacy and privileged status that their information would receive in the hands of recruiters. It must be clearly understood that this would include any and all information obtained by recruiters regardless of the manner in which it is obtained. In cases in which applicants transport their own application file, special care must be taken to safeguard information (i.e., use of double-sealed envelopes and explicit instructions to the applicants).

CHAPTER 2

RECRUITING SUPPORT PROGRAMS

SECTION 1: INTRODUCTION

2100. PURPOSE. This chapter provides information and instructions on recruiting support programs for use in accomplishing the recruiting mission. To accomplish its purpose, this chapter is organized into four sections:

Section 1	Introduction
Section 2	General Support
Section 3	Enlistment Incentive Programs
Section 4	Recruiting-related Programs

CHAPTER 2

RECRUITING SUPPORT PROGRAMS

SECTION 2: GENERAL SUPPORT

2200. PURPOSE. This section identifies directives, plans, and programs that provide general support for the Marine Corps recruiting effort.

2201. MILITARY ENTRANCE PROCESSING STATION (MEPS). The primary mission of MEPS is the examination of applicants to determine their medical and mental qualifications for enlistment in the U.S. Armed Forces in accordance with eligibility standards established by the service concerned, and the enlistment of those applicants in the Armed Forces who are accepted by the sponsoring service. A joint service publication, MCO P1100.75 prescribes MEPS operational policies, functions and procedures. It also prescribes related policies and procedures applicable to recruiting activities of the Armed Forces, and contains agency and command responsibilities for operation and support of MEPS. The last chapter provides general processing instructions for selective service registrants.

2202. ARMED FORCES VOCATIONAL TESTING PROGRAM.

1. The program aids high school students in determining aptitudes in several vocational areas and helps them explore career options. It is offered on a voluntary, no-costs basis to school administrators and students. Testing results are provided to the school, to the student, and to the Armed Forces recruiting personnel. High school counselors use results of the ASVAB to counsel students on career alternatives, and recruiting services use test results in their enlistment efforts. A joint service publication, MCO 1130.52, provides instructions for the high school ASVAB program.

2. Test Security.

a. If any portion of an ASVAB test form is compromised, the test's usefulness to the Marine Corps is subverted. The Recruiting Command, therefore, must provide full assistance to MEPCOM to eliminate test loss and/or compromise.

b. District commanding officers are charged with taking all possible steps to eliminate ASVAB compromise. All recruiting personnel should be fully aware that acts which result in test loss and/or compromise will not be tolerated.

c. With regard to ASVAB test security, there are two basic prohibitions that apply to members of the Recruiting Command:

(1) Possession or use of ASVAB test material in any form, to include any questions or material that have been extracted or reproduced, by whatever means, from ASVAB test booklets, is not authorized.

(2) Answers to test questions will not be divulged to anyone for any reason, under any circumstance.

d. Although not necessarily all inclusive, the following subparagraphs list specific actions that constitute test compromise. These actions are expressly prohibited, and the prohibitions are not limited to members of the Recruiting Command. Marines who become aware of violations must report them to their superiors.

(1) Oral or written discussion of contents of test material by authorized personnel with any individual prohibited access to the material.

(2) Oral or written discussion revealing the contents of test material by an examinee with any other individual under any circumstances.

(3) Questioning of examinees by any recruiter for the purpose of gaining knowledge of the contents of test materials.

(4) Development, construction, reproduction, distribution, or possession of any "local test," "practice test," "pretest," or other document containing questions or other information regarding the specific content of authorized test material, for any purpose whatsoever, except as authorized by the CG MCRC.

(5) Reproduction or copying of any test material, in whole or in part, for any purpose.

(6) Removal of test material from an examining room by an examinee or by other unauthorized person.

(7) Leaving an examinee or group of examinees unsupervised during a testing session.

(8) Failure to account for the location or disposition of all test materials at any time.

(9) Transfer of test material not in accordance with authorized procedures.

(10) Destruction of test materials not in accordance with authorized procedures.

(11) Conduct of any official or unofficial, formal or informal, training course or session which concentrates on "teaching the test," or which emphasizes information specifically known to be covered by an applicable test.

(12) Opening of or tampering with any package containing test materials by an unauthorized individual.

(13) Improper storage of test material.

(14) Access to any safe, filing case, or vault containing test material by any individual not specifically authorized access to test material.

(15) Theft or unauthorized use, possession, sale, or release of test material by any individual.

(16) Intentionally changing test scores by test scoring personnel or knowingly making erroneous entries or changing test scores on official records by an individuals.

(17) Appointment of individuals as "alternate," "associate," "temporary," "emergency," or "nonpermanent" test control officers (TCO's), or the like appointment of any other official authorized access to test materials for the purpose, in whole or in part, of gaining knowledge of the contents of tests for personal or any other reason, or for the purpose of circumventing any of the provisions of this paragraph.

(18) Taking any other action which could result in the unauthorized disclosure of test material or the contents thereof.

e. Incidents of test compromise must be reported and investigated. Such incidents will be reported telephonically via the appropriate chain of command to the CG MCRC within 72 hours of discovery. In cases that involve Marines, a copy of the investigation will also be forwarded to the CG MCRC for a final decision.

2203. DELAYED ENTRY PROGRAM (DEP).

1. General Information.

a. This program permits the Recruiting Command to enlist male and female applicants into the Regular Marine Corps or SMCR and delay their departure for recruit training. Regular and Reserve non-prior service applicants are eligible to participate

in the program. See paragraph 4205, page 4-32, for additional information.

b. Individuals intending to enlist into the Regular Marine Corps and desiring to participate in the DEP must first enlist into the Marine Corps Reserve. The DEP is a component of the Marine Corps Reserve. These individuals remain in the Reserve while in the DEP, do not become a member of a specific unit, are credited with inactive duty time against their military service obligation (MSO) of 8 years, are not required to attend any Reserve unit functions, and are not entitled to any pay or benefits. These individuals are often referred to as "poolees". On the date these individuals depart for recruit training, they are administratively discharged from the Reserve and enlisted into the Regular Marine Corps.

c. Individuals intending to enlist into the SMCR may be authorized to delay their assignment to initial active duty for training (IADT). These SMCR enlistees are credited with inactive duty time against their MSO of 8 years, and may (Category P) or may not (Category L) participate in SMCR unit activities. The commanding officer of the recruiting station, within the constraints of the annual manpower plan, determines when an individual will depart for recruit training/IADT.

2. Program Benefits. Properly utilized, the DEP (to include those awaiting IADT) provides incentives to the applicants, and assistance to the Recruiting Command.

a. Applicants.

(1) High school seniors have an opportunity to complete high school before starting active duty;

(2) Those who are currently employed have an opportunity to continue working for a short period of time during which they can give notice and put their personal affairs in order before entering on active duty;

(3) Applicants can also reserve a training or bonus guarantee in advance, gain an appointment to private first class, and prepare themselves, both mentally and physically, for recruit training.

b. Recruiting Command. The establishment of a pool of highly desirable applicants for assignment to IADT or for enlistment into the Regular Marine Corps during future months assists meeting monthly requirements by reducing "direct shipping" (current month), new contract needs, and by providing a source for referrals/new contracts. A healthy pool program can

sustain itself and contribute to success. A well managed pool program permits a more even input of recruits to the depots, which, in turn, allows for the optimum use of training resources and facilitates and ensures an evenflow into FMF commands.

2204. PRIOR SERVICE PROGRAM. MCO 1130.58 provides comprehensive instructions and procedural guidance for the administration of the Marine Corps' Broken/Continuous Reenlistment Program that includes the reenlistment of former Marines and the enlistment or reenlistment of Marine Corps reservists into the Regular Marine Corps. It serves as a supplement to this Manual.

2205. ENLISTMENT/REENLISTMENT OF RESERVE STAFF NONCOMMISSIONED OFFICERS (SNCO'S) AND OFFICERS/FORMER OFFICERS IN THE REGULAR MARINE CORPS.

MCO 1130.63 establishes an evaluation board that considers applications from Reserve SNCO's, officers, and former officers who desire to enlist or reenlist in the Regular Marine Corps or the Marine Corps Reserve. Reserve SNCO's who waive the opportunity to be considered by this board may enlist or reenlist in accordance with procedures established in MCO 1130.58.

2206. AUTOMATED RECRUIT MANAGEMENT SYSTEM (ARMS).

1. The Marine Corps ARMS is an on-line, multi-user system that supports the collection, maintenance, inquiry, and reporting of the voluminous data required to effectively manage the activities of the Marine Corps Recruiting Command. The system functions on the concept of a single, centralized database accessible by Recruiting Command Headquarters, Officer Candidates School, each recruiting region, each Marine Corps district, and each recruiting station.

2. The development of ARMS began in 1978 with the objectives of reducing the number of processing errors associated with enlisted and officer accessions, and improving the accuracy, availability, and timeliness of management information to all levels in the recruiting command.

3. ARMS was designed and implemented in phases, thus permitting the system to evolve as new operational functions were developed. The first of these phases provided the capability to effectively manage the large amount of data pertaining to enlisted accessions. Subsequent phases were developed to manage high school recruiting data, officer accessions, recruiter and officer selection, officer performance data, and automated assignment of program guarantees. The system's current operations and development is managed by the MCRC (AC/S, Information Systems Unit). User access to the centralized system is provided via interactive bi-synchronous terminals linked to the Defense

Information Technology Service Organization (DITSO)-KC computer facility.

2207. RECRUITMENT ADVERTISING PLAN (RAP). Every year RAP's are developed for the nation, each Marine Corps district, and each recruiting station. The CG MCRC provides advance guidance and a summary of the national RAP to assist districts and recruiting stations with the development of integrated plans for the regional and local levels. A comprehensive national RAP is published each summer preceding the new fiscal year.

2208. RECRUITING COMMAND TRAINING PLAN. Each year, Recruiting Command Training Plans are developed by all echelons of the Command down to Recruiting Stations. A detailed national plan is published each summer for the upcoming fiscal year. Initial plans are submitted by all echelons in May.

2209. MOBILIZATION PLAN. MCO P1100.75 provides instructions for the processing of Selective Service System registrants. Appendix F of this Manual provides the Recruiting Command with supplemental information in the event of mobilization.

2210. NROTC SCHOLARSHIP PROGRAM. This program offers a valuable scholarship opportunity to interested and qualified students. Since it offers such a valuable scholarship, this program can serve as an important means of gaining access to high schools and improving cooperation and rapport. Details on the program are contained in MCO P1100.73 and in the guidebook for recruiting. Volume III, the Guidebook for RS Operations, sets forth management responsibilities as well as information on program objectives and report requirements.

2211. SEMPER FIDELIS AWARD FOR MUSICAL EXCELLENCE. The United States Marine Youth Foundation is a nonprofit corporation established to provide incentives for achievement in such fields as citizenship, scholarship, and physical fitness. Since 1967, the Foundation has provided an award for musical excellence for student musicians. The Recruiting Command has cooperated by making handsome certificates available to schools throughout the country. In many instances, Marine Corps recruiters personally present the certificates at appropriate occasions in the schools. Over the years, the program has continued to grow. School band directors are happy to have the award at their disposal to honor selected student musicians, and the Marine Corps image is enhanced. The award is administered annually through the CG MCRC as a part of the Certificate Awards Program.

2212. YOUTH PHYSICAL FITNESS PROGRAM. This program was established by the Marine Corps within the local community to increase youth awareness of physical fitness, provide high school

non-varsity athletes an opportunity to participate in a competitive physical fitness program, and to foster a more favorable recruiting environment in the high schools. The YPF Program began in 1958 and is dedicated to the memory of Lieutenant Colonel Dowd, USMC, who was instrumental in establishing the program while on recruiting duty in New York City. Lieutenant Colonel Dowd was killed in action in Vietnam on 13 August 1969. The program received national recognition from the President's Council on Physical Fitness in 1963 and continues to be endorsed by the President's Council today. Refer to MCO 6100.11 for further Program details.

2213. DISTINGUISHED ATHLETE AWARD. This award was designed to recognize outstanding athletic abilities of high school students. The Recruiting Command has cooperated by designing handsome certificates for presentation by recruiters at appropriate occasions in the school. This allows recruiters the opportunity to gain exposure and foster a more favorable recruiting environment.

2214. EAGLE SCOUT AWARD/GIRL SCOUT GOLD AWARD. This designed to recognize outstanding achievements of both Eagle Scouts and Gold Award Girl Scouts upon presentation at civic ceremonies. The Recruiting Command has cooperated by designing handsome certificates for presentation by recruiters at appropriate occasions. This allows recruiters the opportunity to gain exposure and foster a more favorable recruiting environment.

CHAPTER 2

RECRUITING SUPPORT PROGRAMS

SECTION 3: ENLISTMENT INCENTIVE PROGRAMS

2300. PURPOSE. This section sets forth basic information on enlistment incentive programs. It is organized into four main paragraphs which correspond to four broad categories of incentives. The categories are:

1. Incentive programs for applicants who will attend recruit training.
2. Incentive programs for enlistment in the Marine Corps.
3. Incentive programs for enlistment in the Selected Marine Corps Reserve.
4. Incentive programs for applicants with prior service.

2301. INCENTIVE PROGRAMS FOR APPLICANTS WHO WILL ATTEND RECRUIT TRAINING.

1. The Buddy Program. Recruiting officers are authorized to guarantee applicants who desire to attend recruit training together assignment to the same recruit platoon. The following instructions apply to this program:

a. Each buddy group will consist of not more than five Marine recruits of the same gender.

b. This guarantee is limited to the same recruit training platoon only. No assurance will be given about assignment to the same squad or similar unit or duty station after completion of recruit training.

c. Individuals desiring to participate in the buddy program must be informed that it is entirely dependent on them. **Only if they depart for recruit training on the same day can the commanding officer of the recruiting station guarantee assignment to the same recruit platoon.** Applicants interested in the buddy program must be advised that if a participant should become disqualified while in the DEP or awaiting IADT, that does not in any way affect the enlistment of the other Buddy Program participants who remain qualified.

d. Each enlistee or a "buddy group" will also be informed that disciplinary action, hospitalization, training set backs, or

other similar action will generally cause an individual to leave the originally assigned platoon. This must be emphasized to all interested applicants.

e. Participants in the buddy program will be identified by an appropriate entry in the remarks section of the DD Form 1966.

2. Enlistment of State, Community, and Name Platoons. Enlistment of "title" platoons requires prior authorization from the commanding general of the appropriate Marine Corps recruiting region. A copy of the request to enlist platoon will be provided to the CG MCRC. Commanding officers must exercise caution when enlisting "title" platoons. In this regard, the following instructions are provided:

a. Districts will monitor input to the platoon to ensure that the input required of an individual recruiter, or recruiting substation, is not excessive. Normally, not more than a total of three enlistees per recruiter per platoon should be required.

b. Only recruiting stations serving densely populated areas (large metropolitan areas) or large, cohesive geographic areas (a populous state) which are able to meet the criteria established above should enlist "title" platoons.

c. The name selected must in no way be susceptible to interpretation as favoring or excluding a particular race, creed, or color, and in no case will the name selected be that of a political party or personage.

d. Platoons so enlisted will receive training as a unit when practicable. Enlistees, parents, and any local officials concerned will be fully informed of the effects of training setbacks, leave policies, and visits to recruit depots. It will be carefully explained that any of the following possibilities may result in an individual being separated from an original platoon:

(1) Sickness or hospitalization,

(2) Assignment to the special training unit in the case of recruits who fail to attain desired standards of physical fitness or who are deficient in military subjects,

(3) Disciplinary reasons, or

(4) Administrative reasons.

e. Gifts, mementos, or souvenirs will not be brought or sent to recruit depots for presentations to Marine Corps personnel.

f. The use of standards, banners, flags, or other means of identifying "title" platoons will not be permitted during training.

g. No specific promises for special consideration, such as "platoon leave to the home area" or "special treatment while undergoing recruit training," will be made.

h. Participants of "state," "community," or "title" platoons will be identified by an appropriate entry in the remarks section of the DD Form 1966.

2302. INCENTIVE PROGRAMS FOR ENLISTMENT IN THE MARINE CORPS. The following subparagraphs give brief descriptions of incentive programs that apply exclusively to enlistments into the Regular Marine Corps. For additional details on a program, see MCO 1130.53.

1. Enlistment Options Program. The Enlistment Options Program provides training and assignment guarantees to highly qualified applicants who demonstrate an interest and aptitude in a listed option. Each option contains either a group of related occupational fields or a specific occupational field. Prior service Marines who have held a primary MOS are not eligible for this program. However, prior service (other service) applicants are eligible for this program.

2. Enlistment Bonus Program. The Enlistment Bonus Program is designed to assist in attaining adequate numbers of volunteer enlistments in designated MOS's. The program offers a variety of bonus award levels to highly qualified applicants. Each award level relates to an array of MOS's or occupational fields. Applicants who enlist under this program will be trained and assigned in any one of the specialties that correspond to their selected bonus award level. Prior service applicants may also be eligible.

3. Quality Enlistment/College Enlistment Program (QEP/CEP). The Quality Enlistment Program/College Enlistment Program offers incentives to highly qualified, career-oriented applicants. The special incentives include guarantees of training and assignment in an occupational field of choice, accelerated promotions to the grade of lance corporal, a choice of geographical area, and a monetary bonus depending on the choice of occupational field. Prior service applicants may be eligible.

4. Musician Enlistment Option Program (MCO 1130.54). The Musician Enlistment Option Program is designed to assure field band or drum and bugle corps assignments to qualified instrumentalists upon enlistment in the Marine Corps. Incentives include accelerated promotion, guaranteed duty station assignments (based on billet vacancy), and, if qualified, exemption from formal training at the School of Music. Qualified prior service (other service) applicants are eligible.

5. Marine Corps College Fund (MCCF) (MCO 1130.79). The Marine Corps College Fund is an educational benefit offered as an enlistment incentive in conjunction with the Montgomery G.I. Bill (MGIB). The MCCF currently offers an additional \$416.66 for every month that a Marine receives MGIB educational benefits. Currently, the total benefit (including MGIB portion) is \$30,000. The MCCF benefits may be used while still on active service. The MCCF is not available to Reserve enlistees. Prior service applicants are generally not eligible.

6. Medical Remedial Enlistment Program (MREP) (MCO 1130.51). The Medical Remedial Enlistment Program is designed to allow male applicants who are disqualified because of a single remedial medical defect to enlist under a waiver, and to have their defect remedied upon entry on active duty. Applicants may also qualify for other enlistment option or bonus programs.

7. Enlistment of American Citizens Residing Outside of the United States (MCO 1130.61). This Order provides basic guidance for the enlistment of United States citizens residing abroad.

2303. INCENTIVE PROGRAMS FOR ENLISTMENT IN THE SELECTED MARINE CORPS RESERVE (SMCR). The following subparagraphs give brief descriptions of incentive programs that apply exclusively to enlistments into the SMCR. For additional details on a program, see Marine Corps Order which is identified in parenthesis after the program title.

1. Incremental Initial Active Duty for Training (IIADT) Program (MCO 1001R.54). The IIADT Program attracts highly qualified, non-prior service applicants for enlistment in the SMCR. The IIADT Program, or split increment program, permits an individual to enlist and complete recruit training during the break between high school graduation and the freshman year in college, and then return to a drilling Reserve status with the parent SMCR unit. Thereafter, Marines who are other than infantry, will complete MCT and occupational skill training during the two subsequent summers following the freshman year of college. Marines who possess an infantry MOS will only need to attend one subsequent summer of training at SOI. Individuals enlisted in this program

must enlist as component code "K4". When properly coordinated through CG, MCRC, highly qualified college students may be shipped as IIADTs year round in order to take advantage of semester/quarter breaks.

2. Reserve Optional Enlistment Program (ROEP) (MCO 1133R.26).

a. Information. The ROEP consists of four programs:

(1) ROEP (6 X 2) (Component Code K4). Enlistment in the Marine Corps Reserve for a period of 8 years, during which an individual serves 6 years in a drill status in the SMCR and the remaining time in the Individual Ready Reserve (IRR).

(2) ROEP (5 X 3) (Component Code B5). Enlistment in the Marine Corps Reserve for a period of 8 years, during which an individual serves 5 years in a drill status in the SMCR, and the remaining time in the IRR.

(3) ROEP (4 X 4) (Component Code K9). Enlistment in the Marine Corps Reserve for a period of 8 years, during which an individual serves 4 years in a drill status in the SMCR, and the remaining time in the IRR.

(4) ROEP (3 X 5) (Component Code K8). Enlistment in the Marine Corps Reserve for a period of 8 years, during which an individual serves 3 years in a drill status in the SMCR, and the remaining time in the IRR.

b. Eligibility. Individuals receiving 20 weeks or more of initial skill training and individuals enlisting in the Incremental Initial Active Duty for Training Program (IIADT) are only eligible for the ROEP 6 X 2 Program.

3. Training/Pay Category P Program (MCO 1500R.36). The Training/Pay Category P Program offers applicants who enlist in the SMCR an opportunity to participate in weekend drills and receive pay prior to commencing IADT. Participants benefit from training and are paid for their drills. Uniforms will normally be issued. This program's counterpart is the Category L Program, wherein the individual does not participate in weekend drills or receive pay.

a. Eligibility. Individuals must meet one of the following conditions to participate in weekend drills.

(1) High school graduates (maximum age 29).

(2) Bona fide high school seniors.

b. Drill Attendance. The Cat P program is voluntary, however, individuals who opt for the program will be held to the same participation standards as a mandatory participant. Drills will not normally exceed 48 hours inactive duty for training (IDT) periods and will commence as prescribed by the SMCR unit commander. For those NPS Reserve enlistees desiring to participate in the Category P Program subsequent to enlistment, drills will begin as prescribed by the RS CO. The SMCR unit commander will report as per instructions contained in MCO P1080.40 (MCTFSPRIM). Personnel in this program cannot be counted for mobilization purposes until completion of IADT and assignment to Training Pay Group A.

c. Administration. To preclude any misunderstandings subsequent to enlistment of an individual in the Category P Program, the following entry will be included in the remarks section of the DD Form 1966: "Enlisted Category P Program effective (Date) ." District commanding officers and commanding officers of recruiting stations will ensure that enlistments under this program do not exceed 20 percent of the district's annual Reserve mission.

d. Benefits. The benefits of this program for the Recruiting Command include a lower MCRD attrition, a higher referral rate, and greater market penetration.

4. Selected Reserve Incentive Program (SRIP) (MCO 7220R.38). The SRIP offers monetary incentives to qualified applicants to help maintain an SMCR unit's strength. The monetary incentives include or consist of bonuses for enlisting to serve in critical MOS's or in specific units. An annual ALMAR lists the eligible MOS's and units for the upcoming year.

5. Montgomery GI Bill-Reserve (MGIB-SR) (MCO 1560R.30). The Reserve portion of the Montgomery GI Bill was initiated on 30 June 1985. It is commonly referred to as the "New GI Bill," or "MGIB."

a. Eligibility. To be eligible, applicants must:

(1) Enlist or extend for 6 years of duty in the SMCR after 30 June 1995 and,

(2) Be a high school graduate or have earned a GED and,

(3) Have completed IADT or the first increment of IIADT.

b. Ineligibility. Applicants are ineligible if they:

- (1) Are service academy graduates or,
- (2) Are receiving ROTC or VA educational benefits.

c. Benefits. Benefits of \$7316.64 are paid by the VA and distributed as follows:

- (1) \$203.24 for 36 months of full-time study; or
- (2) \$152.43 for 48 months of 3/4-time study; or
- (3) \$101.62 for 72 months of 1/2-time study.

d. Eligibility for SRIP. In addition to the new GI Bill benefits, SMCR enlistees are eligible for other incentives (i.e., SRIP)

e. Entitlement Program. This is an entitlement program. No contributions are required of participating SMCR Marines.

f. Administrative Requirements. These requirements will be completed by the respective reserve center.

2304. INCENTIVE PROGRAMS FOR APPLICANTS WITH PRIOR SERVICE. The following subparagraphs give brief descriptions of incentive programs that apply exclusively to prior service applicants. For more detailed information see the current edition of the Orders that are referenced in the following subparagraphs.

1. Prior Service (Other Service) Enlistment Incentive Program (PS(OS)EIP) (MCO 1130.55). PS(OS) EIP offers enlistment incentives to those prior service (other service) applicants who possess occupational skills needed by the Marine Corps. The incentives include a guarantee assignment to a specific occupational field or MOS, and a grade appointment determined as though they were a prior service Marine, and possibly an enlistment bonus. These applicants are required to complete recruit training. They will not, however, wear any grade insignia until they graduate from recruit training.

2. Requests for Lateral Moves and Duty Station Assignments (MCO 1130.58 or MCO 1130.63). When applying for reenlistment (broken or continuous), prior service Marines can request a lateral move to a new MOS and/or assignment to a duty station. Requests should be submitted in accordance with either MCO 1130.58 or MCO 1130.63, whichever is applicable.

3. Bonuses (MCO 1130.57 or MCO 7220.24). Prior service applicants may be eligible for enlistment or reenlistment bonuses.

2305. SPECIAL PROCEDURES FOR ENLISTMENT WITH THE UNITED STATES MARINE BAND.

1. All prospects for enlistment for duty with the United States Marine Band must be found either musically or otherwise technically qualified to perform their assigned duties in MOS 9811 by the Director, United States Marine Band, Marine Barracks, 8th & I Streets, SE., Washington, DC 20390-5000.

2. Prospects will be advised to write the Director, The President's Own, United States Marine Band, for an interview appointment, musical audition, and/or technical evaluation, as required. All travel and expenses incident to this appointment must be borne by the prospect. When a prospect has been found to be either musically or technically qualified and desirable for enlistment "for duty with the United States Marine Band only," the director of the band will submit appropriate information to the CG MCRC. The CG MCRC will then initiate instructions to the appropriate recruiting station and to the prospective member regarding enlistment processing procedures.

3. Applicants found qualified in all respects for enlistment "for duty with the United States Marine Band only" are, upon enlistment, ordered to report directly to the Marine Barracks, 8th & I Streets, SE., Washington, DC 20390-5000, from the recruiting station. All initial enlistments for this duty are for a term of 4 years in the initial grade of staff sergeant.

4. See paragraph 4303, on page 4-60, of this Manual for preparation of travel orders.

2306. SPECIAL PROCEDURES FOR ENLISTMENT WITH THE UNITED STATES MARINE DRUM AND BUGLE CORPS.

1. The special procedures for enlistment for duty with the U.S. Marine Drum and Bugle Corps are similar to the procedures for the U.S. Marine Band with the following exceptions:

a. Applicants are required to attend recruit training and Marine Combat Training (MCT).

b. Initial enlistments will be in the grade of private first class with accelerated promotion incentives through the grade of corporal. Applicants who possess a baccalaureate degree at the time of initial enlistment will receive accelerated promotion incentives through the grade of sergeant.

c. Initial assignments will be to the U.S. Marine Drum and Bugle Corps. Subsequent assignments will be made by the CMC (MMEA) based on the needs of the Marine Corps.

2. Prospects will be advised to write the Commanding Officer, The Commandant's Own, U.S. Marine Drum and Bugle Corps, Marine Barracks, 8th & I Streets, SE., Washington, DC 20390-5000, for information and audition scheduling.

a. Annual auditions will be conducted during April and May. Additional auditions may be conducted through special arrangement with the Commanding Officer, The Commandant's Own.

b. Applicants must provide their own instrument, lodging, and transportation to and from the audition point. When feasible, however, members of the Recruiting Command may provide transportation in a government vehicle.

c. When an applicant has been found technically qualified and desirable for enlistment in The Commandant's Own, the Commanding Officer, U.S. Marine Drum and Bugle Corps, will submit appropriate information to the MCRC (RE). The CG MCRC will then provide instructions to the appropriate recruiting station regarding enlistment procedures and program assignment.

3. Upon successful completion of recruit training and MCT, initial assignment will then be made to the U.S. Marine Drum and Bugle Corps. Subsequent assignments will be made by the CMC (MMEA) based on the needs of the Marine Corps.

4. Applicants enlisted for assignment to the The Commandant's Own will complete the Statement of Understanding contained in the current edition of MCO 1130.54.

CHAPTER 2

RECRUITING SUPPORT PROGRAMS

SECTION 4: RECRUITING-RELATED SUPPORT PROGRAMS

2400. PURPOSE. This section lists and outlines five recruiting related programs. They are:

1. The Career Recruiter Program.
2. The Process of selection, screening, and assignment of recruiters.
3. The Reserve Extended Active Duty (EAD) Recruiter Program.
4. The Recruiter Aide Program.
5. The Command Recruiting Program.

2401. CAREER RECRUITER PROGRAM.

1. The objective of the Career Recruiter Program is the establishment of a cadre of professional recruiters whose long term assignment to key billets will provide the stability and continuity necessary to improve the efficiency and effectiveness of Marine Corps recruiting. Marines selected for assignment to the Career Recruiter Program are considered to possess the characteristics to positively influence the quality and direction of recruiting. Requests for assignment to this field are considered career decisions. Marines assigned the career recruiter MOS (8412) gain this MOS as their primary military occupational specialty, and will be monitored as if they were members of an occupational field.

2. Details on billets, eligibility, selection criteria, and other information are contained in the current edition of MCO 1100.76.

3. The Career Recruiter Program began in September 1977. An 8403 MOS has also been designated for career recruiters desiring to apply for warrant officer status.

2402. PROCESS OF SELECTION, SCREENING AND ASSIGNMENT OF RECRUITERS. Duty as a recruiter is a unique assignment. Marines assigned as recruiters must meet special criteria. They are normally selected by the CMC (MMEA). election is based on a review of information contained in their official military personnel files. Initial evaluation and screening are conducted

by Headquarters Marine Corps Recruiter Screening Team and parent command. For further details, see MCO 1326.6.

2403. RESERVE EXTENDED ACTIVE DUTY (EAD) RECRUITER PROGRAM.

1. Purpose. This program was established to meet total force recruiting requirements for the all-volunteer force. Within the concept of total force recruiting, this program provides for the assignment of Reserve noncommissioned and staff noncommissioned officers to be utilized as total force recruiters at the recruiting stations and substations within their respective communities. Additionally, each district is authorized to assign one Reserve staff noncommissioned officer to the billet of Reserve procurement chief at its respective headquarters. See the current edition of MCO 1130.56 and MCO P1080.40 for detailed information regarding total force recruiting.

2. Assignment of Personnel to the Reserve EAD Recruiter Program.

a. Eligibility. The current edition of MCO 1001.3 establishes the criteria for assignment of reservists to extended active duty (EAD). It is essential that only those Marines who are highly motivated toward total force recruiting be considered for this assignment. In this regard, district commanding officers, commanding officers of recruiting stations, and inspector-instructors will ensure that all nominees have sufficient obligated service remaining to complete the 2-year tour of EAD. Reserve gunnery sergeants applying for an initial assignment to duty as Reserve EAD recruiter should mark their promotion preference as "master sergeant" on their fitness reports (item 2G of section A), if they desire to continue to serve as a Reserve EAD recruiter. Each applicant will be screened per enclosure (2) of MCO 1326.6.

b. Applications.

(1) Applications for assignment to this Program will be submitted to the CG MCRC (A) on NAVMC 10274, Administrative Action Form. The information contained on the form should address the desirability of assigning the nominee to Reserve EAD recruiting duty, and should be suitably endorsed by the inspector-instructor/commanding officer of the Reserve unit, by the commanding officer of the recruiting station to which the nominee will be assigned, and by the district commanding officer. A photograph of the nominee will be taken per MCO P1070.12 and submitted as an enclosure to the request.

(2) Initial applications to become an EAD recruiter will seldom be approved if the applicant has accumulated 15 or more years of accrued active service.

(3) In addition to an initial 2-year tour, EAD recruiters may be approved for consecutive extensions. Requests for extensions in the Reserve EAD Recruiter Program will include the following:

(a) Photograph.

(b) Standard Form (SF) 88 and Standard Form 93, completed within the last 60 days.

(c) Endorsements from the commanding officers of the recruiting station and the district summarizing the individual's prior performance of duty.

(4) Requests for extensions will be submitted to the CG MCRC (A) not earlier than 180 nor later than 90 days before the expiration of the current tour of EAD.

3. Selection/Assignment.

a. The CG MCRC (A) will review all nominations and records of applicants for Reserve EAD recruiting duty, and notify the appropriate district of selection or non-selection at the earliest possible date.

b. Once selected, the CG MCRC (A) will release a message that will give the district commanding officer the authority to prepare orders assigning or extending the selected applicant to EAD for recruiting for a 6-month, 1-year, or 2-year period.

(1) When applicable, these orders will specify that assignment to Recruiter School has been directed and that direct liaison between district commanding officer and the Director, Recruiter School is authorized to ensure that the individual will arrive on a convenient class reporting date. Once dates are determined, this information should be entered into the Marine's original orders to the school. Further correspondence between a district and the CG MCRC pertaining to class assignment is not required.

(2) The orders will also advise the recipient that requests for enlistment into the Regular Marine Corps will not be considered any sooner than 3 months prior to the termination of current contract.

c. A copy of executed orders will be forwarded to the CG MCRC (A) to ensure effective monitoring and managing of the Reserve EAD Recruiter Program.

4. Promotion of Reserve EAD Recruiters. Reserve EAD recruiters will compete for promotion with their Reserve contemporaries. Certificates of appointment for those Reserve EAD recruiters selected for promotion will be forwarded to the commanding officers of the Marine Corps districts to which assigned. Nominations for meritorious or accelerated promotion will be submitted per MCO P1400.32. Fitness reports will be submitted per MCO P1610.7.

5. Pay/Allowances.

a. Reserve EAD recruiters will receive all pay and allowances commensurate with their grade, including special duty assignment pay, and reimbursement for actual and necessary out-of-pocket expenses per MCO 7220.12 and MCO P1100.71.

b. MCO P10120.28 authorizes the large blue dress uniform allowance for personnel assigned to recruiting duty. The same Order also delineates who is authorized to receive an issue or a reissue of clothing.

6. Medical Examinations. The procedures outlined in the Manual of the Medical Department, U. S. Navy, Article 15-77, concerning physical examinations for active duty and active duty for training will be followed.

7. Funding Guidance. Pay and allowances of Reserve EAD recruiters will be paid from Military Personnel, Marine Corps (MPMC) appropriation. Per diem and travel costs to and from Recruiter School, Marine Corps Recruit Depot, San Diego, California, will be charged to the CMC (C463). Permanent change of station (PCS) moves are authorized for Reserve EAD recruiters upon initial assignment. Funding for PCS moves is chargeable to the MPMC appropriation.

8. Administrative Instructions. District commanding officers will exercise administrative control of the Reserve EAD recruiters. At the time the Reserve EAD recruiter commences active duty, the inspector-instructor/commanding officer of the Reserve unit from which a reservist departs must forward a message to the CMC (MIFC) for accession into MCTFS per MCO P1080.40 (MCTFSPRIM). The first reporting unit to which the reservist reports must report an "Initial Join" per chapter 3 of MCO P1080.40 (MCTFSPRIM). The aforementioned actions must be accomplished on the first day the reservist is on active duty. District commanding officers will ensure a copy and all endorsements of a reservist's active duty orders are forwarded to the Marine Corps Support Activity on the first day of the Marine's active duty. All EAD recruiters will be identified with a component code of "CD" on their recruiter history screen.

9. Voluntary and Involuntary Termination of Reserve EAD Recruiters. Requests for termination from the Reserve EAD Recruiter Program, either voluntary or involuntary, will be submitted to the CG MCRC, via the administrative chain of command. Requests must contain appropriate endorsements from the commanding officer of the recruiting station and district. A full explanation of the circumstances surrounding the request will be necessary. Requests for voluntary termination will not take precedence over the needs of the Marine Corps.

2404. RECRUITER AIDE PROGRAM.

1. Purpose. This program was established within the concept of total force recruiting to provide for the assignment of Reserve personnel to temporary active duty to assist in the recruiting effort.

2. Employment. Reserve recruiter aides are identified and nominated by the Reserve unit or the commanding officer of a recruiting station, and assigned to the recruiting station to recruit primarily for the local Reserve unit. Reserve recruiter aides must be allowed to function in duties commensurate with recruiting activities. They will not be employed in duties unrelated to recruiting or training duties.

3. Assignment Policies and Procedures for the Recruiter Aide Program.

a. District commanding officers may assign and reassign qualified reservists to the Recruiter Aide Program for periods ranging from 30 to 139 days. Orders assigning these individuals to temporary active duty must be issued for each period of duty. Exceptional Recruiter Aides, may be extended to 179 days per fiscal year, with CG, MCRC approval. Ensure copies of orders assigning to and terminating from the Reserve Recruiter Aide Program are provided to the Marine's reserve unit for proper unit diary transactions.

b. Recruiter aides must be assigned to support the recruiting effort in their local civilian communities and will not be employed in a capacity where travel will exceed a 50-mile radius of their residence,

c. Recruiter Aides may not be assigned to exceed 179 days under any circumstances.

4. Accession/Unit Diary Procedures. The procedures delineated below will be used when assigning recruiter aides to temporary active duty.

a. For individuals assigned to temporary active duty for 30 days or less:

(1) Use a history statement; report attaching entry per paragraphs 3101.1a of MCO P1080.35.

(2) Report all subsequent occurrences requiring a unit diary entry as history statements.

(3) Report termination of attachment as a history statement per paragraph 3104.1a of MCO P1080.35.

b. For individuals assigned to temporary active duty for 31 days or more:

(1) Request accession into MCTFS per MCO P1080.40 on the first day of active duty.

(2) Report an "Initial Join" per chapter 3 of MCO P1080.40 on the unit diary dated the same day as the first day of active duty.

(3) Forward a copy of active duty orders and all endorsements and modifications to the Marine Corps Support Activity.

(4) Report all subsequent occurrences requiring unit diary entries.

(5) For Marine who will be separated and not returned to active duty within 120 days, report the separation per paragraph 5102 of MCO P1080.40 using Separation Designator Number (SDN) "MBK3."

c. Again, personnel are normally assigned to the Recruiter Aide Program for 139 days. Instructions for additional periods of active duty in excess of 139 days are contained in paragraph 6007 of MCO P1080.35. **However, under no circumstances will a recruiter aide be extended beyond 179 days per fiscal year.** A copy of orders for the subsequent period of active duty (up to 179 days) must be forwarded to the Marine Corps Support Activity.

5. Pay and Allowances.

a. Recruiter Aides are authorized to draw the same pay and allowances as members of the Regular Marine Corps of the same grade **except** as follows:

(1) Special duty assignment pay, as set forth in MCO 7220.12.

(2) Movement of household goods, dependent's travel or travel in excess of 50 miles as set forth in the Joint Federal Travel Regulations.

(3) Clothing maintenance allowance.

b. Recruiter aides are entitled to reimbursement for actual authorized out-of-pocket expenses incurred in the performance of their recruiting duties per MCO P1100.71.

6. Promotion. Individuals assigned to the Recruiter Aide Program are eligible for promotion with their Reserve contemporaries. Fitness reports will be submitted per MCO P1610.7.

7. Leave. A Reservist on temporary active duty accrues leave at the rate of 2 1/2 calendar days for each month of active duty service as outlined in MCO P1050.3. Leave accrued during a 139-day period must be taken during that 139-day period, or payment for accrued leave must be made at the end of the 139 days when the Marine is released from active duty. Leave may not be carried into the next period of temporary active duty per MCO P1050.3. Each period of leave settled is reflected in the Career Lump-Sum Leave (LSL) totals resident in MCTFS. The commanding officer will prepare a NAVMC 11060 upon separation to liquidate unused leave per MCO P7220.31. The finance officer will endorse the NAVMC 11060 to indicate the number of days LSL paid and report this information on the unit diary. Processing of the unit diary transaction will automatically update the Marine's Career LSL record. A copy of the completed NAVMC 11060 will be attached to a copy of the Marine's orders and filed on the document side of the service record.

8. Medical Examinations. The procedures outlined in the Manual of the Medical Department, U.S. Navy, Article 15-28, concerned physical examinations for active duty and for active duty for training will be followed.

9. Management of Resources.

a. Man-days and funds dedicated to the Recruiter Aide Program for any fiscal year are limited. As the fiscal year progresses, use of the program is constantly evaluated for overspending or relatively low productivity.

b. Funding for the Recruiter Aide Program is the responsibility of the CMC (RFC). Pay and allowances for Reserve recruiter aides will be paid from Reserve Personnel Marine Corps (RPMC) appropriations. Appropriation data will be set forth in MCO P7301.104.

c. The CG MCRC will allocate man-days and funds for the Recruiter Aide Program by separate correspondence to each Region. Included in the correspondence will be the fiscal year's appropriation data as set forth in MCO P7301.104. All recruiter aides will be charged against this appropriation data. When an individual serves during 2 fiscal years, modification of orders to reflect the new fiscal year's appropriation data is required.

d. District commanding officers must manage the man-days and funds to ensure that their authorized allocations are not exceeded. As with other support programs discussed in this section, the effectiveness of each organization's program will be evaluated in terms of accessions gained.

2405. COMMAND RECRUITING PROGRAM (MCO 1130.62).

1. Purpose. The Command Recruiting Program was established to provide additional manning for the Recruiting Service to assist in providing quality prospects for the recruiters to interview. There are four different categories within the Command Recruiting Program:

a. Annual Leave Program (AL). Any Marine in the area on leave/liberty, regardless of grade, who provides assistance to a recruiter. MCO 1130.62 provides incentives for Marines home on leave or liberty to assist in the recruiting effort. Incentives include leave extensions/special liberty, meritorious promotion, bonus points on composite scores, and comments on fitness reports.

b. Permissive Temporary Additional Duty (PTAD). A Marine assigned TAD at no expense to the government for a period up to 30 days from a major command to assist in the recruiting effort. PTAD requests may originate from the individual Marine or from a recruiting station. Normally, coordination with the Marine's parent organization occurs 30 to 60 days in advance of PTAD. This will allow the parent organization time to make adequate plans for the Marine's absence. Request procedures, incentives, and formats are located in MCO 1130.62.

c. Permissive Recruiter Assistant Program (PRASP). Marines who are recent graduates of recruit training who are assigned in a Temporary Additional Duty (TAD) status at no cost to the government to assist in the recruiting efforts in their hometown before reporting to their first duty station. Services performed by recruiter assistants include introducing recruiters to school officials, appearing with recruiters at public events and, most importantly, providing names of prospective applicants directly to the recruiters. Incentives include the opportunity to serve in a Marine's hometown, and possible meritorious promotion for a

recruiter assistant (provided otherwise qualified) who refers two individuals who subsequently enlist or reenlist in the Marine Corps or enlist in the Marine Corps Reserve. Credit will be given for any referral who subsequently enlists or reenlists. The recruiting station commanding officer must forward a letter to the PRASP Marine's command stating eligibility for meritorious promotion. The recruiting station commanding officer will make the circumstances known to the command and cite this paragraph and MCO 1130.62.

d. Boot Leave Program (BL). A Marine home on Boot Leave who is **NOT** assigned to the Permissive Recruiter Assistant Program and subsequently refers an applicant who enlists into the Delayed Entry Program may earn promotion or points toward promotion. These types of incentives are designed to reward Marines who spend their own time and effort to aid the recruiting effort.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 1: INTRODUCTION

3100. PURPOSE. Chapter 3 provides definitions and instructions concerning the qualifications for enlistment and reenlistment into the Regular Marine Corps, and for non-prior service enlistment into the SMCR. Additionally, instructions concerning waivers of enlistment criteria are provided. To accomplish this purpose, chapter 3 is organized into three sections:

Section 1: Introduction

Section 2: Enlistment Criteria

Section 3: Waivers of Enlistment Criteria

Section 2 is further divided into nine parts. Each part outlines in detail the requirements for enlistment in one of the nine different areas of qualifications. Each part is organized into four paragraphs. The first explains the purpose of that qualification (e.g., why the Marine Corps has imposed a standard for enlistment in this area). The second paragraph outlines the definitions and requirements for enlistment. The third paragraph explains the verifying documentation required for enlistment, and the last paragraph tells what is not waivable, what is waivable, and how a waiver may be obtained. Immediately following the last paragraph is a ready reference table summarizing the contents of each part.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART A: AGE

3210. PURPOSE. Minors are prohibited by law from enlisting. Older enlistees are higher attrition risks.

3211. CRITERIA.

1. All applicants must meet the age standards contained in Table 3-1, on page 3-15. The Marine Corps has no obligation to enlist applicants who apply, or to retain members of the DEP or SMCR awaiting IADT orders, if they have not commenced active duty before becoming ineligible because of age. Applicants will not be enlisted if their projected starting date of active duty will not let them meet age criteria.

2. PARENTAL CONSENT.

a. Prior to physical examination for enlistment, 17-year-old unmarried applicants must have the written consent of parents or guardians. **Under no circumstances** will an unmarried 17-year-old applicant take a physical examination at a MEPS, enlist into the Marine Corps or SMCR, or change components without the proper parental or guardian consent (except emancipated minors). The term "consent of parent(s) or guardian(s)," as used herein, means written consent executed before a notary public, recruiting officer, or recruiter, in the applicable section of the DD Form 1966. The consent shall be given by:

1. Both parents, if living and not legally separated or divorced,
or

2. The surviving parent if one parent is deceased, or

3. The custodial parent if parents are legally separated or divorced, (separation/divorce papers are required) even if both parents sign, in order to establish custody, or

4. The custodial parent if one parent abandoned the family or is missing, or

5. The legally appointed guardian if both parents are deceased or if parents were legally separated and the custody of

the applicant was awarded to a person other than one of the parents.

b. When both parents do not sign, copies of court orders or decrees which explain and substantiate the status of the non-signing parent(s) must accompany the application. In cases in which one parent has abandoned the family or is absolutely unavailable for signature (e.g., deployed on ship, in prison, out of the country, reported by the police as a "missing person," or in a country where there are no recruiting representatives or individuals authorized to act as witnessing officials for the execution of the parental consent, etc.), but no formal proof exists, **a statement will be made on the DD Form 1966** by the remaining parent confirming sole custody and assuming full responsibility for the enlistment. Such statements will be executed before a witnessing official, recruiting officer, or recruiter. **Abandonment statements will not be used in lieu of obtaining single parent consent verification documents.** The following statements will be used verbatim:

(1) I, (PARENT'S NAME), am (APPLICANT'S NAME)'s (FATHER, MOTHER OR OTHER INDICATION OF RELATIONSHIP). (APPLICANT'S NAME)'s (FATHER/MOTHER) abandoned our family approximately (NUMBER) years ago, and (HIS/HER) whereabouts are unknown. I take full responsibility for my (SON/DAUGHTER)'s enlistment.

(2) I, (PARENT'S NAME), am (APPLICANT'S NAME) (MOTHER/FATHER) (APPLICANT'S NAME)'s (FATHER/MOTHER) and I were never married, and our (SON/DAUGHTER) was born out of wedlock. I am the sole custodial parent and take full responsibility for (HIS/HER) enlistment.

(3) I (PARENT'S NAME), am (APPLICANT'S NAME)'s (FATHER, MOTHER, OR OTHER INDICATION OF RELATIONSHIP). (APPLICANT'S NAME)'s (FATHER/MOTHER) is absolutely unavailable for signature because (REASON), has so been since (DATE), and is expected to be until (DATE). I take full responsibility for (APPLICANT'S NAME)'s enlistment.

c. Illiteracy. If the signing parent(s) is/are illiterate or physically incapable, the mark representing the signature must be notarized by either a commissioned officer of the Armed Forces of the United States or by a notary public.

3. Emancipated Minors. Applicants 17 years of age who have been declared to be "emancipated minors" by their state courts, may be accepted for enlistment provided such claims can be substantiated per the following procedures:

a. By furnishing a transcript of the death certificates of the applicant's parents.

b. By furnishing a statement from a judge or a clerk of the city or state court in whose jurisdiction the applicant resides, stating the applicant's parents are deceased, or if living, that their whereabouts are unknown, and that the applicant has no legally appointed guardian.

3212. VERIFICATION.

1. Warning. Some applicants who know that they cannot secure the consent of their parents or guardians to enlist will claim that they have no living parents or legally appointed guardians. However, proper careful checking by the recruiter will, in most cases, prove these claims to be false. Table 3-2, on page 3-16, lists the documents that are acceptable for verification of age.

2. Documents. The documents qualified to verify age are presented in table 3-2. However, information on DD Form 372 (Application for Verification of Birth for Official U.S. Armed Forces Use Only) is given here:

a. DD Form 372. If the original birth certificate or a copy of the original birth certificate that has been properly certified by the government agency concerned cannot be produced by the applicant, the DD Form 372 can be used for verification. Preparation of the form is self-explanatory. Once Section 1 is completed, the form is hand carried or mailed with a self-addressed return envelope to one of the following agencies:

(1) State Bureau of Vital Statistics or State Health Department (see page 3-16 for addresses); or

(2) County Department of Public Health, County Clerk's Office, or County Registrar's Office; or

(3) City Department of Public Health, City Clerk's Office, or City Registrar's Office.

b. NAVMC 5002. If a negative reply is received, the following steps may be taken:

(1) By the recruiter:

(a) Review the warning in paragraph 3212.1.

(b) Advise the applicant to obtain a delayed birth certificate or statement from the state registrar of vital statistics or from a similar state official.

(c) Also advise the applicant to provide a combination of secondary evidence (i.e., a baptismal certificate, a certificate of circumcision, a hospital record, affidavits of persons having personal knowledge of the facts of birth, primary school records, family Bible entries, early census, newspaper files, or insurance papers). The closer the evidence to the date of birth, the greater its validity.

(d) Forward the secondary evidence to the commanding officer of the recruiting station along with the delayed birth certificate or registrar's statement.

(2) By the commanding officer or a designated representative:

(a) Review the warning in paragraph 3212.1, page 3-11.

(b) Review the documents provided.

(c) Determine if the documents verify the birth.

(d) Deny enlistment if the documents are inadequate. The applicant is responsible for providing the needed documents.

(e) If the documents verify birth, prepare a NAVMC 5002 and explain the circumstances of how the verification was made (e.g., "Determination based on my review of the hospital records, the baptismal certificate, and the delayed birth certificate.") The entry will be signed by the commanding officer or the designated representative in the Notarization Section of the NAVMC 5002 on the line labeled "Signature of notary officer administering oath."

3. Overseas Births. Birth verification for Marine Corps applicants born overseas of American parents can be readily obtained by completing the DD Form 372. A standard Privacy Act information release statement must be signed and dated by the applicant and included with the DD Form 372. Include as much data on the DD Form 372 as known: place of birth (city, state, country), full names of both parents, dates and places of parents' birth, branch of service parent(s) served in (if applicable), and passport numbers. Include a self-addressed return envelope. Average processing time is 2 to 4 weeks. There are no monetary costs involved if the DD Form 372 shows that verification is for enlistment purposes.

3213. WAIVERS.

1. Waiver of the minimum age requirement is not authorized.

2. Recruit Training Required (RTR).

a. Non-prior Service. The commanding generals of the recruiting regions may waive the maximum age limits specified in table 3-1 on page 3-15. However, under no circumstances will anyone older than 35 be accessed onto active duty for the first time or originally enlisted into the Selected Marine Corps Reserve.

b. Prior Service (Other Service). The commanding generals of the recruiting regions may waive the maximum age limits specified in table 3-1. However, under no circumstances will anyone older than 35 be accessed onto active duty in the Marine Corps for the first time.

3. Recruit Training Not Required (RTNR). The MCRC may waive the age limits specified in table 3-1 when such action would be in the best interests of the Marine Corps. Prior service enlistments into the SMCR are processed in accordance with the current edition of MCO P1040R.35 by the Reserve recruiting force. Questions about waivers in this category should be referred to the local Marine Corps Reserve prior service recruiter or to the Marine Corps Reserve Support Command (RD-4), 15303 Andrews Road, Kansas City, MO 64147.

NOTE 1. Parental or guardian consent is required if the applicant is unmarried and 17 years old. Married, 17-year old applicants do not require parental or guardian consent. **Applicants under 17 are not acceptable for enlistment.** Use DD Form 1966, section VII, for parental or guardian consent (see paragraph 3211.2 on page 3-9).

NOTE 2. Commanding generals of the Marine Corps recruiting regions may waive the maximum age limit (29) for enlistment into either the Regular Marine Corps or the Reserves under unusual circumstances, and when it can be reasonably determined that the individual can satisfactorily complete recruit training and participate in the physical rigors associated with service in the Marine Corps. Caution must be exercised pertaining to the individual's physical condition and overall general health. Older recruits suffer a higher attrition rates at recruit training. **Under no circumstances will an individual in excess of 35 years of age be initially accessed onto active duty in the Marine Corps (either Regular or Reserve). Under current law, an individual can be no older than their 35th birthday at the time of original enlistment.**

NOTE 3. After deducting active service in the Marine Corps, U.S. Army, Navy, Air Force and Coast Guard, and/or active service in the Reserve components (SMCR or equivalent) from actual age, an applicant's constructive age must be less than 32 years. Only the CG MCRC can waive this limit when such action is considered to be in the best interest of the Marine Corps.

NOTE 1. Age

a. To be acceptable, certificates must be certified under the method of certification practiced by the government agency concerned and must contain the name of the child, date and place of birth, and date the certificate was filed in the registrar's office, which should be within 1 year of the date of birth. The certificate may include, but is not limited to, seals which are raised, embossed, impressed, or multi-colored. For a birth certificate which does not show the date the original report of birth was filed, or a delayed birth certificate, on that was filed more than 1 year after the date of birth, follow the procedures in paragraph 3212.2 on page 3-11.

b. If age cannot be verified by any of the authorized documents, follow the procedures in paragraph 3212.2 on page 3-10.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART B: CITIZENSHIP

3220. PURPOSE. Enlistment in the U.S. Armed Forces is voluntary and no applicant is entitled to the right to enlist. Additionally, all enlistees must swear (or affirm) their support and defense of the Constitution of the United States. U.S. citizenship is, therefore, the preferred status for enlistment to create a legally binding obligation from the service member based on the premise that these individuals are more capable of fulfilling their contractual military service obligation.

3221. CRITERIA. Applicants for enlistment:

1. Regular. Although there is no policy or statute restricting the enlistment of aliens into the regular component, the following criteria for enlistment into the Regular Marine Corps is imposed:

a. The applicant must be a United States citizen; or

b. An alien who has:

(1) Entered the United States on a **permanent residence visa or has an Alien Registration Receipt Card (INS Form 1-551/I-551 greencard or stamped I-94)**, and

(2) Established a bona fide residence, and

(3) Established a home of record in the United States.

c. A Canadian-born American Indian who has:

(1) Established a residence, and

(2) Established a home of record in the United States.
(8 USC 1359) (8 CFR 289.2) (8 CFR 316.5)

(3) Canadian-born American Indians may be absent from the United States before shipping to recruit training, if their absence is temporary and for a legitimate reason (e.g., to finish high school or college). **PRIOR TO SHIPPING** they **MUST** establish a residence in the United States, once the reason for their absence

has concluded. During their absence, they may list a temporary mailing address outside the United States, but they must change their mailing address back to their U.S. home of record when their absence has concluded.

2. Reserve. Statutes governing the qualifications for Reserve component enlistments require that these applicants either:

- a. Be citizens of the United States; or
- b. Have been lawfully admitted to the United States for permanent residence and have applied or intend to apply for United States citizenship (see para. 3222.1b(4) on page 3-27); or
- c. Have previously served in the Armed Forces or in the National Security Training Corps (10 U.S. Code 12102)
- d. Be a Canadian-born American Indian who has fulfilled the prerequisites in para. 3221.1c, page 3-25.

3222. VERIFICATION. An applicant's date and place of birth helps establish their citizenship. Verification of birth and citizenship must be given appropriate attention and documentation must be carefully examined. The Defense Investigative Service (DIS) must check with the Bureau of Vital Statistics for native born U.S. citizens only in connection with security clearance investigations. Accordingly, total reliance rests with the Recruiting Command to verify this information, part of the enlistment process.

1. Establish citizenship status as indicated below. In any questionable cases, forward the documents to the CG MCRC for a determination.

a. U.S. Citizenship. If the applicant was born in the United States or born of a U.S. parent or parents, documents used to verify age are acceptable to establish U.S. citizenship based on Section 33 of Public Law 97-241, the Department of State Authorization Act for FY82 and FY83.

(1) Additionally, for enlistment purposes, citizens of the United States include citizens of:

- (a) Guam
- (b) Puerto Rico
- (c) The U.S. Virgin Islands
- (d) The Northern Marianas Islands

- (e) American Samoa
- (f) The Federated States of Micronesia
- (g) The Republic of the Marshall Islands

(2) Proof of Birth of U.S. Citizens Born Abroad. The U.S. Department of State responds to thousands of requests from foreign-born military applicants, or recruiters, for evidence of birth and citizenship status that will be acceptable to the military for enlistment purposes. Children born of an American parent (or parents) outside the United States acquire citizenship through their parent(s). For these persons, verify citizenship with a certified copy of one of the following:

- (a) DS Form 1350 (Certification of Birth) or,
- (b) FS Form 240 (Report of Birth Abroad of a Citizen of the United States) or,
- (c) FS Form 545 (Certification of Birth Abroad) or,
- (d) INS Form N-560 (United States Certificate of Citizenship),
or
- (e) INS Form G-342 (Verification of Alien Status), or
- (f) A passport issued by the Secretary of State to a citizen of the United States.

(3) Forms listed in items (a) through (d) above must be obtained by the applicant through completion of an INS Form N-600 (Application for Certificate of Citizenship) at any INS office. As proof of United States citizenship, all of these documents have the same force and effect as Certificates of Naturalization/Citizenship issued by the Attorney General or by a court having naturalization jurisdiction.

b. Aliens. If otherwise qualified, an alien who meets the criteria established in paragraph 3221 on page 3-25 is eligible for enlistment. Documents which serve to verify residency status are:

- (1) INS Form I-151 or INS Form I-551. Either form is acceptable;
or
- (2) INS Form G-845 (Document Verification Request from INS Records). A legally permanent resident alien, or naturalized

U.S. citizen, may use this form to request official verification of residency status. The INS office annotates the form and forwards it directly to a recruiter or other military office. It suffices as evidence of lawful admission for permanent residence. If an alien claims to be a legal permanent resident who has lost their INS Form I-151/I-551, use of this form to verify their status is proper and encouraged. If the alien has not filed for a duplicate replacement card, they should provide the recruiting service a copy of INS Form I-90 (Application by Lawful Permanent Resident Alien for Alien Registration Receipt Card).

(3) INS Form I-94 (Arrival/Departure Records).

(a) This form is executed on behalf of most aliens entering the United States. This form is normally executed for legal permanent resident aliens for statistical purposes only, but may also be issued to all classes of non immigrants or parolees. It is not issued to temporary aliens, however, it may be issued to a legal permanent resident alien as a temporary Alien Registration Receipt Card. When issued for this purpose, the action block in the lower right-hand corner will be annotated "**TEMPORARY I-151.**" It will give the alien's lawful permanent residency date and port of entry. The INS attaches the alien's picture to the form and partially covers the picture with the impression of the INS seal. When issued in this format, the INS I-94 verifies that the bearer is a lawful permanent resident alien.

(b) Cuban refugees on a 2-year probationary status, initially admitted to the United States on an INS Form I-94, who are not U.S. citizens, may be enlisted in the Marine Corps only if they have filed to become permanent U.S. residents. This requires proof of application for an INS I-551.

(4) Declaration of Intention. In addition to documenting permanent residency status, aliens applying for enlistment in the SMCR must:

(a) Sign the following statement annotated for them in the "Remarks" section of their DD Form 1966: **"It is my intention to apply for U.S. citizenship. I fully understand that unless I become a U.S. citizen, I will be ineligible to reenlist in the Marine Corps Reserve."**

(5) Stamped Notation on the Alien's Foreign Passport. The INS uses a stamped notation in the alien's foreign passport at the time of the alien's admission for lawful permanent residency or an application for a duplicate Alien Registration Receipt Card. This notation is: "Processed for I-551 (Temporary Evidence of Lawful Admission for Permanent Residence)." This

annotation suffices as acceptable evidence of admission for lawful permanent residence. The INS normally processed the I-551 in 3- to 6- months.

(6) INS Form I-688 (Temporary Resident Alien Card) with Black Sticker or Stamp. Aliens who have passed their INS interview and have been accepted for permanent residence usually wait 3-6 months for their I-551. As an interim measure, the INS puts a sticker or stamp on the back of the Temporary Resident Alien Card to verify permanent residence. The black sticker or stamp states: "Temporary evidence of lawful admission for permanent residence and employment authorization. Valid from 1-year of expiration date on reverse of this I-688. Valid for travel outside U.S. if the named bearer has not abandoned his residence and is returning after a temporary absence aboard not exceeding 1-year. Presentation of a valid document will authorize a transportation line accept the name bearer aboard for travel to the U.S. without liability under section 273 of the Immigration and Nationality Act. **This card is void if altered and must be carried at all times.**" With this sticker or stamp affixed, the Card is acceptable evidence of admission for lawful permanent Residency. An I-688 without this sticker or stamp, an I-688a (**Resident Employment Authorization Card**), is not valid evidence of permanent residency nor valid for enlistment.

2. Fraudulent forms or documents must always be considered to be a distinct possibility. Commanding officers of recruiting stations will contact the CG MCRC or the nearest INS office if any question of authenticity exists. Responsibility for verifying the authenticity of the alien's documentation, either by requesting a determination or by noting the salient details of the various forms, remains vested in the commanding officer of the recruiting station.

3. Forms will be distributed in accordance with table 4-3, on page 4-73. Return all original documentary evidence to the applicant after proper entries have been made on the DD Form 1966.

3223. DOCUMENTATION ON THE APPLICATION FOR ENLISTMENT. Once the applicant's residency status is satisfactorily verified, the recruiter will make the following entries on the DD Form 1966:

1. In block 28, enter the type of documentation used to verify citizenship and the registration number, if applicable.

2. In Section VI, the following remarks are required:

a. An affirmative statement by the MEPS Liaison NCO which identifies the form(s) or document(s) that have been personally

sighted. This statement must certify acceptance of the validity of the documentation. For example: "I have personally sighted INS Form I-151/I-551, registration number "_____."

Note: No copies of INS documents are allowed, originals must accompany applicant to recruit training.

b. Certification by the MEPS Liaison NCO that the applicant, without further instruction, is able to read, write, and speak the English language sufficiently to complete recruit training.

c. A statement that the applicant has been interviewed, together with a recommendation from the MEPS Liaison NCO, that the applicant is considered a desirable applicant for enlistment.

d. Explain to the applicant, and insert in this section, the following statement. The applicant's signature is mandatory.

"(Date), I understand that section 1426, Title 8, U.S.C., provides that if I apply for discharge from service in the Armed Forces of the United States on the grounds that I am an alien, and I am discharged on such grounds, I shall be permanently ineligible to become a citizen of the United States. Further, I understand that this does not grant me the privilege or right to be discharged prior to completion of my enlistment.

(Signature of Applicant)"

3224. PRE-ENLISTMENT BRIEF. Prior to enlistment, all alien applicants will be advised as follows:

1. Security clearance requirements may delay or preclude their assignment to certain schools and duties due to their alien status.
2. They are not entitled to any special privileges or considerations, including discharge for their own convenience, due to their status. They are expected to complete their full military service obligation, unless sooner discharged, under the same policies and procedures applicable to U.S. citizens; and
3. Honorable service in the Armed Forces of the United States may expedite applications for citizenship, see INS regulations.

3225. WAIVERS.

1. Citizenship. Waivers of the citizenship requirements contained in paragraph 3221 on page 3-25 are not authorized.

2. Hostile Countries.

a. Prior to shipment onto active duty, written approval from the MCRC (RE) must be obtained when the applicant's DD Form 1966 and/or Standard Form 86 indicate evidence of any of the following cases:

(1) Residence in a hostile country after his/her 15th birthday,

(2) More than two trips to one or more hostile countries within 5 years preceding his/her enlistment, excluding school trips, family vacation, sporting events, or other similar, short-lived group sponsored visits.

(3) Evidence which casts a reasonable doubt about his/her loyalty to the United States government.

b. Countries whose interests are or were considered hostile to the United States are:

AFGHANISTAN	KURILE ISLANDS AND SOUTH
ALBANIA	SAKHALIN (KARAFUTO)
ANGOLA	LAOS
BULGARIA	LATVIA
CAMBODIA	LIBYAN ARAB REPUBLIC
CHINA, PEOPLE'S REPUBLIC	LITHUANIA

c. A readable copy of a waiver cover sheet must be provided by the commanding officer of the recruiting station to the CG MCRC for written approval. The package must include a readable copy of the DD Form 1966 and SF-86.

NOTE: As the status of these countries is constantly changing, this list will be updated via FROST CALL, as needed.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART C: DEPENDENTS

3230. PURPOSE. To eliminate from consideration those who cannot balance the demands of family and service.

3231. CRITERIA.

1. Determine eligibility per table 3-3 on page 3-39. Table 3-3 applies to all applicants except applicants for reenlistment in the Regular Marine Corps. Dependency criteria for "broken/continuous" reenlistments is governed by MCO 1130.58.

2. Definition of a Dependent. The definition of a "dependent" below is provided for enlistment purposes only. **The definition does not apply to entitlement of pay and allowances, medical care, exchange and commissary privileges, or other benefits. Such determinations are made only after enlistment and recruiting personnel will not render opinions on future entitlements.** A dependent for enlistment purposes is defined as:

a. A spouse, to include a common law spouse if the state recognizes such; or

b. Any natural child (legitimate or illegitimate) or child adopted by the applicant, if the child is under 18 years of age and unmarried, regardless of whether or not the applicant has custody of the child. The term natural child includes any illegitimate child when: the applicant claims the child as theirs, or the applicant's name is listed on the birth certificate as the parent, or a court order establishes paternity; or if any person makes an allegation of paternity that has not been finally adjudicated by a court; or

c. A stepchild of the applicant who resides with the applicant if the stepchild is under 18 years of age; or

d. Any parent or other person(s) who is/are, in fact, dependent on the applicant for more than one-half of their support.

3. For enlistment purposes, a divorce decree or adoption decree verifies a change of custody. **Guardianship does not constitute**

adoption. Unmarried applicants who have relinquished permanent physical custody of dependent children by court order 1-year or more prior to enlistment are eligible for a CG Region waiver.

4. If an applicant's dependent child has been formally adopted by another person (final adoption decree issued and effective), then the child is not the applicant's dependent.

3232. VERIFICATION.

1. It is the responsibility of the applicant to identify any dependents. Table 3-4 on page 3-42.

2. Commanding officers of recruiting stations are responsible for ensuring that applicants with dependents are interviewed by a member of the recruiting service prior to enlistment. The interviewer will:

a. Determine if the applicant is handling present personal and financial affairs in a mature, competent, and responsible manner.

b. Determine if the applicant can meet current and expected financial obligations with service pay.

c. Counsel the applicant concerning potential problems that may be experienced at the onset of enlistment relating to financial matters and the assignment to possible dependent restricted tours.

3. During the interview, the Enlistee Financial Statement (NAVCRUIT 1130/13) must be reviewed with the applicant. **The interviewer should become suspicious of entries that are missing or unrealistic. Questionable areas must be resolved.**

4. Applicants will not be enlisted if it appears that they are unable to meet current and expected financial responsibilities with service pay.

5. If the applicant is qualified, or if a waiver is being contemplated review the Statement of Understanding (SOU) for Applicants with Dependents, Figure 3-1, page 3-45. When the applicant has a correct understanding of the problems that may be experienced, proceed with enlistment processing.

6. Additional Documents. The following documents are required, in addition to those listed on table 3-4, page 3-42, to verify dependent status and enlistment eligibility.

a. Statement of Understanding for Applicant with Dependents. This form is for use by each applicant who has a dependent (legitimate or illegitimate). It explains the limits on entitlements to transportation and shipment of household effects at government expense. It also explains the limits of family housing for overseas deployment and unaccompanied assignments. The form is self-explanatory and local reproduction is authorized (see figure 3-1 on page 3-45).

b. NAVCruit 1130/13 (Enlistee Financial Statement).

(1) The enlistee financial statement is for use with all married applicants and all applicants who indicate they have someone either full or partially dependent upon them for financial support. Prior to preparation, a NAVMC 11000 (Privacy Act Statement) must be completed by the applicant. The financial statement will be prepared in the applicant's own handwriting, and once completed, the financial statement and Privacy Act statement will be retained in the residual file.

(2) No special criteria for the amount of monthly expenditures to be entered for rent, food, utilities, etc. can be established due to the variation in circumstances present in each individual case. However, for the benefit of those who must determine whether a dependency waiver is to be granted, questionable or unrealistic entries must be explained. An example of a questionable entry is an amount of \$100 per month indicated for food when the applicant has three dependents. While use of food stamps could explain the low amount, such an explanation with details must accompany the form.

(3) An honest breakdown of monthly expenditures for most families would include additional categories that are not indicated on the financial statement (e.g., clothing, automobile expenses that are not included in car payments [gas, oil, tires, tune-ups, etc.], entertainment, miscellaneous). Entry of these expenses are especially applicable when an applicant's income is reported at \$500 or \$600 per month or more, and monthly expenditures shown total \$300 or \$400 per month. The absence of these additional expenses is even more noticeable when little or no savings and/or checking accounts are indicated. In order for the total debt and total monthly payment data to have greater relevance for personnel reviewing the financial statement, each outstanding debt and the monthly payment for each debt must be indicated.

3233. WAIVERS. The USMC and USMCR dependent waiver requirements are as follows:

1. Married applicants or pool members (who are otherwise well qualified) whose only dependent is a spouse do not require a waiver.
2. Married applicants who have minor dependents require a waiver from the appropriate authority table 3-19, page 3-179. SMCR applicants who fall into this category require a waiver from the commanding officer of the recruiting station.
3. Unmarried, legally separated, or divorced applicants who have sole physical custody of any minor dependent are not eligible for enlistment. **No waiver is authorized.**
4. Unmarried or divorced applicants who have been awarded joint legal custody and/or a percentage of physical custody of any minor dependent for the purpose of visitation rights are eligible for enlistment, but require a waiver from the appropriate authority. Table 3-19, page 3-179.
5. **Unmarried applicants who have relinquished permanent legal and physical custody of dependent children by court order 1-year or more prior to enlistment are eligible for a CG Region waiver.**
6. Applicants who are in the midst of divorce proceedings, unless legally separated, are not eligible for enlistment until their situation is resolved (i.e., reconciliation or court ordered arrangement). **No waiver is authorized.**
7. Divorced or legally separated applicants who do not have children do not require a waiver.
8. Legally separated applicants who have minor dependents but do not have custody of their dependents may be eligible for enlistment but, require a waiver from the appropriate authority. Table 3-19, page 3-179.
9. Divorced applicants who have relinquished custody of their dependent(s) to the other parent in a court ordered arrangement and are not required to provide "child support" require a waiver from the appropriate authority. Table 3-19, page 3-179.
10. Divorced applicants who have relinquished custody of their dependent(s) to the other parent in a court ordered arrangement and are required to provide "child support" require a waiver from the appropriate authority. Table 3-19, page 3-179.
11. Unmarried applicants who are the parent of an illegitimate child and who neither have custody of their child nor are required to provide "child support" require a waiver from the appropriate authority. Table 3-19, page 3-179.

12. Applicants who are the parent of an illegitimate child and whose status does not fall within the paragraph 3233.1 through 3233.11 above require a waiver from the appropriate authority. Table 3-19, page 3-179. SMCR applicants require a waiver from the recruiting station commanding officer.

13. Applicants who have a non-minor dependent, in addition to or other than a spouse, require a waiver from the appropriate authority. Table 3-19, page 3-179. SMCR applicants require a waiver from the recruiting station commanding officer.

14. Applicants with 3 or more illegitimate children are not eligible for enlistment in the USMC.

TABLE 3-3

DEPENDENCY STATUS -- CONTINUED

NOTE 1. See paragraph 3231.2, on page 3-33, for the definition of a dependent and see chapter 3, section 3, for waiver procedures.

NOTE 2. Applicants with dependents will not be encouraged or consider for enlistment unless they are determined to be particularly desirable and well-qualified.

NOTE 3. Single parents who have sole physical and/or sole legal custody of minor dependents are not eligible for enlistment in either the Regular or Reserve establishments. For enlistment purposes, only a divorce decree or adoption papers can verify a change in custody. Guardianship does not constitute adoption. **Unmarried applicants who have relinquished permanent physical and legal custody of dependent children by court order 1-year or more prior to enlistment are eligible for a CG Region waiver.**

NOTE 4. Applicants or pool members (who are otherwise well-qualified) whose only dependent is a spouse do not require a waiver.

NOTE 5. An interview, a NAVCRUIT 1130/13, and an SOU are required. See paragraph 3232.6, on page 3-34 for special processing procedures, and see figure 3-1, on page 3-45 for the SOU.

NOTE 6. Under no circumstances will an enlistment be authorized where the risk or potential for hardship is greater than normally encountered by applicants without dependents. Requests for a waiver may be submitted via the chain-of-command when, the opinion of the recruiting station commanding officer, the applicant is exceptionally well-qualified and does not face a greater potential for hardship than applicants without dependents. The levels of waiver authority are as follows:

a. Applicants for enlistment in the SMCR (USMCR K4, K8, K9 and B5) who have dependent(s) in addition to or other than a spouse, require a waiver from the commanding officer of the recruiting station. No Reservists who has custody of minor dependent(s) in addition to a spouse will be augmented into the Regular Marine Corps or assigned voluntary EAD without permission from MCRC.

b. Divorced applicants who have relinquished custody of one dependent child to the other parent in a court ordered arrangement and are not required to pay child support require a waiver from the commanding officer of the recruiting station. Divorced applicants with 2 or more dependents will require the appropriate waiver as found in table 3-19.

c. Unmarried applicants who are the parent of an illegitimate child(ren) and who neither have custody or nor are required to provide child support to that child require a waiver from the recruiting station commanding officer.

TABLE 3-3

DEPENDENCY STATUS -- CONTINUED

d. All other dependency waiver cases, except those that also require medical or prior service consideration, will be determined by using table 3-19.

e. Cases requiring medical or prior service waiver consideration will be determined by the CG MCRC. Dependent waiver cases involving medical or prior service will be determined by the CG MCRC.

NOTE 7. All dependency waiver requests will be accompanied by the applicant's handwritten statement regarding plans for post-enlistment care of the minor dependent(s). See chapter 3, Section 3, for detailed waiver procedures.

NOTE 8. Applicants who have non-minor dependents require a waiver from the appropriate authority. Table 3-19, pg 3-179. Applicants for enlistment in the SMCR who fall into this category require a waiver from the commanding officer of the recruiting Station. All dependency waiver requests will be accompanied by the applicant's handwritten statement regarding plans for post-enlistment care of the non-minor dependent(s)). This may include, but not limited to, plans for geriatric care, special education, rehabilitation and other miscellaneous social related requirements, etc. See chapter 3, Section 3, for detailed waiver procedures.

NOTE 9. This category applies to married applicants who are not living with their spouse, whether or not divorce or custody action is pending. This category does not include applicants who are living apart from their spouse because of employment or because of attendance at school because of military service when separation is involuntary.

NOTE 10. For applicants who are in the midst of a divorce, the potential always exists that at the conclusion of divorce proceedings, the applicant will be given custody of the child(ren) or be required to provide support for the previous spouse and/or the child(ren). Because of the uncertainty surrounding future custody and financial support requirements, waivers will not be considered until the matter is final. Applicants should be informed that without a written, formal settlement, e.g., final divorce decree or its equivalent, etc., a waiver will not be considered.

NOTE 11. Applicants with 3 or more illegitimate children are not eligible for enlistment in the USMC.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART D: EDUCATION

3240. PURPOSE. Traditional education has been found to strongly correlate with success at recruit training and with completion of the first term of enlistment. Educational status determines testing procedures and mental requirements for enlistment and eligibility for waivers in processing. Accordingly, great care must be used to accurately determine educational attainment.

3241. CRITERIA. All Tier II and Tier III applicants for enlistment in the United States Marine Corps **must have completed the 10th grade at a traditional high school**. (Exceptions noted in para. 3244, on page 3-52, Waivers).

1. Three-tiered System. Educational status, organized according to the Department of Defense three-tiered system, is outlined below. Additional information is also provided in Annex C.

a. Tier I: High School Graduate.

(1) High School Graduate. An applicant who has attended and completed a 12-year/grade, daytime, structured program of classroom instruction and possesses a locally issued diploma. The diploma must be issued from the school where the applicant completed the program requirements. This includes both:

(a) Traditional high school graduates

(b) Alternative/continuation high school graduates. Not all alternative/continuation high school graduates are classified as Tier I. To qualify as a Tier I graduate, the applicant should have had the **same day-time** course and graduation requirements; the same days, weeks and hours of attendance; and have earned the same valid high school diploma as earned by graduates of the traditional local public school system. Applicants whose education does not meet this description should be considered Tier II or referred to the CG MCRC for determination. (Refer also to Appendix C).

(2) College/Post-secondary Student. An applicant who has attended and successfully completed 15 semester hours/22 quarter hours of college, regardless of high school/grammar school education. "Successfully completed" means that the

individual earned college-level credits (level 100 or higher) toward a degree in higher education from an institution listed in the degree granting section of the current version of the Accredited Institutions of Post-secondary Education (AIPE), published by the American Council on Education for the Council of Post Secondary Accreditation. **NOT** all institutions listed in the current AIPE are considered as offering college-level credits. The credits must have been earned through actual classroom participation at the institution awarding the credits. The individual must have attended the institution for the purpose of earning college-level credits, not for the pursuit of a high school equivalence preparation/diploma or to obtain a vo/tech certificate. Credit earned through testing for pursuit of high school equivalency preparation is not acceptable.

NOTE: The 15 semester hours/22 quarter hours do not have to be completed in a single semester.

(3) Adult High School Graduate. An applicant who has earned a diploma on the basis of attending and completing an adult education diploma program. For adult education diploma holders to be categorized Tier I high school graduates, their educational program must include attendance which is comparable to that of traditional high schools. Diploma holders possessing attendance not deemed comparable, and/or have been credited attendance based on some form of test-based credential, must be classified with the appropriate Tier II status. Questionable cases should be referred to the CG MCRC for determination.

(4) Prior Service. All prior service applicants who have served a complete enlistment of three or more years in the Regular Forces of the United States are eligible to be reenlisted as high school graduates, if the applicant possesses a General Education Development (GED) equivalency certificate, an adult high school diploma, or other credential previously recognized to be the equivalent of a high school diploma, irrespective of when obtained. **NOTE:** These applicants are coded as 12L.

b. Tier II: Alternative Credential Holder.

(1) Test-based Equivalency Diploma Graduate: An applicant who possesses a GED or other test-based high school equivalency certificate or diploma. This includes, for example, state-wide testing programs such as the California High School Proficiency Examination (CHSPE), whereby examinees may earn a certificate of competency or proficiency. **NOTE:** A person who subsequently obtains a local or state-issued diploma solely on the basis of such equivalency testing is not to be considered as a Tier I high school graduate.

(2) Certificate of Attendance. An applicant who possesses an attendance-based certificate or diploma. These are sometimes called certificates of competency or completion, but they are based on course completion rather than a test such as the GED or CHSPE. NOTE: A person who subsequently obtains a local or state-issued diploma on the basis of an attendance credential is not to be considered a Tier I high school graduate.

(3) Alternative/Continuation High School. Those applicants who do not meet the Tier I criteria as described in paragraph 3241.1a(1) (b) above. (Refer also to Appendix C.)

(4) Home Study. An applicant who earned a high school diploma or certificate awarded by a state, based upon certification by a parent or guardian that the individual completed his/ her secondary education at home. Questionable cases should be referred to MCRC. Those students who did not attend a traditional high school through the 10th grade submitted to the CG, MCRC for approval.

(5) Correspondence School Diploma. An applicant who earns a diploma or certificate upon completion of correspondence school course work, regardless of whether the diploma was issued by a correspondence school, a state, or a secondary or post-secondary educational institution.

(6) Occupational Program Certificate (Vo/Tech). An applicant who has attended a vocational/technical or proprietary school for at least 675 classroom hours and possesses a certificate of attendance or completion indicating such. Correspondence schools offering vocational certificates are not included.

c. Tier III: Non-High School Graduate. An applicant who is neither a high school graduate nor an alternative credential holder. **Tier III applicants must have a 50 QT, 90 GT and NO moral/drug waiver above the recruiting station level.**

2. Grade Completed. If an applicant has attended school for an entire school year, up to and including the last day, credit will be granted for successful completion of that grade level only, regardless of whether or not the requirements were met for advancement to the next higher grade.

3. Mid-year Graduates.

a. Secondary (high) school students who will graduate in the middle of the traditional September to June school year can enlist into the DEP or SMCR awaiting IADT up to 365 days prior to their projected graduation date. No applicants will be enlisted

prior to completion of their junior year, by school classification. Those 11th graders who are classified as bona fide high school seniors by their school and will graduate within 365 days may be enlisted as mid-year graduates.

b. Students must present documentation that they will graduate prior to beginning active duty.

c. In some cases, a diploma is not issued to mid-year graduates until the end of the school year. In such cases, an official letter from the school stating that the applicant has graduated and will be issued a diploma at a later date will suffice as proof of graduation.

4. Foreign High School Graduate/College Student. Applicants who possess a diploma or transcript from a foreign high school that is equivalent to a traditional American high school program of instruction (see para 3241.1a(1) on page 3-47) or university or college completed course work that is equivalent to 15 semester or 22 quarter hours at an American college/university as listed in paragraph 3241.1a(2) on page 3-47, may be eligible for enlistment. Equivalency or accreditation will be verified by one of the following, prior to enlistment:

a. That country's consulate (not applicable to hostile countries listed in paragraph 3225.2b on page 3-31).

b. State board of education, state university, or recognized university or college listed in the Directory of Post-secondary Institutions, available through the Government Printing Office.

c. Foreign language services that are accredited by the American Association of Collegiate Registrar and Admissions Officers (AACRAO).

5. Applicants Possessing a Baccalaureate Degree. Applicants for enlistment who possess a baccalaureate degree are eligible to enlist. **However, they must be informed and counseled on the Officer Candidate Course and other officer programs prior to their enlistment.** This is best accomplished by the Recruiting Station Officer Selection Officer (OSO). If the applicant is found to be initially qualified, he will then be referred to the OSO. **However, if the OSO is not available the recruiting station commanding officer or executive officer may conduct the interview.** Should the applicant not desire to apply for the OCC Program, that Statement for the Officer Candidate Course contained in figure 3-5 on page 3-59 will be completed and witnessed by the OSO or his representative. This will ensure

that the applicant is aware of the competitive nature of the Enlisted Commissioning Program, and that no guarantee for assignment to the program exists.

3242. VERIFICATION. Verification of education is the responsibility of the recruiting station commanding officer. Applicants will not be enlisted without having their educational level verified. The verification must be documented on the DD Form 1966 to protect the recruiter. Applicants enrolled in the current school year will not be enlisted or shipped as non-high school graduates without the knowledge of parents and of schools, and will be documented on the respective stay-in-school letters (see figure 3-2 on page 3-53 and figure 3-3 on page 3-55). Prior to assignment to recruit training, one of the following documents must be presented:

1. High school diploma (with certification for foreign high schools),
2. High school letter (with transcripts) see Figure 3-4, page 3-57,
3. College transcripts verifying successful completion of a minimum of 15 semester/22 quarter hours of college-level work (level 100 or higher). (NOTE: The required minimum hours do not have to be completed in a single semester), or
4. College diploma with Statement of Acknowledgment for the Officer Candidate Course (see figure 3-5 on page 3-59), or
5. Alternative Credential Education verification documents which verifies tier status.

3243. DOCUMENTATION. Prior to enlistment status, the following documents are required to verify educational eligibility in addition to those listed in table 4-1 on page 4-19.

1. Stay-in-School Letters. These letters are required of non-high school graduates to notify their parents (figure 3-2 on page 3-53) and their high schools (figure 3-3 on page 3-55) of the Marine Corps policy on staying in school and of an applicant's intention to enlist as a non-high school graduate.
2. High School Verification Letter (with transcripts). The letter to be used in verifying an applicant's education level is depicted in figure 3-4 on page 3-57.
3. Statement of Acknowledgment for the Officer Candidate Course. This form (figure 3-5 on page 3-59) is required prior to

enlisting any applicant who has received a baccalaureate degree.
Distribution will be made in accordance with table 4-3 on page 4-73.

4. High School Closure Statement. This statement is to be used only to enlist Delayed Entry Program applicants and only until the applicants high school reopens again.

a. In the event an applicant's high school is closed at time of enlistment the RSS NCOIC will type the following statement on the remarks section of the DD Form 1966:

"School records cannot be obtained on this applicant due to the fact that the school is closed. The school will reopen on (DATE) and I will obtain school records at that time."

NCOIC SIGNATURE

NOTE: School closures must be verified by the MEPS liaison.

3244. WAIVERS.

1. The CG MCRC may waive the minimum educational standard of attendance through the 10th grade when the applicant:

- a. Is otherwise exceptionally well qualified, and
- b. Is between 17 and 21 years of age, and
- c. Has an AFQT score of 50 or higher and a GT score of 105 or higher,
and
- d. Requires no moral/drug waivers above recruiting station level.

2. No waivers of the above criteria will be submitted.

3. Addendum waivers above the recruiting station level will not be submitted.

- (4) Is fundamentally wrong, destructive to organizational effectiveness, and totally incompatible with service as a United States Marine.
- (5) Is likely to result in criminal prosecution and discharge under other than honorable conditions.

2. All applicants will be carefully screened as to the extent of their drug or alcohol involvement.

3. Applicants will be rejected for enlistment into the Marine Corps if they acknowledge dependency on drugs or alcohol, or if their pattern of drug/alcohol involvement confirms a dependency.

4. All applicants must sign the Statement of Understanding on the Marine Corps Policy Concerning Illegal Use of Drugs or they will be denied enlistment/reenlistment. See Figure 3-6 on page 3-71.

3251. CRITERIA.

1. Dependency on illegal drugs is disqualifying.

2. Any history of drug use is potentially disqualifying.

3. Any history of dependency on alcohol is disqualifying.

4. During the screening process, recruiters will ask all applicants the following four questions at the minimum:

a. "Have you ever used drugs?"

b. "Have you been charged with or convicted of a drug or drug related offense?"

c. "Have you ever been psychologically or physically dependent upon any drug or alcohol?"

d. "Have you ever trafficked, sold, or traded in illegal drugs for profit?"

5. If the answer to the first or second question is "yes," a personal statement, as well as the Drug Abuse Screening Form (See Figure 3-7 on page 3-73) will be prepared to explain the specific details. Recruiters will submit the statement and the form, along with the applicant's case file, to the recruiting station commanding officer for further action. Refer to Table 3-16 on page 3-167 for ineligible categories of involvement which are not waivable.

6. If the answer to the third or fourth question is "yes," then the applicant will be denied enlistment.

3252. DEFINITIONS. The following standard definitions are provided for reference. They are intended solely to assist in determining an applicants eligibility for enlistment.

1. Alcohol Abuse. Any excessive use of alcohol.
2. Alcoholism. A chronic behavioral disorder manifested by repeated drinking of alcoholic beverages in excess of the dietary and social use of the community and to an extent that interferes with the drinker's health or social or economic functioning; some degree of habituation, dependence, or addiction is implied.
3. Dependence. A psychological/physical state of an addict in which the usual or increasing dose of the drug are required to prevent the onset of withdrawal symptoms. Dependency must be determined by a medical officer.
4. Drug Abuser. An individual who has illegally, wrongfully, or improperly used any narcotic substance, marijuana, or dangerous drug. They may be classified as:
 - a. Experimenter. A drug experimenter is defined as one who has illegally, wrongfully, or improperly used any narcotic substance, marijuana, or dangerous drug, as defined herein, for reasons of curiosity, peer pressure, or other similar reason. The exact number of times drugs were used, is not necessarily as important as determining the category of use and the impact of the drug use on the user's life-style, the intent of the user, the circumstances of use, and the psychological makeup of the user. An individual whose drug experimentation/use has resulted in some form of medical, psychiatric, or psychological treatment; a conviction or adverse juvenile adjudication; or loss of employment does not fall within the limits of this category. For administrative purposes, determination of the category should be within the judgment of either the district or recruiting station commanding officer, aided by medical, legal, and moral advice, with information as available from investigative sources.
 - b. Casual Drug User. One who has illegally, wrongfully, or improperly used any narcotic substance, marijuana, or dangerous drug, as defined herein, and for reasons of deeper and more continuing nature than those of which motivate the drug experimenter. For administrative purposes, determination of this category should be within the judgment of either the region commanding general or district commanding officer, aided by medical, legal, and moral advice, with information as available from investigative sources.
 - c. Hard Core Abuser. Routine illegal, wrongful, or improper use of any narcotic substance, marijuana, or dangerous drugs and is determined to be psychologically or physically dependent.

5. Drug Addiction. A state of periodic or chronic intoxication produced by repeated consumption of a drug, characterized by (1) an overwhelming desire or need (compulsion) to continue use of the drug, (2) a tendency to increase the dosage, (3) a psychological and usually physical dependence on its effects, and (4) a detrimental effect on the individual. The term refers, in a quantitative sense, to drug use which pervades the total life activity of the user. Individuals in this category are not eligible for enlistment.

6. Drug Supplier/Trafficker. An individual who illegally, wrongfully, improperly furnishes another person with any amount of drugs. For purposes of enlistment, "drug trafficking" will be considered any unlicensed sale, barter, transportation, or trade of drugs for profit.

3253. VERIFICATION. Qualification for enlistment will be verified through use of the forms and processing procedures outlined below. Recruiters will accomplish these procedures as early as possible in processing. Additionally, recruiters will terminate the processing of any applicant who is unwilling to complete these forms. These forms are required for all enlistments and reenlistments.

1. Statement of Understanding. All applicants are required to sign a statement indicating their awareness of the Marine Corps drug policy. Drug involvement by an applicant **will not be tolerated once this statement has been completed**.

a. The Statement of Understanding (SOU), shown in figure 3-6, on page 3-71 imparts a basic understanding of the Marine Corps policy on the illegal use of drugs. The SOU will become Annex "A" to the DD Form 4.

b. Recruiters will be available to assist the applicant in completing the SOU.

2. Drug Abuse Screening Form. The Drug Abuse Screening Form, shown in figure 3-7 on page 3-73, provides essential information that will determine an applicant's eligibility for enlistment.

a. Part I - Purpose.

(1) Applicant. Each applicant will complete all of Part I.

(2) Recruiter. Ensure that applicants completely and accurately completes Part I of the form.

b. Part II - Certification.

(1) Applicant. Complete, sign, and date the appropriate blocks:

(2) Recruiter.

(a) Complete the recruiter signature blocks after the applicant has certified the disclosures by signing Part II.

(b) Process a drug waiver, if considered appropriate.

c. Part III - Recertification.

(1) All members of the DEP and members of the SMCR awaiting IADT are required to complete Part III of this form before enlistment onto active duty for training. Recertification will be verified and signed by the MEPS Liaison NCO.

(2) Applicants who enlist/reenlist directly into the Marine Corps or the Marine Corps Reserve are not required to complete Part III of this form.

d. Destruction of Information. As indicated on the Drug Abuse Screening Form, this form will be destroyed when a recruit leaves recruit training.

3. Warning. The recruiter and the MEPS Liaison NCO will warn all applicants that they will be tested for drugs and alcohol as part of the pre-service physical. Any use of drugs or alcohol confirmed by testing will result in disqualification and immediate discharge from the DEP. Any subsequent use of illegal drugs will be confirmed by urinalysis within the first 24 hours of "processing" at the recruit depots. Enlistees who test positive for any illegal drug will be processed for erroneous/fraudulent enlistment and returned home.

3254. WAIVERS.

1. In all cases involving drug use/abuse, the appropriate waiver approval must be documented on the DD Form 1966.

2. No drug-related waiver will be considered without a signed, complete copy of the Drug Abuse Screening Form (see figure 3-7 on page 3-73).

3. Waivers will not be granted to non-prior service applicants who:

- a. Have a history of drug or alcohol dependency or addiction; or
- b. Have a court conviction for any drug offense (except simple possession of cannabis [30 grams or less], and steroids); or
- c. Admit to trafficking marijuana or other illegal drugs.

(Note: "Trafficking" in drugs will be considered the unlicensed sale or trade of drugs for profit.)

d. Applicants who have been disqualified for testing positive on the DAT at MEPS.

4. Prior Service (Marine and other service) applicants who have received a court-martial, NJP, or discharge as a result of drug use or drug related offense (to include positive urinalysis) are not eligible for enlistment/reenlistment. **No waiver is authorized.** Applicants who have received an Entry Level Separation as a result of drug use or drug related offense (to include positive urinalysis) require a mandatory 2 year wait. **No waiver is authorized.**

Waiver Authority. Table 3-5 on page 3-69 will be used to determine eligibility/ineligibility for enlistment and the appropriate waiver authority. The table applies for all applicants for enlistment. Additional guidance is provided as follows:

a. Convictions for possession of drug paraphernalia will be treated, for the purpose of an enlistment waiver, as if they were convictions for possession of the actual drug associated with the particular piece of paraphernalia.

b. The commanding officer of the recruiting station may waive the illegal use of prescription drugs **prior to enlistment in the DEP** when an applicant has been administered a prescription drug for medical purposes by a parent or person acting in the capacity of "loco parentis" when that drug has not been prescribed for the applicant. Examples include, but are not limited to, Valium and Tylenol III. All other illegal use of prescription drugs requires a waiver from the district commander.

c. Each decision authority (e.g., the recruiter; NCOIC; the CO Marine Corps recruiting station; the CO, Marine Corps District; or the CG, recruiting region) may deem the extent of an applicant's pre-service drug involvement to be excessive and opt not to favorably endorse the applicant's waiver request thereby terminating processing.

6. Failure to Disclose. An applicant may be discharged for failure to disclose use or abuse of illegal or prescribed drugs, to include convictions resulting from that use or abuse. The recruiter will advise the applicant of the serious ramifications which could result from failure to disclose.

R	TABLE 3-5	
U	APPLICANTS WITH PRESERVICE DRUG USE/ABUSE

7	Disqualified for Positive Test Drug and/Alcohol Test (DAT) at the MEPS	No Waivers are authorized. (Note 5)

Note 1: Questionable situations will be referred to CG MCRC for review

Note 2: Subdelegation of authority to lower levels is not authorized.

Note 3: Recruiting Station Commanding Officers are authorized to enlist Native Americans who have partaken in the sacramental/religious use of peyote for bonafide traditional religious ceremonies without a waiver. Native Americans shall not use peyote on duty or within 24 hours of participation in any DEP function/shipping. This policy is self policing, and recruiter verification is NOT required. DO NOT RECORD PEYOTE USE ON DRUG SCREENING FORM.

Note 4: Applicants requiring district level drug waivers (other than MJ) must be approved by the District Commanding officer.

Note 5: The Commanding General of the Recruiting Region may consider an applicant discharged from the DEP (USMC or Other Service) who was previously denied an IN-DEP drug usage waiver, or an applicant who was denied enlistment due to a positive DAT, who has waited six months for marijuana (THC), and 1 year for Cocaine.

STATEMENT OF UNDERSTANDING

MARINE CORPS POLICY CONCERNING ILLEGAL USE OF DRUGS

1. Purpose. The purpose of this document is to make sure that you completely understand the Marine Corps policy on the illegal use of drugs.

2. Policy. The illegal distribution, possession or use of drugs is not tolerated in the United States Marine Corps. Furthermore, each instance of illegal drug use by a Marine makes that Marine unfit for duty and a risk to the safety of fellow Marines.

3. Certification. I certify that I completely understand the Marine Corps policy on the illegal use of drugs. **I understand that I will be screened for alcohol and given a urinalysis test for drugs during my initial MEPS physical, and given a urinalysis test for drugs within 24 hours of my arrival at recruit training. I understand that if I test positive for drugs or alcohol at the MEPS, I will be disqualified for enlistment. I understand that if I test positive on the urinalysis at MCRD, that I will be subject to an administrative discharge from the Marine Corps and possibly to courts-martial. I also understand that once I enlist into the Delayed Entry Program (or SMCR awaiting IADT) any illegal use of drugs may adversely affect my ability to commence active duty for training to obtain an enlistment program or bonus.**

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART F: MENTAL APTITUDE

3260. PURPOSE. Applicants are mentally tested to determine if they meet the aptitude standards established for enlistment and to further determine appropriate occupational assignments.

3261. CRITERIA.

1. Mental Aptitude Screening. Prior to formal mental testing, recruiters will screen each applicant to eliminate those who are not likely to qualify for enlistment.

a. General Information.

(1) The three mental screening tests authorized for use by the Recruiting Service, with their time requirements, are as follows:

Test Completion Time Required

USMC EST 50 minutes.

DOD EST No fixed time limit. However, no more than 30 to 45 minutes should be allowed. Simply tell the applicant to try to answer each question and not to spend too much time on any one question.

WRAT Only a few minutes are required.

(2) The variation in test time produces a trade-off. Shorter screening time will produce a less accurate test result. There will be exceptions to the rule, however, over time, the longer test will prove to be the more reliable predictor of ASVAB performance.

(3) All applicants are to be administered an EST if they have not taken the ASVAB, and have passed the WRAT (appropriate passing score for the WRAT is 58 which equates to the 10th grade level)

(4) To further improve a prediction, and if time permits, and applicant can be screened using more than one test. However, recruiters should not give applicants the same test more

than once. If results equate to estimated AFQTs, then they should be averaged.

b. USMC Enlistment Screening Test (EST). Comprehensive instruction are contained in the "USMC EST Scoring Instructions Pamphlet," published separately.

c. DOD Enlistment Screening Test (EST). There are two versions the DOD EST: 81a and 81b. Each version consists of two parts (arithmetic and verbal) with a total of 48 questions, each worth one point. The score is determined by the number of correct answers.

d. Wide Range Achievement Test (WRAT).

(1) General.

(a) Like other screening tests, the WRAT will normally be administered at recruiting stations and substations. However, because screening with the WRAT only takes a few minutes, it can easily be given in homes, schools or other places where an interview is given.

(b) The reading section, level 2, includes the 11 lines beginning with the letter "A" and ending with the word "Synecdoche." The portions above and below these 11 lines will be covered, or in some other appropriate manner removed from view, prior to administration of the test.

(2) Testing Procedures.

(a) Select a quiet area, beyond the hearing range of other applicants. If possible, seat the applicant comfortably at a desk or table.

(b) Ensure that each applicant test individually. Do not conduct group testing under any circumstances.

(c) Advise applicants that they will be tested to determine if they meet minimum reading standards and that they:

1 Will be shown their name in print and requested to identify and state aloud each of the letters in order.

2 Will be shown a series of letters on the first line, followed by a series of words on remaining lines, and requested to read aloud, in order, as many letters and words as possible. If the applicant is unable to read a word (or letter), move on.

3 Will not be required to define any word's meaning.

(d) Testing may be terminated if the applicant attains a score of 58 (10th grade), yet the applicant will not be required to be beyond a score of 64.

(2) Scoring.

(a) Each letter and word read successfully has a value of one point. Words or letters that the applicant was unable to read will not be counted. For example, if the applicant makes no mistakes reading each letter and word in order, up to and including the word "prevalence," the score is 58. If a word before "prevalence" is missed the applicant must read a word beyond "prevalence" to make up for the word missed or their score is 57.

(b) The minimum passing test score is 58. The maximum attainable score is 89.

2. Mental Aptitude Testing.

a. Armed Services Vocational Aptitude Battery (ASVAB). The ASVAB is the test used by the Marine Corps to determine eligibility. Eligibility standards, by education tier, are established in table 3-6 on page 3-85. The following specific ASVAB policy guidance is provided:

(1) Scores from valid "Institutional" or "Production" versions of the ASVAB test may be used to determine eligibility for enlistment.

(2) Valid tests or retests sponsored by other services will be considered valid for enlistment in the Marine Corps.

(3) Test scores are valid up to 2 years after the test date.

(4) Only the most recent valid test or retest results will be used for enlistment purposes.

b. Request for Examination (USMEPCOM Form 714A-E). Recruiters will prepare a USMEPCOM Form 714A-E to request examination of applicants at either a MEPS or a MET site. Prior to testing at one of these sites, the form will be completely filled out, including certification statements on the reverse side. Each applicant will present one copy of the form to the MEPS personnel during their initial MEPS or MET site visit. USMEPCOM Form 714A-E is also used for retests taken 6 months

after an initial test. The following general instructions apply to preparation of USMEPCOM Form 714A-E.

(1) All shaded coding blocks on the form will be completed by MEPS personnel. MEPS personnel will also complete items 18-19.

(2) The recruiter completes all unshaded items (see figure 3-8 on page 3-81) and the appropriate certification on the Form.

(3) Applicants will sign item 21 and complete the appropriate certification.

c. ASVAB Retesting.

(1) Individuals who are enlisted in the DEP or the SMCR awaiting IADT will not be retested, under any circumstances.

(2) USMEPCOM Form 714A-E is used for all tests. In a retest, the complete ASVAB will be administered. However, all applicants, regardless of score, type of test taken, or branch of service tested for, are authorized to retest 1 months after their initial test, and 6 months after their last ASVAB test. Table 3-7 on page 3-89 further delineates authorized and prohibited retest situations. Refer to MCO P1100.75 for detailed retesting policies for non-prior service applicants. Prior service applicants will be retested per the guidelines contained of MCO 1130.58.

(3) The decision to authorize a retest of an applicant should be made only after considering an applicant's education, training, and maturity. In addition, the Delta Armed Forces Qualification Test (DAFQT), as reported on the USMEPCOM 714 ADP test results sheet, should be considered. The DAFQT indicates whether an applicant scored higher or lower than their true capability. The DAFQT is derived by comparing the AFQT portion of the ASVAB (Arithmetic Reasoning (AR), Word Knowledge (WK), Paragraph Comprehension (PC), and Numerical Operations (NO)), with other similar subtests of the ASVAB. A positive DAFQT indicates a score higher than one's true capability, and therefore a retest will probably not show improvement. A negative DAFQT indicates a score lower than one's true capability, and therefore a retest will probably show improvement.

3262. VERIFICATION.

1. Mental aptitude will be verified by recruiters, MEPS Liaison NCO's, and MEPS personnel involved with enlistment processing.

2. The MEPS will validate all ASVAB test results to ensure honesty in both the applicant and the recruiter. The validation process will indicate test results that need verification. The verification process may require an interview, a retest, or both.

a. If an applicant's original scores are valid, enlistment processing may continue with those scores.

b. If the applicant's original scores are suspect, then a verification retest may be given to validate suspect test results. If the applicant's retest scores are not qualifying, no further retesting is authorized for 6 months. In addition to routine verifications, a verification retest may be required by the MEPS commander or test control officer if they have reason to suspect that unauthorized means were used to inflate the test scores.

3263. WAIVERS.

1. Waivers of mental prerequisites are not authorized.

TABLE 3-6

MINIMUM MENTAL QUALIFICATIONS

	A	B	C
R U L E	If the applicant is a:	then the minimum AFQT score required is	and the minimum GT score required is
1	Tier I High school graduate (Notes 1,2,3,4,5,6,11 and 12)	21	80
2	Tier II Alternative credential holder (Notes 1,2,3,4,5, and 7)	31	90
3	Tier III Non-high school graduate (Notes 1,2,3,4,5,7,9 and 10)	50	90
4	Tier I High school senior (Notes 1,2,3,4,5,6, and 8)	21	80

NOTE 1. Waivers of mental prerequisites are not authorized

NOTE 2. Paragraph 3241 on page 3-47 of this Manual provides details on education classifications. For ease of reference, however, the three-tiered system categories are provided below:

- a. The Tier I category comprises all the following applicants:
 - (1) High school graduates
 - (2) Adult education program graduates
 - (3) One-semester college/post-secondary students or graduates
 - (4) Alternate/continuation high school graduates (case-by-case)
 - (5) High school seniors
- b. The Tier II category comprises all the following applicants:
 - (1) Test-based credential holders (for example: GED, CHSPE)
 - (2) Attendance-based (Certificate of Competency) credential holders
 - (3) Correspondence school graduates

- (4) Home study credential holders
- (5) Occupational program credential holders
- (6) Alternate/continuation high school graduates (case-by-case)

c. The Tier III category encompasses those applicants who hold none of the credentials listed for the Tier I or Tier II categories.

NOTE 3. Where requirements for both the AFQT score and the GT score are indicated, both scores must be met or exceeded. When appropriate, a CG MCRC letter will publish changes to these minimum requirements.

NOTE 4. Verify education category per paragraph 3242 on page 3-51 of this Manual.

NOTE 5. Normally, an applicant must be at least 17 years old to be administered the "production" version of the ASVAB. The exception to the policy exists in cases of 16-year-old high school seniors where shipping is imminent after the 17th birthday. (Note: Enlistment of high school juniors and individuals less than 17 years old is not authorized.) In preliminary processing of a 16-year-old, however, our stay-in-school policy must be firmly maintained. Stay-in-School Letters (figure 3-2 page 3-53 and figure 3-3 on page 3-55) must be properly completed if the 16-year-old applicant is expected to not graduate high school thereby commencing active duty as a dropout. Additionally, before any "production" ASVAB test may be administered, the recruiter will verify that the applicant will be 17 years old prior to graduation.

NOTE 6. Applicants with an AFQT score of less than 31 are classified MG-IV applicants. These applicants are often ineligible for enlistment. Refer to operational guidelines published in, or in conjunction with, the current Personnel Procurement Operations Plan.

NOTE 7. High school dropouts could be ineligible for enlistment because of limits placed on non-high school graduates.

NOTE 8. High school seniors may enlist in the DEP as if they were graduates. However, if an individual fails to graduate, notes 5 and 7 apply. Ineligible applicants must be discharged from the DEP.

NOTE 9. **No moral/drug waiver above the recruiting station commanding officer level.**

NOTE 10. Tier III females are not authorized enlistment without a waiver from the appropriate Marine Corps District. They cannot require any moral/drug waiver above the Marine Corps District.

NOTE 11. Mental Group IV females are not authorized enlistment without a waiver personally approved by the District Commanding Officer. They cannot require any moral/drug waiver above the Recruiting Station level.

NOTE 12. Mental Group IIIB females require a District level waiver and cannot require any moral/drug waiver above the District.

NOTE 1: Authority to immediately retest applicants who were tested under adverse conditions (such as illness, physical or emotional distress, or undue distraction) rests with the MEPS commander. When applicants are retested under this exception, the original test results will be destroyed and not counted as a test taken; however, an alternative version of the ASVAB must be used.

NOTE 2: Recruiting activities may authorize production retesting of non-prior service applicants one month after the initial test date, provided the following criteria are met:

- a. The applicant has not previously retested.
- b. The retesting is being required because the initial scores (considering the applicant's education, training, and experience) do not appear to reflect his or her true capability.
- c. The retest is not being requested solely because the applicants initial test scores did not meet the standards prescribed for enlistment options or programs.

NOTE 3: Instructional ASVAB retesting in less than 6 months is not authorized. In cases where inadvertent retesting resulted from mandatory student testing, the resulting scores supersede previous and/or most recent production scores and will be used for enlistment.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART G: PHYSICAL APTITUDE.

3270. PURPOSE. Applicants are required to meet specific physical standards to ensure that they can adequately perform under the varied and rigorous conditions to which they may be exposed in the Marine Corps.

3271. CRITERIA.

1. General.

a. Physical qualification for enlistment or reenlistment (broken or continuous) into the Marine Corps, and into the SMCR will be determined by a physical examination administered at the MEPS. With parental consent, ASVAB-qualified 16-year-old applicants may be given a physical examination at the MEPS up to 2 weeks before they enlist (applicants cannot enlist before their 17th birthday).

b. Physical standards for enlistment or induction of males for all services are contained in chapter 2, Army Regulation 40-501. These standards are reprinted for the Navy and Marine Corps as Chapter 15, Section III, Manual of the Medical Department (MANMED). The physical standards for enlistment of females are generally the same as those for males.

c. Physical profiles, "PULHES." were previously required by all of the services, but are no longer used by the Marine Corps or Navy. Nevertheless, physical profiling is routinely used at all MEPS and is recorded by MEPS examiners on all applicants. Under this system, only profile numbers "1" and "2" are acceptable.

2. Height and Weight Standards.

a. Height standards for male applicants range from 58 to 78 inches. Height standards for female applicants range from 58 to 72 inches.

b. Non-prior service (NPS) male and NPS female weight standards for enlistment into the Delayed Entry Program or the SMCR awaiting Initial Active Duty Training (IADT) are provided in tables 3-8 and 3-9, on pages 3-107 and 3-108.

c. Height/weight standards for Prior service (Marine) applicants are provided in table 3-10, page 3-109.

d. Table 3-11, page 3-110, shows waiver requirements for shipping NPS males who exceed retention weight standards. Maximum five and ten percent height/weight shipping standards are provided by table 3-12, page 3-111.

e. For waiver authority and procedures, refer to table 3-11, page 3-110, and paragraph 3273, page 3-103.

3. Medical Screening.

a. DD Form 2005 (Privacy Act Statement - Health Care Records). This form is required by the Privacy Act of 1974. The form advises the applicant of the need for personal information to facilitate health care. Simply explain the form and have the applicant complete it.

b. DD Form 2246 (Applicant Medical Pre-screening Form).

(1) Recruiters. The DD Form 2246 is the recruiter's basic medical screening tool. It was established to properly prepare applicants for medical examinations and to avoid expenditure of recruiting funds on applicants who are obviously unqualified. In completing the form, the recruiter will:

(a) Explain the purpose of pre-screening to the applicant. Temporary conditions, such as overweight and under-weight, are sufficient reason to defer processing until the condition is corrected. Applicant will not be asked or required to reveal whether they are heterosexual, homosexual or bisexual. Should any other forms be used for prescreening, ensure they do not contain any questions related to homosexuality or homosexual conduct.

(b) To avoid needless expenditure of funds, discourage applicants from further processing if they are obviously unqualified (e.g., missing a limb, missing an eye). If an applicant should insist on being processed, follow the procedures listed in subparagraph 3271.3b(1) (h)2.

(c) Advise the applicant of the provisions of the Privacy Act of 1974, completing the DD Form 2005 before completing the DD Form 2246.

(d) Advise female applicants that medical processing at MCRD will include a pelvic and rectal examination. Pregnant applicants are ineligible for enlistment or

reenlistment. A medical examination may be performed during an applicant's menstrual period, if the applicant concurs.

(e) Complete part I of the DD Form 2246. The applicant should be weighed without shoes or heavy outer garments. Record the exact height in inches (e.g., 65 3/4 inches) and weight standards, measurements of one-half inch or more will be rounded-up to the next higher inch; measurements of less than one-half inch will be rounded-down to the next lower inch. The maximum weight permitted, based on the applicant's height and age, will be recorded from the appropriate weight table.

(f) Request that the applicant complete part II of the form by initialling/checking "yes," "no," or "unsure" in the block opposite each question. The applicant must provide a short explanation for each "yes" or "unsure" answer in item 16.

(g) After parts I and II are completed, review the form and the warning with the applicant. Next, complete part III, the certification blocks with the applicant.

(h) Brief the applicant on applicable items in part IV.

1 Have the applicant initial each applicable item.

a If a male applicant has a physical defect falling within the purview of the Medical Remedial Enlistment Program (MREP), may be eligible for waiver consideration (see current edition of MCO 1130.5). **The MREP is not available to female, Reserve, and prior service applicants.**

b Applicants with orthodontic appliances (braces) may be enlisted into the DEP or SMCR awaiting IADT. However, appliances must be removed and all orthodontic work completed prior to the individual shipping to recruit training. Prior to enlisting, the applicant must provide a letter from the dentist (orthodontist) indicating that all orthodontic work has been or will be completed prior to shipping to the recruit depot. Applicants will be required to sign a statement in the Remarks section of DD Form 1966 indicating their understanding that the Marine Corps will not incur any obligation or costs incident to their orthodontic work either before or after enlistment. District commanding officers will immediately discharge members of the DEP or individuals awaiting IADT who will not or cannot have their orthodontic work completed prior to shipping to recruit training. The discharge will be effected in accordance with paragraph 4301, page 4-52.

2 If the applicant has a disqualifying medical factor and is not eligible for the Medical Remedial Enlistment Program, the MEPS physician will inform the applicant of the same; either in person or if the applicant is no longer physically present at MEPS, in writing over the physician's signature. Advise the applicant that correction of disqualifying medical problems must be at the applicant's own expense. No cost will be borne by the government. If without funds, the applicant should be encouraged to contact the Public Health Service or other free local health clinics.

(i) Except for the Medical Remedial Enlistment Program, correction of physical defects is strictly the responsibility of the applicant. Recruiting personnel will not assume any medical responsibility either for themselves or for the Marine Corps. The following actions are specifically prohibited:

1 Suggesting cures, remedies, or medical procedures.

2 Recommending a particular medical facility, doctor, dentist, or other medical practitioner.

3 Offering a promise or assurance that the applicant will be accepted if the disqualifying defect is corrected.

(j) Do not make a final determination on the applicant's medical status. Instead, take the following actions as appropriate:

1 Defer the applicant from further processing if the applicant has one or more "temporary" disqualifying medical problems until the problems are corrected.

2 Defer the applicant from further processing if the applicant has one or more "permanent" disqualifying medical problems. Submit the pre-screening medical form and relevant medical documentation provided by the applicant to the MEPS Liaison NCO for review by the medical officer.

NOTE: If an applicant has a disqualifying factor, do not expend government monies for travel, meals, or lodging until the medical officer has authorized further processing.

3 For qualified applicants and for applicants authorized by the medical officer for further processing, forward the complete Medical Pre-screening Form, along with the applicants file, to the examining facility.

(2) Definition. The term "relevant medical documentation" used above means one or more, as applicable, of the following:

(a) Records from the applicant's physician if the applicant is currently under treatment or was treated within the past 5 years. These records should attest to the current status of the ailment and outline the treatment and prognosis.

(b) In the case of "hospitalization," a copy of the hospital discharge summary.

(c) In the case of "surgery," a copy of the surgical report, pathology report and hospital discharge summary.

(d) In the case of "psychiatric data," the psychiatrist, psychologist, or hospital should send records that discuss the current status and the previous status and prognosis of the applicant directly to the MEPS physician (addressed by name).

2 Item 12b, "Discharged from Military Service for Mental, Physical, or Other Reasons:" Contact the MEPS medical staff before sending the applicant to the MEPS. In all cases where an applicant was medically discharged, a consultation with an appropriate specialist must be obtained prior to submission for a waiver of the restrictive "RE" code. Obtain medical board documents that led to medical discharge.

3 Item 12c, "Disability Compensation:" Determine the medical complaint and contact the MEPS medical staff before sending the applicant to the MEPS. Obtain medical documents used to establish "Disability Compensation."

(e) Part II, Item 13:

1 Item 13a, "Medication:" Contact the MEPS medical staff before sending the applicant to the MEPS after determining the types of medication taken (not necessary when the treatment was for a cold).

(f) Part II, Item 14:

1 Item 14a, "Standing:" Obtain relevant medical documentation.

2 Item 14b, "Mental Condition:" Have the private physician or hospital forward relevant medical documentation directly to the MEPS physician (addressed by name) and contact the MEPS medical staff prior to it being mailed. A history of psychosis at any time is disqualifying (schizophrenia and physical or sexual abuse is included in psychosis).

3 Item 14c, "Sleepwalking (Somnambulism):" Obtain relevant historical documentation, including approximate date of last three episodes of sleepwalking.

4 Item 14d, "Addiction to Drugs to Include Alcohol:" These are disqualifying conditions. Refer questionable cases to the MEPS medical staff before sending an applicant to the MEPS. Obtain relevant documentation with a request for evaluation, to include rehabilitation and psychiatric reports, as applicable.

NOTE: EPILEPSY.

1. Epilepsy or history thereof will be cause for rejection except under the following circumstances:

a. No seizure since age 5.

b. Individuals who have had seizures since the age of 5, but not during the 5 years immediately preceding examination for military service, and who have not been taking any type of anti-convulsant medication for the entire period, will be considered on an individual case basis. Documentation in these cases must be from an attending or consulting physician, and the original electroencephalogram tracing (not a copy) taken within the preceding 3-months must be submitted to the Bureau of Medicine and Surgery (BUMED) for evaluation.

2. The physical profile in item 76a, SF 88, will reflect an "O" under the "P" designator. Items 76b and 77, SF 88, will be left blank. The MEPS examining physician will sign item 79, SF 88.

6 Item 14i, "Other Medical Problems or Defects Not Listed:" Obtain relevant medical documentation.

(g) Part II, Item 15, "Women Only: Date of last menstrual period" (beginning of): Self-explanatory.

(4) Additional Guidelines for Recruiters.

(a) The following guidelines are provided to assist in the screening of applicants for enlistment. They do not replace or supersede the findings and recommendations which may be received from the MEPS. It is intended that these guidelines identify conditions which will require correction or medical statements or records from an applicant's private physician.

(b) The following defects and medical conditions are **temporarily disqualifying**. Processing an applicant with one or more of these problems should be deferred until the defect has been corrected or the recommended period of time following treatment has passed. Questionable cases should be referred to the appropriate local medical department representative at the MEPS or the appropriate local medical department representative at the MEPS or the district headquarters. Questionable cases involving applicants who are in all other ways qualified may be referred to the CG MCRC via the chain of command.

(5) Medical Officer. The examining officer will:

(a) Review the medical pre-screening form and evaluate any documentation submitted.

(b) Recommend that further processing continue immediately or after a period of rehabilitation under medical

supervision, or that further processing be discontinued in order to avoid unnecessary government expense.

(c) If an individual has been processed at the MEPS and subsequently medically disqualified, determine whether recruiting personnel should have identified the disqualifying factor(s). If recruiting personnel, as laymen, could reasonably have been expected to determine medical disqualification, place a statement in the Remarks section to indicate that the recruiter should have made the determination and deferred the applicant from further processing. Also, indicate the specific disqualifying condition(s) the recruiter should have recognized.

(6) MEPS Commander. At the close of each processing day, the MEPS commander will forward a copy of the DD Form 2246 to the recruiting station for each applicant who was medically disqualified at the MEPS, and whose disqualification, in the opinion of the medical staff, could have been determined by the recruiter. The commanding officer of the recruiting station will take action, as appropriate.

3. SF 88 (Report of Medical Examination), SF 93 (Report of Medical History), and SF 513 (Medical Record Consult Sheet). The physical examination and medical history form will be completed at the MEPS in accordance with the current edition of AR 40-501. The SF 513 is only used when the medical officer considers consultation to be appropriate.

4. Re-examination. A complete physical re-examination is required if:

a. An individual does not commence active duty within 24 months from the date of the last MEPS physical examination, or

b. An individual does not reenlist within 12 months of the physical examination given prior to discharge.

3272. VERIFICATION. Physical qualifications will be determined by the MEPS physician. MEPS Liaison NCO's and other personnel involved with enlistment processing will verify the qualifications listed on the SF 88, SF 93, SF 507 (when applicable), and SF 513.

3273. WAIVERS. With the following exceptions, only the CG MCRC can approve waivers of physical standards.

1. Commanding officers of recruiting stations may waive an underweight condition of up to 10 percent for all non-prior service applicants, male and female, if the MEPS Chief Medical

Officer concurs and the applicant can wear standard size uniforms.

2. Waiver authority for non-prior service applicants who exceed retention standards by more than five percent is the Marine Corps District, and is contained in Rule 2 of Table 3-11. Region CG's have the authority to waive applicants who exceed retention weight by more than ten percent, and is contained in Rule 3 of Table 3-11. Waiver requests must include the results of a recent Initial Strength Test (IST) and whether or not the applicant meets Marine Corps anthropometric standards. Refer to MCO 6100.10B for anthropometric standards. The official standards for the IST are detailed in paragraph 3274.

3. Waiver requests for overweight prior service (Marine) applicants must be submitted to the CG MCRC for consideration.

4. Waivers for applicants who exceed initial accession standards, as outlined in tables 3-8 and 3-9, on page 3-107 and 3-108, will be submitted to the Region CG for consideration. The standard waiver format should be followed in preparing waiver requests. Submit waiver requests only for those individuals with a body fat content of 18% or less for males, and have passed an I.S.T., and 26% or less for females, and have passed a P.F.T., scoring 2nd class or higher. Use the Marine Corps anthropometric standards contained in MCO 6100.10 as a guide. **In no case will a waiver be submitted for an individual who exceeds both initial accession weight standards and anthropometric standards.**

5. Waiver requests for applicants not meeting height standards will be forwarded to the commanding general of the respective recruiting region. Waivers for these applicants must include specific information pertaining to uniform size (e.g., shoe size 12, neck 16, waist 34, etc.). This will allow the appropriate recruiting region to determine if an applicant can be fitted into a standard-size uniform. **Heights below 58 inches cannot be waived.**

6. The Medical Remedial Enlistment Program (MREP) authorizes enlistment of non-prior service regular male applicants with certain specific physical defects other than weight. MCO 1130.51 applies.

3274. INITIAL STRENGTH TEST (IST).

1. The minimum standards for passing the Initial Strength Test are as follows:

MALE IST

2 Pull Ups
35 Sit Ups 2 minutes
1.5 Mile Run 13:30 minutes

FEMALE IST

Flexed Arm Hang 12 seconds
35 Sit Ups 2 minutes
1 Mile Run 10:30 minutes

2. The above standards are the only IST standards that will be used for pre-ship screening and for physical (height/weight) waivers.

3. All shippers, male and female, requiring recruit training are required to pass the IST prior to shipping to recruit training. All shippers who do not require recruit training will pass a PFT (President's Own excluded).

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART H: MORAL APTITUDE

3280. PURPOSE. The moral character of an applicant must be determined in order:

1. To prevent enlistment of persons whose social habits, such as theft, arson, resistance to authority, etc., are a threat to unit moral and cohesiveness.
2. To screen out persons who would likely become serious disciplinary problems in the Marine Corps, and who would consequently divert resources from the performance of military missions.
3. To ensure enlistees and their parents that the enlistee will not be thrown into close association with criminals.

3281. CRITERIA. Applicants with no criminal convictions, fines, or periods of restraint are morally eligible for enlistment. However, the voluntary disclosure, or recruiter discovery, of any form of police/criminal involvement by an applicant may require waiver of the moral disqualification. In such cases, moral waivers will be processed per chapter 3, section 3, table 3-13, page 3-131.

3282. DEFINITIONS. The following court-related terms are defined to assist in determining an applicant's qualifications.

1. Adverse Juvenile Adjudication.

a. Determination by a judge or jury in juvenile court proceedings that the juvenile is guilty of, or that the individual committed the acts alleged in the petition or complaint, based either on the merits of the case or on the juvenile's admission of guilt or plea of guilty, and that the determination was recorded in the court's records, and

(1) Regardless of whether sentence was then imposed, withheld, or suspended, and,

(2) Regardless of subsequent proceedings in the same case to delete an initial determination of guilt from court records, based on evidence of rehabilitation or a satisfactory period of probation or supervision.

Examples of "subsequent proceedings"

used in juvenile courts in the United States are: "expungement," "record sealing," reopening the case to change the original finding of "guilty" or "delinquency," or the plea of "guilty" or admission of the truth of the allegations in the petition to "not guilty," dismissal of the original petition, setting aside the adjudication of "delinquency."

Such subsequent proceedings merely recognize rehabilitation and do not alter the fact that the juvenile committed the act for which the individual was tried.

b. The term "adverse juvenile adjudication" is an adjudication as a juvenile delinquent, wayward minor, youthful offender, delinquent child, juvenile offender, incorrigible, and a declaration of the juvenile as a ward of the court, or an award of probation or punishment by a juvenile court as a result of an offense. The term "ward of the court" does not include the adjudication of a juvenile as a "dependent," as "neglected," or as "abandoned."

c. For purposes of a waiver, processing will be based on the severity of the specific offense for which an applicant was adjudged. The offense's severity will be determined by the Uniform Guide List for Typical Offenses, Table 3-14, page 3-133 or by the notes contained therein if the offense is not specifically listed by name. Once the request for a moral waiver is at the proper decision level, factors such as the applicant's age at the time of the offense, the actual sentence imposed by the court, etc., will be considered.

2. Community Service. A sentence of a specific amount of labor to be performed for the benefit of the community at large. Community service is a form of fine or restitution, but is not a form of restraint. Applicants who have been directed by judicial authority to perform community service are not eligible for enlistment until such service has been completed and the appropriate waiver has been granted.

3. Conviction.

a. Determination of "guilty" by a judge or jury, based either on the merits of a case or on a defendant's plea of "guilty" or of "nolo contendere":

(1) Regardless of whether sentence was then imposed, withheld, or suspended; and

(2) Regardless of subsequent proceedings in the case to delete an initial determination of "guilty" from court records because of evidence of rehabilitation or completion of a

satisfactory probationary period. Examples of "subsequent proceedings" used throughout the United States in **adult** offender cases are: "pardon," "expungement," reopening of the case to change the original finding of "guilty" or pleas of "guilty" or "nolo contendere" to "not guilty" and dismissal of the charge, "amnesty," or setting aside of conviction. Such subsequent proceedings recognize rehabilitation, but do not alter the fact that the offender committed the criminal act.

b. Sanctions imposed by a law enforcement or quasi-law enforcement agency in place of an official court hearing or trial will NOT BE considered **"convictions."** Sanctions of this nature require a review by the RS CO. See the following examples.

(1) An applicant is caught by the police defacing public property by painting graffiti on a bridge. The officer directs the applicant to sandpaper the bridge until it is clean, at which time he will forget about the incident. This is a sanction and requires review by the recruiting station C.O.

(2) An applicant is caught by the police defacing public property by painting graffiti on a bridge. The applicant is charged, but subsequently referred to a county-sanctioned juvenile first offender's program. Although the applicant never appears in court, and probably has no court record, he requires a waiver as if convicted.

Note: As a general rule of thumb, any requirements imposed by an officer of the court (i.e., judge, magistrate, district attorney, assistant district attorney, juvenile officer, or probation officer), will be viewed as a conviction for enlistment purposes. Pretrial intervention or diversionary programs will be considered a "conviction". Similarly, requirements imposed by law enforcement officials, (i.e., police, sheriffs, deputy sheriffs, or state troopers), will be viewed as a sanction. The key question is, "Was this a formal program of the court?"

c. Convictions or charges that have been reduced for expediency, as in "plea-bargaining," or plea to a reduced or lesser charge will be waived at the level appropriate for the **original charges**.

4. Expungement. Some states have established procedures for the subsequent "expunging of the record," "dismissal of charges," or "pardon" upon evidence of rehabilitation of the offender. Such action has the legal effect of extinguishing the initial "conviction" or "adverse juvenile adjudication" so that, under state law, the applicant has no record of conviction or adverse juvenile adjudication. In spite of this action, the record must

be revealed and a waiver of the applicant's disqualification(s) is required at the proper enlistment decision level.

5. Felony.

a. A "felony" will be defined as a conviction or adverse adjudication by civil authorities (foreign or domestic), or action taken which is tantamount to a finding of guilty of an offense for which the maximum penalty is death or confinement under state or local law exceeding one year." Refer to offenses listed in Table 3-14, on page 3-133 if not listed apply the above rule.

b. An offense will be classified a "felony" without regard to the offender's age when the offense was committed, or whether the offense was disposed of by juvenile or adult criminal proceedings. An offense classified as a felony under table 3-14, page 3-133, will be classified as a felony for enlistment, regardless of state or local law.

c. In rare instances an offense may be classified as a single incident felony if more than one felony results from a single incident. Generally, if the multiple incidents are not separated by space and time, they may be considered as a single incident for waiver purposes. In order to be considered, the multiple felonies must be related and must derive from a single incident. For example, a housebreaker who steals a stereo might be considered a single incident felony for 1)felony burglary and 2)felony theft.

6. Nolle Prosequi. "Nolle Prosequi" is a declaration that the plaintiff in a civil case, or the prosecutor in a criminal case, will drop prosecution of all, or part, of a suit or indictment. Nolle Prosequi" is an unresolved judicial proceeding. It is not considered a form of restraint, and is not necessarily a bar to enlistment. It is, however, considered a conviction for enlistment purposes and a waiver is required. Accordingly, an appropriate level review is required prior to enlistment to ensure that the court's finding of nolle prosequi was based on the merits of the individual case and not to facilitate enlistment into the Armed Forces. If court documents by court authorities (i.e. Judge, DA, A.D.A.) showing the "nolle prosequi" were the result of insufficient evidence to convict or charge, then this will not be viewed as a conviction.

7. Nolo Contendere. "Nolo Contendere" is a plea made by a defendant in a criminal action equal to an admission of guilt. With this plea a defendant is subject to punishment, but leaves open the possibilities for denial of the alleged facts in other proceedings. A waiver is required.

8. Probation. The suspension of a sentence of an individual convicted but not yet imprisoned for that conviction, on condition of continued good behavior and regular reporting to (under the supervision of) a probation officer or other agent designated by the court. Regional legal terms synonymous to "probation" will be treated exactly as probation is used throughout this Manual. Except for those circumstances described in paragraph 3282.11, page 3-117, applicants currently "on probation" are not eligible for enlistment until the term of their probation is completely fulfilled.

9. Restraint. "Restraint" includes suspension of a sentence (to include unconditional suspended sentences), confinement or incarceration in any institution, probation (to include unsupervised unconditional probation), or parole. As an exception to the foregoing, unconditional suspended sentences and unsupervised unconditional probation, which result from conviction of offenses listed in paragraphs 1, 2 and 3 of table 3-14, page 3-133, are not considered restraint.

10. Sealed Juvenile Records. Several states have provisions for "sealing juvenile records" which serves to limit disclosures on the part of law enforcement officials and judicial authorities. In spite of the legal effect of such action, the applicant must reveal the record, and a moral waiver must be granted to authorize enlistment in these cases.

11. Unconditional Suspended Sentence and Unsupervised Unconditional Probation. An unconditional suspended sentence and unsupervised unconditional probation are considered a suspended sentence and probation imposed by a court, respectively, even though the court imposes no conditions:

- a. Regarding an individual's freedom of movement, or
- b. Requiring the payment of damages, or
- c. Requiring periodic reporting by individuals to an officer of the court (to include a probation officer), or
- d. Involving supervision by an officer of the court (including a probation officer) upon the individual.

Applicants currently under these forms of restraint are not eligible for enlistment until the term of the sentence or probation has been fulfilled. As mentioned in paragraph 3282.9 on page 3-117, an exception exists. In cases involving conviction of offenses listed in paragraphs 1, 2 and 3 of table 3-14, enlistment is authorized provided that the applicant is otherwise well-qualified.

12. Enlistment As An Alternative To Prosecution. Applicants **may not enlist as an alternative** to criminal prosecution, indictment, incarceration, parole, probation, or other punitive sentence. **They are ineligible for enlistment until the original assigned sentence would have been completed.**

3283. VERIFICATION. Recruiters will verify each applicant's moral qualification for enlistment through:

1. Questions asked in the initial screening process and MEPS interviews, and
2. Explanation of penalties for withholding information, and
3. Use of the Drug Abuse Screening Form, the SF 86 (National Agency Questionnaire) and the DD Form 1966 for each applicant, and
4. Use of the DD Form 369 (Police Record Check) and the DD Form 370 (Request for Reference), as required, and
5. Use of Table 3-14, page 3-133, and
6. Post-enlistment interviews.

3284. DOCUMENTATION OF MORAL QUALIFICATION. The **applicant** is the **primary source** by which the recruiter gathers information on moral qualification for enlistment. The use of standardized forms may validate and clarify an applicant's statement, or reveal further involvement. Documentation revealing lesser involvement, however, will not be used to contradict self-admitted information without clear evidence refuting the applicant's understanding of events. Documents used for verification are listed below. Additional procedures on use and processing of the forms are contained in chapter 4 of this Manual.

1. DD Form 369 (Police Record Check). This form facilitates police record checks when required by paragraph 3303.1b, of this Manual, and by the current edition of MCO 1130.65.

a. An original and one copy will be prepared for each law enforcement agency to be checked. Prepare the DD Form 369 as follows:

(1) Section I

Date the request is sent.

(2) Item 1: Item 1. Full name (last [all CAPS], first and middle), maiden, if any, Jr., Sr., etc., and all alias (AKA) names, if any. Ensure completeness.

(3) Item 2: Applicant's sex.

(4) Item 3: Fill in the city, county and state where the applicant was born.

(5) Section IV: Fill in when the applicant was born.

(6) Section V: Fill in the applicant's ethnic group.

(7) Section VI: Fill in the applicant's social security number.

(g) Item 7: Fill in the name and address of the law enforcement agency requested of the check.

(h) Item 8: Fill in the inclusive dates that the applicant resided at the address listed.

(i) Item 9: Fill in recruiter's name, rank, signature and the recruiter's title with recruiting station's address (in the title sub-block).

(3) Section II. After the Privacy Act brief, applicants will sign their legal name in this block.

(4) Section III.

(a) Item 1: Completed by law enforcement agency. Fill in the block, based on details provided by applicant or character references, as appropriate.

(b) Item 2: Completed by law enforcement agency. Fill in block, based on details provided by applicant or character references, as appropriate.

(c) Item 3: "Mail to" block: Mail the original form with a preaddressed envelope. File and maintain a copy with the applicant's signed authorization with the applicant's case file. (Note: Ensure the DD Form 369 response clearly identifies the court or juvenile agency conducting the records check).

(d) Certification Block: Completed by law enforcement agency. Recruiters will certify the form once completed, then type in the date, their title and sign the form.

b. Do not make entries or include fingerprints on the reverse of the form unless required by a particular agency.

c. Police record checks conducted by other branches of the U.S. Armed Forces are acceptable for purposes of enlistment into the Marine Corps.

2. DD Form 370 (Request for Reference). This form is used to obtain, or confirm, information to help determine an applicant's eligibility for enlistment. Recruiters will use the form in three instances:

a. When required by paragraph 3303.1c on page 3-162 of this Manual.

b. When considered appropriate in questionable cases.

c. When directed.

3. SF 86 (National Agency Questionnaire (NAQ)). This form is used to initiate an entry-level (ENTNAC) or a "retention oriented" (NAC) agency check. MEPS Liaison NCOs are responsible for ensuring that each applicant completes the form. Figure 3-9 on page 3-124 (MEPS Identification Codes) and Figure 3-10 on page 3-125 (Alpha-numeric Address Codes for Block D and Correspondence Addresses) are provided to assist in the preparation of the form. Detailed instructions are on the reverse of the form. Additional guidance is provided below.

a. For "direct ship" enlistees/reenlistees and those in the DEP, or in an awaiting IADT status, for **44 days or less**, forward results to the commanding general of the appropriate recruit depot or to the individual's assigned command.

b. For enlistees in the DEP, or in an awaiting IADT status, for **45 days or more**, forward results to the enlistee's recruiting station of record.

c. Defense Investigative Service (DIS) Rejected SF 86 (NAQ) will be corrected and resubmitted. For example, an agency may reject and return an incomplete NAQ because of an incorrect name or SSN error for example. All name or SSN changes must accompany this new NAQ, or results from a subsequent check may be invalidated through failure to match the applicant's record. The recipient of a rejected SF 86 will complete a new form on the applicant from available records. If neither information nor applicant are available, then this rejected form will be forwarded to the appropriate recruit depot or the individual's assigned command for correction. The corrected form will be resubmitted by recruiting stations as specified in paragraphs

3284.3a and 3284.3b above. Rejected SF 86 received by recruit depots will be corrected and resubmitted to the DIS (see paragraph 4204.5). For a recruit with less than 44 days remaining in training, indicate the Marine's future command for the return address. For a recruit with 45 days or more remaining in training, the return address will be the recruit depot.

d. DIS Form 1. The DIS mails this computer-generated form the recruit depots and recruiting stations to report the results of a NAQ. Although not prepared by the recruiting station, recruiters will use this form in connection with their NAQ processing duties. Commanding generals of recruit depots and commanding officers of recruiting stations will ensure that this form is reviewed to determine if it contains information that would have disqualified the individual for enlistment. Waiver or discharge may be necessary. The DIS Form 1 will be handled as follows:

(1) If the Recruiting Stations Receives the DIS Form 1:

(a) The original DIS Form 1 will be included in the enlistee's case file sent to the recruit depot or duty station, or

(b) Place the form in an envelope marked "NAQ Results" and forward to the appropriate command.

(2) If the Recruit Depot Receives the DIS Form 1 from the DIS or a Recruiting Station:

(a) The original DIS Form 1 will be placed in the document side of the service record book, or

(b) If the individual has complete recruit training and has departed for a duty station, place the form in an envelope marked 'NAQ Results' and forward to the appropriate command.

e. For NAQs submitted at least 90 days prior, yet a report of NAQ results (DIS Form 1) has not been received, tracer action will be initiated by the recruiting station, the depot, or the individual's assigned command, as appropriate. To accomplish this action, a photostatic copy of the original NAQ request will be resubmitted to the DIS. This copy will be stamped "TRACER" and will have the appropriate return address annotated as previously specified. For enlistees not yet assigned to active duty, the "TRACER" will be submitted via the MEPS Liaison NCO. By ensuring that each enlistee's ARMS record reflects the NAQ submission DATE AND THE DIS FORM 1 RECEIPT DATE, AN arms AD HOC exception report can be executed to monitor requirements for tracer action.

4. DD Form 2280 (Armed Forces Fingerprint Card). This form is prepared in conjunction with a NAQ processed for a NPS applicant (ENTNAC). Only an original is necessary. The recruiter will ensure accuracy and complete the identification data as directed below. Finger-printing of the applicant will be accomplished by MEPS personnel.

- a. Name: Enter exactly as shown on DD Form 1966, block 2.
- b. Signature of Person Fingerprinted: Leave blank. The applicant must sign this block in the presence of MEPS personnel.
- c. Aliases: Enter any known aliases.
- d. Service: Enter "USMC" in capitals or large stamp.
- e. Date of Birth: Enter the year, month, and day of birth (DD Form 1966, block 10).
- f. Sex: Self-explanatory.
- g. Race: Self-explanatory.
- h. Height: Enter the applicant's height in inches. This must be accurate and correspond with the SF 88.
- i. Weight: Self-explanatory. This must be accurate and correspond with the SF 88.
- j. Eyes: Enter the actual color of the applicant's eyes. This must be accurate and correspond with the SF 88.
- k. Hair: Enter the applicant's hair color. This must be accurate and correspond with the SF 88.
- l. Place of Birth: Enter the applicant's correct place of birth (DD Form 1966, block 15).
- m. SSN: Enter the SSN (DD Form 1966, block 1).
- n. All Other Blocks: Completed by MEPS personnel.

5. DD Form 258 (FBI Fingerprint Card). This form will be prepared in conjunction with a NAQ processed for a reenlistee (NAC). Recruiters will complete all blocks in the information portion of the form, as required. Only an original is necessary. This form is essentially the same as DD Form 2280 and will be completed in the same manner described in paragraph 3284.4 above.

6. MEPCOM Form 601-23 (Report of Additional Information). MEPS personnel prepare this form for the recruiting service to report additional information required for enlistment qualification. For example, an applicant discloses additional information or indicates improper recruiting procedures during the MEPS interview, or the MEPS medical officer discovers additional medical information affecting an applicant's physical qualification. These reports must be resolved prior to continued enlistment processing. The commanding officer of the recruiting station responds on the report to: (1) notify the MEPS that the additionally disclosed information has been considered, and (2) provide instructions on further processing of the applicant.

3285. WAIVERS. Table 3-13, page 3-131, is provided for guidance in processing moral waivers. Additional information on waivers is contained in chapter 3, section 3.

NOTE 1. See Table 3-14 for the uniform guide list for typical offenses.

NOTE 2. If the conviction/adverse adjudication is not listed in the uniform guide list for typical offenses then federal, state, or local laws apply for enlistment purposes.

NOTE 3. See Table 3-16 for non-waiverable categories and required waiting time for cases involving felonies, confinement, probation, parole, and suspended sentences. Applicants with 6 or more serious offenses OR applicants with 1 felony and 4 or more serious offenses are ineligible for enlistment.

NOTE 4. Applicants who are currently incarcerated, on parole, serving a suspended sentence, or on probation, are not eligible for enlistment until the sentence has been completed. As an exception to the foregoing, an unconditional suspended sentence or unsupervised unconditional probation, which results from conviction of offenses listed in paragraphs 1, 2 and 3 of

table 3-14, are not considered restraint. Neither is a suspended sentence or revoked driver's license considered restraint. In these limited cases, applicants are eligible for enlistment provided they are otherwise well-qualified.

NOTE 5. Cases involving more than one class of offense will be forwarded to the appropriate command authorized to grant moral waivers for the classification of the most serious offense.

NOTE 6. Requests for waiver consideration should be submitted only when highly favorable traits or mitigating circumstances outweigh the reason for disqualification. Waiver requests should not be submitted unless enlistment of the applicant is clearly in the best interest of the Marine Corps. In this regard, each decision level (i.e., Recruiter, NCOIC, Recruiting Station Commanding Officer, District Commanding Officer, and CG Region) has the authority to disapprove the enlistment of an applicant without forwarding the case to the next higher level of command for resolution.

NOTE 7. In any case in which the original waiver involved exception to policy and/or felony waivers, the request for addendum waivers must go back to original approving authority. Requests for other addendum waivers will be forwarded to the level appropriate for the level of the new/previously undisclosed offense.

NOTE 8. Prior Service Marines. Offenses committed prior to and/or during previous enlistment(s) or periods of EAD in the USMC that did not result in discharge, do not require a waiver or police record checks. Convictions previously unrevealed or occurring subsequent to the last period of active service require a waiver by the CG MCRC.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 2: ENLISTMENT CRITERIA

PART I: PRIOR SERVICE

3290. PURPOSE. The purpose of prior service restrictions is the maintenance of good order and discipline in the Marine Corps and the assurance that all Marines are trained and competent in their grade and occupational assignment.

3291. CRITERIA. For the purposes of this Manual, the term "prior service" includes:

- a. Those individuals who have successfully completed the recruit/basic training sponsored by their former service, or
- b. Those individuals who have failed to complete recruit/basic training, and who have been given a DD Form 214 and assigned a reenlistment code, or
- c. Those individuals who have fulfilled their military service obligation within a reserve component.

1. Members of the Armed Forces.

- a. No member of the Armed Forces serving as a Regular in one branch of the Armed Forces shall be enlisted, either as a Regular or as a Reserve, in another branch of the Armed Forces.
- b. No member of a Reserve component of any branch of the Armed Forces shall, while serving on EAD or active duty for training status, be enlisted in another branch of the Armed Forces.

2. Prior Service Marines.

- a. All requests for prior service reenlistments will be submitted to the CG MCRC.
- b. Marine officers and former Marine officers, both Regular and Reserve, applying to enlist, will be processed per MCO 1130.63.
- c. Members of the SMCR (mandatory or obligor participants) who desire enlistment in the Regular Marine Corps will be processed per MCO 1130.58.

d. Reserve staff NCO's serving in the SMCR or on EAD, applying for enlistment/reenlistment, will be processed per this Manual and MCO 1130.63. All other former enlisted Marines applying for reenlistment in the Marine Corps will be processed per MCO 1130.58.

e. Waiver requests for prior service Marines will be submitted per chapter 3, section 3, and MCO 1130.58.

f. Personnel who were separated from the Marine Corps because they did not successfully complete recruit training require CG Region waiver and will not normally be considered for enlistment prior to 2 years after the date of separation. In such cases, a prior service waiver must be submitted per the instructions contained in chapter 3, section 3, of this Manual. This category of accession is considered as an enlistment, not a reenlistment. The applicant is processed as an initial accession, and must meet initial procurement criteria, however, no individual will be processed for enlistment whose prior separation from recruit training was due to psychiatric or psychological counseling and/or hospitalization.

g. Applicants who received an entry-level separation from recruit training (any service) for medical reasons require BUMED review and MCRC approval.

h. Prior service Marines who are reappointed to the grade of sergeant or above under the provisions MCO 1100.77 and MCO 1130.63 will be apprised of the provisions contained in MCO P1400.32 regarding eligibility to compete for promotion based on prior satisfactory service.

i. Marine Corps and SMCR personnel whose names have been placed on the Temporary Disability Retired List (TDRL) and who are subsequently found to be physically qualified to perform the duties of their grade, may be reenlisted at their request, provided they are otherwise qualified.

(1) These individuals are notified of their removal from the TDRL by a letter from the CMC (MMSR). The letter will serve as verification of the fact that the individual has been removed from the TDRL.

(2) Reenlistment will be per the provisions of the letter and MCO 1130.58. Submit a routine reenlistment request to the CG MCRC. A medical waiver is not required if the applicant meets medical standards by virtue of a MEPS medical examination.

(3) Personnel whose names are removed from the TDRL and are discharged with severance pay are not eligible without an appropriate waiver from the CG MCRC.

j. Prior service enlistments into the SMCR are processed per MCO P1040R.35 by the Reserve recruiting force. Questions about this category should be referred to the local Marine Corps Reserve prior service recruiter, or to the Marine Corps Reserve Support Command (MCRSC), 15303 Andrews Road, Kansas City, Mo. 64147.

3. Prior Service (Other Service) Applicants.

a. Applicants for enlistment with prior service in a branch of the Armed Forces other than the Marine Corps will be processed per the instructions contained herein. Initial accession standards apply.

b. Prior service (other service) applicants are considered to be new accessions to the Marine Corps. They must normally meet initial enlistment criteria and attend recruit training. Their accession is considered to be an "enlistment," not a "reenlistment." These individuals will also be screened to determine if they qualify for enlistment into the Marine Corps under the provisions of MCO 1130.55. In such cases, these applicants must meet retention height and weight standards.

c. Prior service (other service) applicants with an interservice reenlistment code other than "1" will not be enlisted without prior approval of the CG Region.

d. National Guard applicants who receive "N/A" instead of a reenlistment code on their DD 214/DD 215 and possess DD Form 368 do not require a waiver.

e. Applicants with an interservice reenlistment code of "1" that require a waiver for other factors (e.g., dependents, moral, medical, etc.) will be forwarded to the appropriate waiver authority for decision. In cases where a DD Form 214 is required and not available, refer to paragraph 3292 of this Manual.

f. Applicants released as E-1 or as E-2 will not be enlisted without prior approval of the CG Region. This does not apply to E-1/E-2 reservists or members of the National Guard whose only active duty was IADT and who have less than 2-years of service with their Reserve unit and are actually attending drills (see paragraph 3291.5).

g. An applicant who is currently a member of a Regular or Reserve establishment of the Armed Forces, including the National

Guard, may not be enlisted into the DEP. Former members may be enlisted in the DEP if specific conditions are met.

h. Officers and former officers of other services, applying to enlist, will be processed per MCO 1130.63.

i. Prior service (other service) enlistments into the SMCR are processed per MCO P1040R.35 by the Reserve recruiting force. Questions about this category should be referred to the local Marine Corps Reserve prior service recruiter or to the Marine Corps Reserve Support Command (RD-4), 15303 Andrews Rd. Kansas City, MO 64147; telephone toll-free (800) 255-5082

j. Personnel who were separated from their respective service because they did not successfully complete the prescribed course of Entry Level Training (i.e., boot camp) will not normally be considered for enlistment in the Marine Corps prior to 2 years after the date of separation and will not be enlisted without prior approval of the Region.

4. Marine Reservists.

a. Members of the SMCR (Mandatory or Obligor Participants). Members of the SMCR (mandatory participants), component codes K4, K8, K9, and B5, serving the active Reserve portion of their initial 8-year military service obligation, who have returned to their unit after completion of IADT and desire to enlist in the Regular component of the Marine Corps, will be processed as follows:

(1) These individuals will submit a request for enlistment to the MCRC in accordance with MCO 1130.58. These requests will be reviewed on a case-by-case basis based on the needs of the Marine Corps.

(2) These individuals will be processed as if they were new accessions. They must meet initial procurement criteria, except for height and weight which will be in accordance with Marine Corps retention standards, and they must be processed by the Recruiting Service. If a waiver for dependents was required to enlist in the SMCR, a waiver will again be necessary. Because these individuals have completed recruit training, waivers that would normally require consideration of the commanding generals of the recruiting regions will be forwarded to the CG MCRC.

(3) These applicants are not considered to be reenlistments and are not eligible for a 2-year (reenlistment) term of enlistment. They must enlist for 3 or 4 years. In the cases of individuals enlisting with an aviation MOS, a 4-year enlistment is required. Enlistment in the DEP is not authorized.

(4) These applicants are not counted towards non-prior service or prior service (broken and continuous reenlistment) Regular accession requirements. They are "RTNR" enlistments and will be reflected appropriately on the NAVMC 5022. (**NOTE:** The enlistment of members of the SMCR who have completed the **active** Reserve portion of their initial 8-year obligation **will** count towards prior service Regular accession requirements.)

(5) These applicants are not to be enlisted without prior clearance from their Reserve unit. Clearance must be obtained with DD Form 368 (Request for Discharges or Clearance from Reserve Components). This form is used to request clearance from a Reserve unit or a National Guard unit or to verify that an active member of a Reserve component of any branch of the Armed Forces, is not in receipt of orders to EAD within the next 60 days, exclusive of 15 days active duty for training. **Use of this form is mandatory for members of any Reserve component.** MEPS will not enlist an applicant who currently is an active Reservist unless a DD Form 368 authorizing said enlistment is included in the applicant's package. See Table 3-15, page 3-151, for information regarding the use of DD Form 368.

(6) Duty station assignments for these applicants will be requested in accordance with MCO 1130.58D.

(7) Grade appointments will be in accordance with MCO 1100.77.

(8) Mandatory participants serving on extended active duty will be processed IAW the current edition of MCO 1001.3.

b. Members of the SMCR (Non-mandatory [or Non-Obligor] Participants). Staff NCO's and officers of the SMCR will be processed in accordance with MCO 1130.63. Sergeants and below in SMCR who have completed their initial 8-year military service obligation will be processed in accordance with MCO 1130.58.

5. Other Service Reserves.

a. Selected reservists of a component of the Armed Forces, other than the SMCR, will not be accepted for enlistment within the 60-day period immediately preceding the effective date of orders to extended active duty or to active duty for training other than to the annual 14-day tour.

b. Reservists of any branch of the Armed Forces, including the National Guard, shall not be accepted for enlistment in the Regular Marine Corps until clearance is obtained from the commanding officer of the unit concerned. Requests for clearance will be submitted on the DD Form 368 (Request for Discharge or Clearance from Reserve component).

c. Because an individual cannot serve in the reserve component/IRR component of two services simultaneously, applicants currently serving in the reserve component/IRR component of another service will not be enlisted into the DEP. They will be enlisted and accessed (shipped) on the same day.

6. Members of the Individual Ready Reserve (IRR). A member of the IRR of any component of the Armed Forces (non-mandatory participant may be enlisted into the Regular Marine Corps without prior clearance or discharge from such Reserve component. Members of the IRR will be processed in accordance with the procedures outlined in preceding paragraphs according to their prior Regular and/or Reserve military service.

7. Enlistment or Reenlistment of Officer Program Participants. Applicants who served under an enlistment contract to participate in a commissioning program will subsequently be processed as prior service applicants if they desire to enlist or reenlist. Requests must be submitted to the CG MCRC for approval. Grade appointments will be per table 4-2, page 4-43. Recruit training is not required for applicants who previously completed Marine Corps recruit training, the "Senior: or : Combined: Course of the Marine Corps Platoon Leaders Course (PLC), Officer Candidate Course (OCS), or the NROTC "Bulldog" Course.

8. Special Procedures for the Involuntary Enlistment of Disenrolled or Drop Own Request Naval Reserve Officer Training Corps (NROTC) Marine-Option Midshipmen.

a. Regulations governing the NROTC Program require that members enlist in the Individual Ready Reserve (IRR) of the U.S. Marine Corps or U.S. Navy, depending upon which branch of the service will commission them. The regulations further state that midshipmen who are disenrolled after beginning there junior year of college are liable to serve a term of active enlisted service. The Secretary of the Navy will decide in each case whether the disenrolled midshipman will be called to active duty and the length of active duty to be served.

b. Although each disenrolled midshipman will have a valid enlistment contract, no other enlistment processing for recruit training will have taken place. The following procedures will be utilized to bring a disenrolled midshipman to active duty:

(1) The CG MCRC (ON) will notify the midshipman and the midshipman's commanding officer of the decision of the Secretary of the Navy.

(2) The CG MCRC (ON) will notify the Commanding General, Marine Corps Reserve Support Command (MCRSC), of the decision of

the Secretary of the Navy and will request that orders be issued activating the disenrolled midshipman within 30 days. The orders issued by MCRSC will direct the disenrolled midshipman to report to the nearest Marine Corps recruiting substation for processing under non-prior service criteria, per standard enlistment procedures, through the cognizant MEPS. Notification from MCRSC will include appropriation data from the home of record of the disenrolled midshipman to the processing recruiting substation and then to the cognizant MEPS. Appropriation data necessary to transport the disenrolled midshipman from the MEPS to the appropriate recruit depot will be provided by the MEPS following normal procedures for new recruits. The ENLISTMENT CONTRACT OF THE DISENROLLED MIDSHIPMAN WILL BE PROVIDED TO MCRSC BY THE CG MCRC (ON).

(3) A copy of the former midshipman's NROTC enlistment contract will be forwarded from the CG MCRC (ON) to the respective recruiting station to be included in the final enlistment packet.

(4) Processing at the MEPS will be the same as that required for all other non-prior service applicants. However, the results of the ASVAB test will be used only for potential assignment qualifications, not for enlistment qualification. Former midshipmen will be shipped as "open" contracts. Disenrolled midshipmen ordered to 2 years involuntary active duty are creditable for contract and regular NPS mission. Source of entry code for these accessions will be "blank, blank, 7, A." If a disenrolled midshipman is found unqualified by the MEPS, the CG MCRC (ON) will be notified by the commanding officer of the processing recruiting station.

(5) In the event the former midshipman desires enlistment into the Regular Marine Corps, the period of enlistment must be for a minimum of 3 years. Mental testing will still be required, but this time the results can be used to obtain an enlistment option/bonus. Should the former midshipman be found fully qualified for regular enlistment, notification of this action must be given to MCRSC and to the CG MCRC (ON).

(6) Former midshipmen are eligible for promotion to "Contract" PFC per table 4-2, page 4-43.

(7) If a disenrolled midshipman is found morally, mentally, or physically unqualified upon arrival at a recruit depot or during recruit training, the CG MCRC (RE and ON) will be notified by the commanding general of the respective recruit depot. Discharge authority is retained by the CG MCRC (ON). Every effort should be taken to ensure that a disenrolled

midshipman completes recruit training and the assigned period of obligated service.

3292. VERIFICATION. The primary document used to verify prior active service is the DD Form 214 (with DD Form 215, if applicable). The DD Form 368 and NGB 22 will also be used in the case of reservists and National Guard members, respectively, when appropriate.

1. Verification of Prior Service.

a. DD Form 214/215 will continue to be used to verify other information necessary to process prior service applicants for enlistment or reenlistment. In the case of former reservists, a copy of their discharge certificate is also required.

b. There is a mandatory entry concerning previous settlement(s) of unused leave required to be made in the remarks section of the DD Form 1966 for all applicants with prior service.

c. Recruiting stations will verify the interservice reenlistment eligibility code of each prior service applicant. The interservice separation and reenlistment eligibility codes are set forth in figure 3-11, page 3-156.

2. Interservice Separation and Reenlistment Eligibility Verification.

a. Recruiting stations will call directly to the Defense Manpower Data Center (DMDC), Monterey, California, to determine enlistment eligibility for all prior service applicants. The DMDC has a reenlistment eligibility file on all prior service personnel for each branch of the Armed Forces.

b. Personnel below the recruiting station level are not authorized to call DMDC.

c. Eligible users may query DMDC by phoning 1-800-538-5916 between 0700-1800 daily, Pacific Time. The person calling must furnish name, organization, access code (published in separate correspondence by the CG MCRC (RP)), and the last four digits of their SSN. The DMDC operator will verify the user's access code and require for each prior service applicant for which information is requested: the applicant's SSN, name, date of separation, and service.

d. The response to inquiries will be the interservice reenlistment eligibility code and the interservice separation code for the applicant in question (see figure 3-11, page 3-155). If an inquiry produces a "not in the file " response for a particular prior service applicant, the recruiter concerned will be instructed to advise the applicant to contact the appropriate service records center, in writing, for reenlistment code information. Addresses for each service's records center follows:

(1) If the prior service applicant has no Reserve commitment remaining in the service from which separated, the individual may write the following activity to obtain copies of separation documents:

Address: National Personnel Records Center
Military Personnel Records
9700 Page Boulevard
St. Louis, MO 63132

(2) If the prior service applicant has a Reserve commitment remaining, the individual may write to the appropriate Reserve Personnel Center listed below to obtain copies of separation documents:

USMCR	Commanding General Marine Corps Reserve Support Command 15303 Andrews Rd. Kansas City, MO 64147
USAR	Commander, U.S. Army Reserve Personnel Center Attn: DARP-PAT-R 9700 Page Boulevard St. Louis, MO 63132-5200
USNG/ING	Commander (Unit of Assignment as indicated on DD Form 368, section 1, 1A-1B)
USNR	Commanding Officer (Code 40) Navy Reserve Personnel Center New Orleans, LA 70149
USAFR (Includes USANG)	Commander Air Forces Reserve Personnel Center Code DPAAD East 1st Avenue Denver, CO 80280

USCGR Commandant (GRA/82)
 Coast Guard Headquarters
 400 7th St., S.W.
 Washington, DC 20590

e. Recruiting stations will limit personnel authorized access to station operations personnel. A record of all inquiries to DMDC and all responses will be maintained for a minimum of 1 year.

f. Determination of an applicant's eligibility for enlistment by DMDC does not relieve the recruiter of the responsibility to review the DD Form 214/215 for any disqualifying data to ensure that the applicant meets all enlistment/reenlistment criteria set forth in this Manual, MCO 1130.63. DMDC's determination alone does not constitute authority for enlistment/reenlistment.

g. Access codes and reenlistment information will be kept inside recruiting service channels. The Privacy Act of 1974 prescribes a criminal penalty and a fine not to exceed \$5,000 for willful, unauthorized disclosure of personal information. Reenlistment eligibility information may be of such a personal nature that it is covered by the Act.

h. Substantiated compromises of access codes or reenlistment eligibility information will be reported to DMDC telephonically within 24 hours of the occurrence, along with a report of the corrective action taken by the responsible recruiting station. A letter explaining the circumstances surrounding the compromise and actions initiated to preclude further misuse of the centralized system will be provided to Defense Manpower Data Center (DMDC), 4th Floor, 1600 Wilson Boulevard, Arlington, Virginia, within 5-working days following the occurrence. "Information" copies of the letter will be provided to the CG MCRC and to ODASD/MMP, Pentagon, Washington, DC 20330.

3. High School Graduate Qualification. All prior service applicants who have served a complete enlistment of 3 or more consecutive years in the Regular forces of the United States are eligible to be reenlisted as high school graduates. If the applicant possesses a GED, an adult high school diploma, or other credential previously recognized to be the equivalent of a high school diploma, irrespective of when obtained. Applicant will be classified as a 12L.

4. Navy Discharge Review Board and Board for Correction of Naval Records.

a. The Marine Corps has no authority to change the type of discharges awarded to former Marines by competent authority. In the event inquiries pertaining to review of a discharge are received, the applicant should be advised to contact or petition the following boards:

President	(for discharges other than those
Navy Discharge Review Board	pursuant to the sentence
Navy Department	of General Courts-Martial)
Washington, DC 20370	

The Secretary of the Navy	(for discharges pursuant to the
Board for Correction of	sentence of General
Naval Records	Courts-Martial and for
Navy Department	correction of records)
Washington, DC 20370	

b. These Boards do not have authority to reinstate any person in the Marine Corps, but they will determine if any change is warranted in the type and nature of discharge.

c. No member of the Recruiting Command shall inform or suggest to applicants that they will be or can be accepted for enlistment or reenlistment even if their discharge or their records are changed. By doing this, individuals will not be given any false hopes about their chance for enlistment or reenlistment.

NOTE 1. A member of a Reserve component is any member of the: Marine Corps Reserve, Army National Guard of the United States, Army Reserve, Naval Reserve, Air National Guard of the United States, Air Force Reserve, Coast Guard Reserve, **or the DEP of any service.**

NOTE 2. Enlistment or reenlistment in the Marine Corps or SMCR is not **authorized** under any of the following situations:

a. The commanding officer of the unit concerned has not provided positive clearance on behalf of the selected reservist or DEP member.

Exception #1. In the case of members of the Marine Corps DEP or members of the SMCR awaiting IADT, a clearance is not required to enlist from one Marine Corps component to another, but the appropriate district commanding officer must first approve of the discharge, and the SMCR unit must be notified. (See note 3b).

Exception #2. In the case of members of the IRR (non-mandatory participants), enlistment in the Regular Marine Corps may be effected without clearance. However, the IRR component must be notified of the enlistment. (See note 3b).

b. A selected reservist of any service other than the Marine Corps who is within 60 days of reporting to EAD or active duty for training other than the annual 15-day tour.

c. A member of any Reserve component who is serving on EAD or is in an active duty for training status.

NOTE 3. Administrative Instructions. The DD Form 368 (Request for Discharge or Clearance from Reserve Components) is a three-part form. Part I is the request for clearance prepared by the Recruiting Service. Part II is the approval/disapproval of clearance by the member's Reserve unit commander, and Part III is the notification of enlistment sent to the Reserve unit commander by the Recruiting Service. Use and distribution of the DD Form 368 will be as follows:

CLEARANCE FROM RESERVE COMPONENTS.-CONTINUED.

a. In cases that require a clearance or in cases where a reservist's status is uncertain:

- (1) Complete Part I on an original with four copies.
- (2) Retain one copy for recruiting station's files along with the stub from the "certified mail" label.
- (3) Mail the original and three copies to the Reserve unit commander by "certified mail."
- (4) In cases that involve a member of the National guard, an extra copy will be necessary. Mail the extra copy to the adjutant general of the state concerned.
- (5) The member's Reserve unit commander will keep one copy and return the original and two copies with Part II completed.
- (6) Annotate the results of the Reserve unit commander's action on the recruiting station file copy.
- (7) Upon enlistment, complete Part III of the original and all copies including the recruiting station copy.
- (8) One copy must be sent to the Reserve unit commander by "certified mail."
- (9) Keep the certified mail receipt with the residual file. With Part III completed, the Reserve unit commander has authority to effect discharge from the Reserve component effective the day preceding enlistment. See table 4-3, page 4-73, for instructions on the distribution of the original and remaining copies.

b. Note 2a, above, lists the two exceptions to the requirement for a clearance. In cases that do not require a clearance, notice of enlistment must be provided so that a discharge from the Reserve component can be effected.

- (1) Complete Parts I and II on an original with three copies.

TABLE 3-15

CLEARANCE FROM RESERVE COMPONENTS.-CONTINUED.

(2) Follow the distribution instructions contained in table 4-3.

(3) Use "certified mail" to send a signed copy to the appropriate Reserve unit commander. If the enlistee is a member of the IRR (non-mandatory participant), mail a signed copy to the appropriate Reserve personnel center. The addresses are listed in paragraph 3292.2d(2) of this Manual.

(4) File the remaining copy in the residual file along with the returned "certified mail" receipt.

CHAPTER 3

QUALIFICATIONS FOR ENLISTMENT

SECTION 3: WAIVERS OF ENLISTMENT CRITERIA

3300. GENERAL POLICY.

1. Enlistment Criteria. Criteria standards for enlistment are established to ensure that the Marine Corps enlists only those applicants who are capable of successfully completing their contractual term of service. Any applicant who does not meet these standards will not be enlisted or reenlisted (to include the DEP or the SMCR awaiting IADT) without a criteria waiver being granted by the command authorized to approve the deviation from the standard. The waiver process is not an administrative addendum by which unqualified applicants are enlisted.

2. Waiver Recommendations. Waivers will be recommended for only two reasons:

a. Highly favorable traits or mitigating circumstances exist which outweigh the reason for disqualification; or

b. The enlistment/reenlistment is clearly in the best interests of the Marine Corps.

3. Waiver Responsibilities. The responsibility of determining whether or not waiver requests warrant favorable consideration rests with all levels of command, but initially with the recruiter. The recruiter's responsibilities include:

a. Screening (questioning and counseling),

b. Investigating (gathering proper documentation), and

c. Initiating the waiver request, if warranted.

3301. ELIGIBILITY FOR WAIVERS.

1. Making a Determination. To determine whether an applicant is eligible for a waiver, the following matters must be considered:

a. Is the enlistment criteria/standard one which may or may not be waived? Refer to Table 3-16, page 3-167, for ineligible conditions which are not waiverable. Caution must be exercised in the case of high school seniors in the DEP or the SMCR awaiting IADT who neither graduate nor obtain an alternate credential.

(1) High school seniors in good standing may be eligible for waivers. They are considered as though they were "high school graduates" based on the assumption that they will graduate prior to commencing active duty. Should they fail to graduate, however, they may be ineligible to commence active duty based on enlistment criteria and their non-graduate status.

(2) High school non-graduates must meet enlistment criteria based upon their ASVAB scores, and will be eligible to enlist onto active duty only with approved waiver(s) authorized for high school non-graduates. Individuals not meeting prescribed standards will be discharged in accordance with paragraph 4301 of this Manual.

b. SUBORDINATE COMMANDERS ARE NOT AUTHORIZED TO IMPOSE STRICTER CRITERIA TO OFFICIAL WAIVER GUIDELINES. HOWEVER, COMMANDERS AT ANY LEVEL MAY DISAPPROVE A WAIVER BASED UPON THE WAIVER'S OWN MERIT, THE COMMANDER'S JUDGMENT, AND THE CURRENT RECRUITING ENVIRONMENT.

c. An applicant's eligibility will be based on the level of education, the mental category, and on the "whole person" concept.

2. The "Whole Person" Concept.

a. Waivers will be evaluated using the "whole person" concept. Under this concept, an applicant's qualifications are compared with past performance with the intent of calculating potential effectiveness in the Marine Corps. Such an evaluation is difficult. The evaluation should present for consideration all relevant facts and information, as well as a thorough meaningful evaluation. Waiver requests which simply identify the disqualifying factor(s) without thorough discussion of all mitigating circumstances and the applicant's favorable traits are a disservice to the applicant and may well jeopardize waiver approval.

b. To help in evaluating cases, tally strengths and weaknesses. Be alert for patterns of success or failure. Ask yourself the following questions:

(1) Is the applicant a desirable prospect?

(2) Does the applicant's strengths outweigh the reason(s) for disqualification?

(3) Are the applicant's demonstrated qualities indicative of successful service as a Marine?

(4) Is the applicant's enlistment/reenlistment clearly in the best interest of the Marine Corps?

c. If there is any doubt, or the answer to any of the above questions is "no," a request for a waiver should not be processed. This decision must be made without regard to monthly production goals.

3302. WAIVER AUTHORITY LEVELS. Requests for waiver of enlistment/reenlistment criteria will be submitted to the appropriate waiver authority depicted in table 3-19, page 3-179, for decision.

3303. SPECIAL CONSIDERATIONS FOR MORAL AND MEDICAL WAIVERS.

1. Moral Waivers.

a. Requirement to Disclose. Applicants are required to disclose all arrests, detentions, or investigations, by police and juvenile authorities, even if no charges or trials resulted. They are also required to disclose any and all illegal involvement with drugs. Recruiting personnel will ensure that applicants are fully aware of these requirements and of the penalties for withholding information or defrauding the United States government.

b. Police Records Checks (DD Form 369).

(1) Recruiting personnel will conduct police record checks as follows:

(a) Miscellaneous Offenses. If an applicant's admitted involvement with law enforcement officials consist of minor traffic or class 1 minor non-traffic offenses, police record checks are not required to confirm the individual's record. However, if doubt/suspicion exists, police checks must be conducted.

(b) Minor Non-Traffic Offenses (Class 2), Serious Traffic, Serious Offenses and Felony Offenses. If the applicant's involvement with law enforcement officials consisted of minor non-traffic offense(s), serious traffic, serious offense(s) or a felony offense, police check **WILL BE INITIATED WITH MUNICIPAL, COUNTY, AND STATE LAW ENFORCEMENT OFFICIALS** for each community where the applicant was alleged, or other sources revealed, the applicant to have committed the offense(s). This includes courts, probation departments, and parole officers. The check will be used to confirm the existence of the charge and its disposition, and to determine, if applicable, the conditions under which sentence was suspended, the inclusive dates of

probation, confinement, commitment, or parole, and the degree of rehabilitation.

(c) Prior Service.

1 USMC. An offense committed prior to, or during, a previous enlistment in the Marine Corps (or period of EAD in the case of reservists) that did not result in discharge upon the discovery of the offense, is not a bar to reenlistment and does not require a moral waiver. In such a case, it is not necessary to obtain police record checks. However, offense(s) (including any drug involvement) committed subsequent to the last period of honorable service do require a moral waiver.

2 Other Service. Offenses committed prior to, during, or subsequent to any enlistment in another branch of the U.S. Armed Forces, Regular or Reserve (including the National Guard), require a waiver by the appropriate waiver authority as if the applicant did not have prior service. In such cases, however, consideration will be given to when the offense occurred in relation to the applicant's prior service.

(d) Aliens. Provided they are otherwise qualified, alien applicants, and applicants who have resided in foreign countries for any period of time since their 10th birthday, are eligible for enlistment without police record checks from the foreign countries concerned. If an applicant admits to a criminal record in a foreign country, obtain all possible information through an interview. Recruiters will not contact foreign authorities to determine moral qualifications or initiate foreign police record checks.

(e) Transients/Drifters. If an applicant is a transient/drifter as defined in paragraph 1204.5 of this Manual, police record checks are required from all municipalities in which the applicant has lived for the past 3-years.

(2) Reimbursement of Expenses. When charged for police records checks, recruiter out-of-pocket funds will be used for this expense. If appropriate, the commanding officer of the recruiting station may initiate a blanket purchase agreement (BPA) to cover fees.

c. Character References.

(1) With the exception of in-DEP marijuana, steroids, peyote (see table 3-5, note 3), and prescription drugs, when an applicant requires a CG Region or higher level moral/drug waiver, at least three character references must be obtained. The DD Form 370, Request for Reference, will be used. References, however, need not be obtained for the commission of

traffic offenses unless they are categorized as felonies (see table 3-14, page 3-133).

(2) Specific comments on an applicant's rehabilitation and any other relevant information are necessary for a proper evaluation. The following statement will be added to the "Remarks" section of the DD Form 370: **"Please use the Remarks section. Specifically address the circumstances of any known illegal involvement with drugs or with police, to include rehabilitation efforts, if applicable. Your comments are useful and will be kept in strictest confidence."**

(3) A letter of reference is no better than its source. References from an applicant's family or friends are of little value because of a natural bias. Likewise, references that are completed and returned through the applicant are not as meaningful as those that are treated confidentially. **Recruiters will mail, or personally deliver, the DD Form 370 requests to at least three individuals, named by the applicant, for completion and return.** Mailing the forms and enclosing self-addressed, stamped envelopes will preserve necessary confidentiality.

(4) Only references from reputable and responsible citizens are considered appropriate (e.g., high school principals, school teachers, guidance counselors, doctors, employers). **Note: All DD Form 370's will have the signers area code and telephone number. If an applicant had at any time been under the supervision of a probation or parole officer, a reference from this individual is mandatory.**

(5) Paragraph 1206 of this Manual stresses the importance of strictest confidentiality in these matters.

d. Decisions on Moral Waiver Requests. Applicants should be judged on their fitness for duty in the Marine Corps or Marine Corps Reserve by their character at the time of application. The "whole person" concept discussed in paragraph 3301.2 should be used. Additionally, the following factors should be considered and addressed in the waiver request:

(1) The nature of the offense(s), to include any drug involvement, the attendant circumstances, both aggravating and extenuating, date of apprehension or arrest, trial date and/or sentencing date, and all inclusive dates of incarceration, credited or otherwise.

(2) The sentence, punishment, or other disposition.

(3) The age at the time of the offense(s), to include any illegal involvement with drugs.

(4) The degree of rehabilitation.

(5) The time elapsed since the offense (including any illegal involvement with drugs).

(6) The mitigating factors, including other enlistment qualifications.

(7) Date probation started and ended.

(8) Date of final action taken by judicial authority.

2. Medical Waivers.

a. Applicants and Enlistees Awaiting Active Duty Training.

(1) Applicants who do not meet physical standards, or who have physical defects that have not been properly waived, will not be enlisted or reenlisted under any conditions.

(2) Members of the DEP or the SMCR awaiting IADT who have a change of medical status require a re-examination and approval by a physician at MEPS. Those who become disqualified for enlistment/reenlistment because of physical reasons will be processed for a waiver per paragraph 3273, or discharged per paragraph 4301.2 of this Manual. Determination by MEPS doctors of "not physically qualified" may be forwarded to the MCRC, per table 3-17, page 3-171, for review.

(3) Recruiters may enlist applicants, or ship enlistees to active duty training, only with a valid letter authorizing the waiver. Recruiters will reference this authorization in the "Remarks" section of the DD Form 1966. Recruit depots will create permanent health records from the medical documents that accompany enlistees.

(4) In cases when the actual letter of authority has not been received in time for the normal distribution of enlistment documents, commanding officers of recruiting stations will ensure that a copy is forwarded to the gaining command. The copy must be clearly marked "Health Record Copy."

b. Recommendation of the MEPS Physician. The Chief, Bureau of Medicine and Surgery (BUMED), Department of the Navy, considers physical waiver requests for Marine Corps applicants

and provides appropriate recommendations to the CG MCRC. Should the MEPS physician not recommend a waiver, commanding officers may request review by higher authority if the applicant has the capacity to fulfill a military service obligation. When submitting such requests to higher authority, medical evidence, opinions of other physicians, and comments about the applicant's physical capabilities must be included. Before submission, any new information should first be provided to the MEPS physician for reconsideration.

c. Period of Validity.

(1) Medical waivers approved by the CG MCRC are valid for **2 years from the date of the physical** which required the waiver.

(2) When more than 2 years have passed since an applicant's physical which required and subsequently received a medical waiver, the request for a waiver must be resubmitted to the CG MCRC.

d. Medical Problems Disclosed after Shipment to Recruit Depots.

Previously unreported medical problems disclosed by recruits at the depots require review and approval by an MCRD physician before recruit training can begin/continue. Prior to making a disapproval, the MCRD physician should confer with the Head, Physical Evaluation Section, BUMED, before declaring a recruit medically unqualified for training.

3304. SUBMISSION OF WAIVERS.

1. Waiver requests will be forwarded via the chain of command. Each level of command must act on the request and provide an appropriate endorsement. However, recruiting station commanding officers, district commanding officers, and commanding officers, and commanding generals of the recruiting regions have **authority to disapprove** the enlistment or reenlistment of an applicant without forwarding the case to the next higher level.

a. Medical and prior service (PSEP/FTAP) waiver requests may be submitted directly to the CG MCRC from the recruiting station unless there are other disqualifying factors (e.g., dependent, moral, etc.) which fall within the waiver authority of the district commanding officer or region commanding general, or unless stricter conditions are imposed by those commanders.

2. Additional waiver submission guidance is provided in Table 3-19, page 3-179.

NOTE 1. Waivers will not be granted.

NOTE 2. Birth verification, education verification required in accordance with this Manual.

NOTE 3. Pending criminal charges are a bar to enlistment. Pending civil suits are not a bar to enlistment. "Nolle Prosequi," though an unresolved judicial proceeding, is not a bar to enlistment.

NOTE 4. Individuals applying for enlistment as an alternative to prosecution, indictment, trial, incarceration, probation or parole, or who are granted a release from a charge by a court on the condition that they will apply, or are accepted, for enlistment/reenlistment, until the original assigned sentence has been completed.

NOTE 5. Applicants who are currently incarcerated, on parole, serving a suspended sentence, or on probation, are not eligible for enlistment until the sentence has been completed. As an exception to the foregoing, an unconditional suspended sentence or unsupervised unconditional probation, which results from conviction or offenses listed in paragraphs 1, 2 and 3 of table 3-14, page 3-133, are not considered restraint. Neither is a suspended sentence or revoked driver's license considered restraint. Though a DUI/DWI is considered to be a Serious Offense; driver's license suspension arising from a DUI/DWI is not a bar to enlistment or shipping. In these limited cases, applicants are eligible for enlistment provided they are otherwise well-qualified.

NOTE 6. No waiting period is required following complete service of parole or probation, or a suspended sentence, as originally assigned. However, in cases of early release, either a ninety day wait or the completion date of the originally assigned sentence, whichever is shorter, is required. Final action is defined as the effective release date assigned by judicial authority.

NOTE 7. In-DEP Felony(ies) will not be considered except under extraordinary circumstances. In such cases, the CG, MCRC must approve the waiver

NOTE 1. Applicants requiring a waiver will not be processed unless they are considered particularly desirable. See paragraph 3301.

NOTE 2. Before submission, inform applicants not to terminate present employment, not to dispose of personal property, and not to make any other plans or commitments based on their waiver requests.

NOTE 3. All waivable disqualifications that are not designated by current directives to be approved by a specific authority require the approval of the CG MCRC.

NOTE 4. If an applicant requires the waiver of more than one disqualification which calls for consideration at different approval levels, the most senior level indicated becomes the waiver authority.

NOTE 5. In special instances when it is unclear if an applicant is qualified for enlistment, submit a request for determination to the next waiver authority level. If it is determined that the applicant is unqualified, the request will be evaluated for waiver of the disqualification.

NOTE 6. To properly consider a waiver request under the "whole person" concept, all information relative to the individual's enlistment or reenlistment is considered pertinent. Accordingly, request for waivers that are forwarded to the next waiver authority level will include:

a. A basic cover letter which contains:

- (1) Type waiver(s) requested for all disqualifying factors.
- (2) Date of birth/age
- (3) Height/weight
- (4) IST/PFT
- (5) Marital/dependency status
- (6) Education level

(13) A definite recommendation.

b. Copies of all forms and documents required of the application.

c. Copies of any other substantiating documents that have a bearing on the case.

d. The documentation or information listed under column C of the table is of prime importance and emphasizes the data most relative to the disqualification(s) in question. Its inclusion under column C is not intended to diminish the importance of other documents required by subparagraphs a, b, and c above of this note.

NOTE 7. Supporting documents will not be returned. Do not send original documents.

NOTE 8. Photographs will be in accordance with the specifications set forth in the current edition of MCO P1070.12.

NOTE 9. For use of the DD Form 369, see paragraphs 3284.1 and 3303.1 of this Manual.

NOTE 10. Personal references (DD Form 370) have a significant bearing on the outcome of waiver requests. Consequently, the source and content (specifically detailed written comments), are extremely important. When submitted in conjunction with a waiver request, a minimum of three references are required.

NOTE 11. For prior service applicants who received a discharge for hardship or dependency, specific proof is required which must clearly show that the cause for the discharge no longer exists. Notarized, sworn statements are required from:

a. The applicant must state in detail exactly how the hardship has been alleviated.

b. The person or persons in whose behalf the discharge was obtained, if still living.

c. At least three other members of the community who are familiar with the conditions. DD Form 370s will suffice for this requirement.

Official DoD Policy Concerning Homosexual Conduct

1. A person's sexual orientation is considered a personal and private matter, and is not a bar to service entry or continued service unless manifested by homosexual conduct in the manner described in section 2 below. Applicants for enlistment, appointment, or induction shall not be asked or required to reveal whether they are heterosexual, homosexual, or bisexual. Applicants also will not be asked or required to reveal whether they have engaged in homosexual conduct unless credible independent evidence is received indicating that an applicant engaged in such conduct or unless the applicant volunteers a statement that he or she is a homosexual or bisexual, or words to that effect.

2. Homosexual conduct is grounds for barring entry into the Armed Forces, except as otherwise provided in this section. Homosexual conduct is a homosexual act, a statement by the applicant that demonstrates propensity or intent to engage in homosexual acts, or a homosexual marriage or attempted marriage. Propensity to engage in homosexual acts means more than an abstract preference or desire to engage in homosexual acts; it indicates a likelihood that a person engages in or will engage in homosexual acts.

a. A "homosexual act" means any bodily contact, actively undertaken or passively permitted, between members of the same sex for the purpose of satisfying sexual desires and any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in such an act.

b. A "statement that an applicant is a homosexual or bisexual, or words to that effect: means language or behavior that a reasonable person would believe was intended to convey the statement that a person engages in homosexual acts. This may include statements such as "I am a homosexual", "I am gay", "I am a lesbian", "I have a homosexual orientation", and the like.

c. A "homosexual marriage or attempted marriage" is when an applicant has married or attempted to marry a person known to be of the same biological sex.

3. An applicant shall be rejected for entry if, in the course of the accession process, evidence is received demonstrating that the applicant engaged in, attempted to engage in, or solicited another to engage in a homosexual act or acts, unless there is further determination that:

Figure 3-6.--Official DoD Policy Concerning Homosexual Conduct

Official DoD Policy Concerning Homosexual Conduct (con't)

- a. Such acts are a departure from the applicant's usual and customary behavior;
 - b. Such acts, under all the circumstances, are unlikely to recur;
 - c. Such acts were not accomplished by use of force, coercion, or intimidation; and
 - d. The applicant does not have a propensity or intent to engage in homosexual acts.
4. An applicant shall be rejected for entry if he or she makes a statement that he or she is a homosexual or bisexual, or words to that effect, unless there is a further determination that the applicant has demonstrated that he or she is not a person who engages in, attempts to engage in, has a propensity to engage in, attempt to engage in, have a propensity to engage in, or intend to engage in homosexual acts will have their cases referred to the CG, MCRC, for evaluation and disposition.
5. An applicant shall be rejected for entry if, in the course of the accession process, evidence is received demonstrating that the applicant has married or attempted to marry a person known to be of the same biological sex (as evidenced by the external anatomy of the persons involved.)
6. Automatic rejection is not required if an individual has made statements, engaged in acts, or married a person of the same biological sex solely for the purpose of avoiding military service. For example, if a pool member is using this conduct as a mere ploy to avoid his/her commitment, then rejection is not necessary. Questionable cases can be referred to the CG, MCRC, for evaluation and disposition.
7. Prior to enlistment/appointment, all applicants will receive briefings on the personal conduct policy and the bases for administrative separation from the Armed Forces, as provided in enclosures (2) and (3). A copy of these enclosures will be placed in their enlistment/appointment packages. These briefings and corresponding forms will be the responsibility of MEPS personnel. Failure to receive such information shall not constitute a defense in any administrative or disciplinary proceedings, nor serve as a basis for discharge due to defective enlistment.

Figure 3-6.--Official DoD Policy Concerning Homosexual Conduct

Applicant Briefing Item on Separation Policy

As military members, you occupy a unique position in society. You represent the military establishment. This special status brings with it the responsibility to uphold and maintain the dignity and high standards of the U.S. Armed Forces at all times and in all places. The Armed Forces must also be ready at all times for worldwide deployment. This fact carries with standards of morale, good order and discipline, and cohesion. As a result, military laws, rules, customs, and traditions include restrictions on your personal behavior that may be different from civilian life. Members of the Armed Forces may be involuntarily separated before their enlistment or term of service ends for various reasons established by law and military regulations. Some unacceptable conduct may be grounds for involuntary separation, such as: You establish a pattern of disciplinary infractions, discreditable involvement with civil or military authorities or you cause dissent, or disrupt or degrade the mission of your unit. This may also include conduct of any nature that would bring discredit on the Armed Forces in view of the civilian community.

Because of parental responsibilities, you are unable to perform your duties satisfactorily or you are unavailable for worldwide assignment or deployment.

You fail to meet the weight control standards.

Although we have not and will not ask you whether you are heterosexual, homosexual, or bisexual, you should be aware that homosexual acts, statements that demonstrate a propensity or intent to engage in homosexual acts, and homosexual marriages or attempted marriages are grounds for discharge from the Armed Forces. This means that if you do one of the following, you could be involuntarily separated before your term of service ends:

(1) Homosexual acts. You engage in, attempt to engage in, or solicit another to engage in a homosexual act or acts. A "homosexual act" means touching a person of your same sex or allowing such a person to touch you for the purpose of satisfying sexual desires. (For example, hand-holding or kissing, or other physical contact of a sexual nature.)

Figure 3-6.--Official DoD Policy Concerning Homosexual Conduct

(2) Homosexual statements. You make a statement that demonstrates a propensity or intent to engage in homosexual acts. This may include a statement by a you that you are a homosexual or bisexual, or words to that effect. It also may include behavior that a reasonable person would believe was intended to convey the statement that you are a homosexual or bisexual.

(3) Homosexual marriage. You marry or attempt to marry a person of your same sex.

You will not necessarily be discharged if you do or say these things solely to end your military service. You may, however, be disciplined.

The Armed Forces do not tolerate harassment or violence against any servicemember, for any reason.

Figure 3-6.--Official DoD Policy Concerning Homosexual Conduct

Restrictions on Personal Conduct in the Armed Forces
(For use of this form, see USMEPCOM Reg 601-23)

1. Military life is fundamentally different from civilian life. The military has its own laws, rules, customs, and traditions, including numerous restrictions on personal behavior, that would not be acceptable in civilian society. These are necessary because military units and personnel must maintain the high standards of morale, good order and discipline, and unit cohesion that are essential for combat effectiveness.
2. The Armed Forces must be ready at all times for world-wide deployment. Military law and regulations, including the Uniform Code of Military Justice, apply to service members at all times, both on base or off base, from the time the member enters the Service until the member is discharged or otherwise separated from the Armed Forces.
3. Members of the Armed Forces may be involuntarily separated before their terms of service ends for various reasons established by law and military regulations, such as:
 - a. A member may be separated for a pattern of disciplinary infractions, a pattern of misconduct, commission of a serious offense, or civilian conviction.
 - b. A member who has been referred to a rehabilitation program for personal drug alcohol abuse may be separated for failure through inability or refusal to participate in, cooperate in, or successfully complete such a program.
 - c. A member may be discharged by reason of parenthood, if it is determined the member because of parental responsibilities, is unable to perform their duties satisfactorily or is unavailable for worldwide assignment or deployment.
 - d. A member may be separated for failure to meet Service weight control standards.
 - e. A member may be separated for harassment or violence against any service member.
4. A member of the Armed Forces shall be separated from the Armed Forces under regulations prescribed by the Secretary of Defense if one or more of the following findings is made and approved per the procedures set forth in such regulations:

Figure 3-6.--Restrictions on Personal Conduct in the Armed Forces

a. That the member has engaged in, attempted to engage in, or solicited another to engage in a homosexual act or acts unless there are further findings, made and approved per the procedures set forth in such regulations, that the member has demonstrated that:

(1) such conduct is a departure from the member's usual and customary behavior;

(2) such conduct, under all circumstances, is unlikely to recur;

(3) such conduct was not accomplished by use of force, coercion, or intimidation;

(4) under the particular circumstances of the case, the member's continued presence in the Armed Forces is consistent with the interests of the Armed Forces in proper discipline, good order, and morale; and

(5) the member does not have a propensity or intent to engage in homosexual acts.

b. That the member has stated that he or she is a homosexual or bisexual, or words to that effect, unless there is a further finding, made and approved per procedures set forth in the regulations, that the member has demonstrated that he or she is not a person who engages in, attempts engage in, has a propensity to engage in, or intends to engage in homosexual acts.

c. That the member has married or attempted to marry a person known to be of the same biological sex.

CHAPTER 4

ENLISTMENT PROCEDURES

SECTION 1: PRE-ENLISTMENT PROCESSING

4100. INTRODUCTION.

1. This section is designed to assist recruiting personnel in fulfilling their responsibilities for providing applicants/enlistees with information about enlistment processing and enlistment in the Marine Corps prior to that event. This information helps applicants and enlistees make a smooth transition from a civilian lifestyle to the Marine Corps way of life. Informing applicants/enlistees of what they can expect, and what will be expected of them, will contribute to their success as United States Marines. The following paragraphs list topics and provide short summaries for discussion with the applicant/enlistee. Use of supplementary material is encouraged.

4101. RE-EMPLOYMENT RIGHTS INFORMATION FOR NON-PRIOR SERVICE APPLICANTS.

1. The Department of Labor, through its Office of Veterans Re-employment Rights, is responsible for providing information about these rights and any assistance required in connection with exercising them. Chapter 43, part III, 38 U.S. Code, provides re-employment rights to men and women who leave jobs with private employers, the Federal Government, or a state or local government for the purpose of entering the Armed Forces. To remain entitled to re-employment rights, a veteran:

- a. May serve for not more than 4 years, plus a 1 year extension for the convenience of the government.
- b. Must complete the full enlistment satisfactorily.
- c. Must be qualified to perform the duties of the former position.
- d. Must make timely application for re-employment after completion of service.

2. There are certain conditions that applicants must be aware of before leaving their present jobs. If they do not request a leave of absence from their employer to process and enlist and they are found not qualified for enlistment, their re-employment rights may be impaired. Consequently, applicants interested in protecting their re-employment rights should request a leave of absence from their employer before leaving work to seek entry

into the Armed Forces. If applicants have notified their employer of their intention to enter the Armed Forces, nothing further needs to be done. If they have not, applicants should be strongly urged to do so. Figure 4-1 is a suggested format for requesting a leave of absence. It is recommended that applicants retain a copy for their personal files.

4102. PRE-MILITARY ENTRANCE PROCESSING STATION (MEPS) SCREENING.

1. Pre-MEPS screening by the recruiter is the first step in determining eligibility. Careful screening is an essential element of the recruiter's success. It will save valuable time and money. The purpose of screening is to:

a. Prevent a waste of time and other resources by processing only applicants who qualify for enlistment, and

b. Prepare potentially qualified applicants for enlistment processing.

2. District and Recruiting Station Commanding Officers are responsible for the conduct of efficient, cost-effective screening within their organizations. General areas of concern follow; however, for details on the screening for all qualifications, refer to chapter 3, section 2 of this Manual.

a. Basic Eligibility. The recruiter must initially screen the applicant's basic enlistment qualifications. Information and documents will be reviewed to verify age, educational level, citizenship, etc. It is the applicant's responsibility to provide the information and documents. The recruiter may assist, but the burden rests with the applicant. Explain the Privacy Act and warn the applicant about the need for absolute honesty.

b. Mental and Physical Screening. The purpose of preliminary medical screening is saving time and preventing return trips to the MEPS. Applicants must reveal their entire medical history, including all illnesses, injuries, hospitalization, etc. Recruiters must explain the limitations on orthodontic appliances.

c. Background and Moral Screening. Recruiters will explain the need for an inquiry into an applicant's background.

(1) Applicants with a long history of problems with law enforcement agencies, including juvenile authorities, may be ineligible. Recruiters will screen applicants for all past incidents and list on the application for enlistment every instance of being arrested, held, charged, detained, or cited by law enforcement or juvenile authorities for any offense,

regardless of the final action taken by the court. Withholding or falsifying information by applicants or recruiters could have serious future consequences.

(2) The recruiter must explain the Marine Corps policy on illegal drug use and thoroughly screen for any involvement.

d. Dependency. Recruiters will verify marital and dependency status. The Marine Corps is concerned for the well-being of Marines, and also for the collective well-being of Marine families. That concern, combined with knowledge of the financial constraints placed on junior Marines and the extraordinary demands associated with service as a Marine, necessitates careful scrutiny of individuals with dependents. Experience has shown that Marines with dependents are more likely to experience difficulty in completely fulfilling their obligations during their initial term of service than Marines without dependents.

e. Religious, Moral, and Ethical Beliefs.

(1) Marines serve under the premise that they are available for worldwide duty 24 hours per day, 7 days a week. The Marine Corps will make every attempt to provide an opportunity for the religious practices of all Marines; however, religious services may not always be possible. Recruiters will ensure that applicants are aware of the demands of military service.

(2) Recruiters will advise applicants that if they are conscientious objectors, or have religious, moral, ethical, or personal beliefs that conflict with the Marine Corps role, they should refrain from further processing until their reservations have been resolved. No promises or guarantees may be made regarding special consideration because of personal, religious, moral, or ethical beliefs.

4103. ENLISTMENT DOCUMENTS AND PRE-ENLISTMENT FORMS.

1. If an applicant remains tentatively qualified after initial screening and expresses interest in taking the steps to enlist after a sales presentation, then the recruiter will proceed with more detailed screening using verifying documents and pre-enlistment forms.

2. Identification of Applicants. Recruiters are responsible for verifying each applicant's identity. Identification can be accomplished by verifying an applicant's age and citizenship status and by checking the social security card and other

documents. Before applicants can be processed or enlisted, they must have a social security number.

3. Social Security Account Number (SSAN).

a. The SSAN is the primary means of personnel record identification. An applicant must have an SSAN in order to process or to enlist/reenlist. Pseudo SSAN's are not authorized and will not be used. All correspondence, to include requests for waivers, will contain a valid SSAN as required by current Marine Corps directives.

b. Verification will be as follows:

(1) Documents that will be used to verify SSAN's for the purpose of enlistment/reenlistment processing:

(a) An SSAN card or replacement issued by a social security administration office; or

(b) The applicant's SSAN as shown on records/statements issued by:

1 A Federal, state, or local Government agency (e.g., tax form or statement, unemployment card, DD Form 214, Social Security Automated NumIdent Form).

2 An employer or former employer (wage or tax statement).

3 A bank or other savings institution (statement of savings account earnings or other earnings statement for tax purposes).

(2) Only certain documents will be used to verify SSAN's for shipping an individual to recruit training or to other duty stations. Prior to shipping to the recruit depot or transferring to their next duty station, all enlistees/reenlistees must be in possession of:

(a) A social security card; or

(b) An SS Form 5 (verified) or Automated NumIdent Form (if they have lost their original card and are applying for a new card under the same name).

c. The number and name on the documents used for verification of name, identity, SSAN, age and citizenship must correspond to the enlistment name and SSAN on the DD Form 1966. (Note: Provided the applicant is applying for enlistment under the name as shown on the birth certificate, it is not necessary

for the social security card to reflect an applicant's full name, but may reflect a preferred first name or first initial and middle initial.) When the number or name does not correspond, re-verify the applicant's age, citizenship, and identity. If the names do not correspond for a legitimate reason, have the applicant submit an SS Form 5 to the nearest Social Security Administration office.

d. Commercially produced facsimiles of SSAN cards or the retained portion of the SSAN card are not authorized for SSAN verification.

e. Provide applicants who have lost their SSAN cards with SS Form 5 (Application for Social Security Account Number).

f. For applicants who do not have an SSAN:

(1) Re-verify the applicant's age, citizenship, and identity.

(2) Complete the SS Form 5, and note on the Form: "For enlistment in the U.S. Marine Corps."

(3) Forward the completed application to the proper Social Security Administration office.

g. The social security card will be sighted by recruiting service personnel immediately prior to the individual's departure.

4. Verifying Documents. Recruiters may assist applicants in obtaining the required verifying documents, but the ultimate burden of proof is on the applicant. Each document submitted by an applicant must be an original or a copy authenticated by a notary public. **NOTE: Notary Publics must be disinterested parties. (No affiliation with the Marine Corps Recruiting Command, and/or their families).** Documents bearing erasures or changes will not be accepted. Recruiters must thoroughly examine all source documents for any evidence of tampering or alterations. Machine reproductions or copies of an original or an issued document, made after issuance, must be notarized or officially authenticated to be acceptable. An exception to this is a reproduction of a master birth certificate on file with a state bureau of vital statistics, with or without an official seal. These certificates are acceptable. They are often received in response to a DD Form 372 (Application for Verification of Birth for Official U.S. Armed Forces Only). Documents needed to verify eligibility are identified and explained in the applicable part of chapter 3, section 2.

a. Authentication. Commissioned officers have authority to officially authenticate machine reproductions or copies of an original or issued document made after issuance. To facilitate efficiency, commanding officers of recruiting stations may delegate this authority to MEPS Liaison NCO's. In exercising this authority, MEPS Liaison NCO's will imprint and sign the following certification on each copy:

"I have personally sighted the original of the document shown. In the name of (Grade and Name of Commanding Officer) , (Commanding Officer's SSN) , on (Date) , I verify that this is an exact copy of the original and that no modifications or alterations have been made to either the original document or this copy.

(Signature)

(Name, Grade SSN (typed or printed))"

b. Distribution. Verifying documents will be distributed in accordance with table 4-3, page 4-73.

c. Reimbursement. In obtaining verifying documents, a spirit of cooperation between districts, recruiting stations, and recruiters is necessary. Recruiters are authorized to be reimbursed for legitimate out-of-pocket expenses or to be advanced imprest funds. See MCO P1100.71 for additional information and guidance.

d. Warning. Before asking for any verifying documents or filling out any forms, the recruiter will thoroughly explain to the applicants:

(1) That there are penalties for falsifying or withholding information, and

(2) That each applicant will be the subject of a background investigation (ENTNAC for NPS and NAC for PS) that is likely to uncover any concealed or falsified information. Such information may be grounds for a less than honorable discharge.

5. Initial Forms. Prior to the completion of pre-enlistment forms, the recruiter will complete:

a. Privacy Act Statements (NAVMC 11000 and the DD Form 2005).

b. Applicant Medical Pre-screening Form (DD Form 2246) (see paragraph 3271.3b).

6. Pre-Enlistment Forms. Pre-enlistment forms, identified in Table 4-1, are the next forms to be completed prior to enlistment. Although the forms are basically self-explanatory, specific completion instructions for these and other enlistment forms are in chapter 3, section 2, and parts D, E, and F.

7. General Instructions on Preparation of Enlistment Forms and Documents. At the time the recruiter sends applicants to the MEPS, they will have with them verifying documentation and initial forms which have been filled out with the recruiters assistance.

a. Accuracy and Completeness. Accuracy and completeness of enlistment forms must be regarded as a matter of utmost importance. Inaccurate or incomplete enlistment forms can cause lengthy delays and numerous problems.

b. Preparation. Unless otherwise specified, enlistment forms may be filled out by typewriter or by pen with the information printed in bold, block-style letters. Only black reproducible ink will be used.

c. Distribution. Distribution of enlistment forms will be in accordance with Table 4-3, page 4-73.

8. Special Emphasis. Recruiters may develop their own techniques for interviewing applicants, but they must guard against giving the applicant an opportunity to misunderstand or misinterpret the pre-enlistment forms. Screening is a continual process. The recruiter must conscientiously attempt to uncover any facet of an applicant's qualifications or background which might result in a fraudulent or erroneous enlistment. Direct and probing questions must be asked on every aspect of eligibility. Special emphasis must be given to:

a. Any previous processing or rejection (e.g., mental, physical, moral, etc.).

b. Any involvement with law enforcement officials, including juvenile offenses, regardless of disposition.

c. Any prior service in any component of the Armed Forces.

d. Any illegal involvement with drugs.

e. Any alcohol-related problems.

f. Any medical or psychological problems.

g. Any dependents.

- h. Any concealment of chronological age or actual level of education.
- i. Any irregularities or inconsistencies in the information or documents provided by the applicant.

9. Processing Continues.

a. Recruiters will then decide whether or not to arrange for mental testing (if the applicant is not already qualified on an "institutional" or "production" ASVAB) and/or physical examination at the MEPS.

b. Until the applicant is mental test qualified, the recruiter must decide how processing should continue. This decision is a "judgment call" by the recruiter based on past experiences and on the anticipated success of the applicant. Actions that may be taken include:

(1) Giving an enlistment processing worksheet to the applicant with instructions to provide required documentation (birth certificate, high school diploma, medical records, etc.) and to get dates, addresses, or other information needed to complete the form, or

(2) Requesting verification of birth, or

(3) Assisting the applicant to prepare a request for replacement of a social security card, or

(4) Gathering all verifying documents and preparing all forms necessary for enlistment.

4104. INFORMATION ON THE ARMED SERVICES VOCATIONAL APTITUDE BATTERY (ASVAB).

1. The ASVAB is a series of tests designed under DoD sponsorship to measure potential for training in general military occupational fields. The Marine Corps uses the ASVAB to determine mental qualifications for enlistment, and for enlistment program options and bonuses.

2. The ASVAB is under the centralized management of the MEPS in coordination with the Interservice Recruiting Committee (IRC). The IRC is composed of the local commanding officers from each of the four services and the MEPS commander. ASVAB testing schedules are coordinated by the IRC.

3. There are two major types of ASVAB testing:

a. Production Testing. Production tests are given at the MEPS and at Mobile Examination Test (MET) sites on a fixed or rotating basis. Qualifying scores from a valid "production" test may be used for enlistment up to 2 years from the test date (see MCO P1100.75 for additional details).

b. Institutional Testing. Through the Armed Services Vocational Testing Program, the services offer the ASVAB to high schools and post-secondary institutions on a voluntary, no-cost basis. The students are tested, and the results are provided to the school administrators, to the students and to Armed Forces recruiting personnel. Guidance counselors and students may find the test results helpful in exploring career alternatives. Qualifying scores from a valid institutional test may be used for enlistment for up to 2 years after the test is taken. MCO 1130.52 and the following subparagraph provide additional details on the institutional test:

(1) Promotional Activities. Because of the value of institutional testing to our recruiting efforts, commanding officers of recruiting stations have a responsibility to introduce and "sell" non-participating schools on the idea of using the ASVAB. Each year a wide variety of ASVAB promotional materials are offered to help support promotion of the program. Extensive use of publicity materials is encouraged. However, the Secretary of Defense (ASD (MRA&L)) has directed that all publicity materials on institutional testing published by the Armed Forces, including recruiting field activities, must contain the following statements:

Purpose.

The ASVAB is used by the Armed Forces for recruiting purposes and by school counselors for vocational guidance counseling. The ASVAB's ability for determining civilian job skills has not yet been proven.

Distribution of Test Scores.

Test scores are provided to the school counselor (who in turn furnishes them to the student) and to the recruiting services of the Armed Forces.

Retention of Information.

Information about individuals who have taken the ASVAB will be maintained on a computer tape for recruiting purposes for not more than 2 years. Scores are kept for a longer period of time for research purposes to assist in evaluation and updating test materials; however, personal identifying

information (name, social security number, street address, telephone number) will be removed from existing records.

Release of Test Information.

Names and other information will not be released to any agency outside of the DoD, except to the Coast Guard (which, in time of peace, is under the jurisdiction of the Department of Transportation (DOT)) and to the student's school. Information on test results will not be used for any purpose other than recruitment in the Armed Forces and high school counseling. Test data provided to school systems are disposed of in accordance with the state, local, or school policies."

(2) Voluntary Aspects. Representatives of the Armed Forces should encourage state and local school officials to use ASVAB testing within their schools. If educators require mandatory ASVAB testing of all students, this will not be discouraged, nor will the services refuse to test.

(3) Test Proctors. Recruiting station commanding officers will provide proctors in coordination with the IRC on an as-needed basis. Test administrators who are familiar with ASVAB test procedures are required to brief proctors on their responsibilities and specific duties. ASVAB test security is discussed in the following paragraph. Because test security is such a serious matter, Marines assigned as proctors must know and carry out their duties in a scrupulous manner.

4105. FAMILIARIZATION AND PREPARATION FOR ASVAB TESTING.

1. Applicants should be provided with a general familiarization of the ASVAB to ease any apprehensions about the test. There are several authorized publications that have been designed for this purpose. They are:

a. DoD ASVAB Information Pamphlet (DoD 1304.12Z).

b. MEPCOM ASVAB handouts: Your Future is Now; Time for Decision.

2. The ASVAB Specimen Set and the Counselor's Guide are publications designed to familiarize school officials with the institutional ASVAB. These publications and material extracted or reproduced from them are not to be used as familiarization tools for prospective applicants.

3. ASVAB guides, such as the ARCO Preparatory Study Guide, are commercially published. Recruiters may refer prospects or applicants to these study guides for individual study. Additionally, in some areas, ASVAB study programs are commercially sponsored. However, recruiters are prohibited from:

a. Referring prospects or applicants to any commercial ASVAB preparatory school.

b. Using commercial study guides to coach/tutor/train prospects or applicants.

4. Recruiters may help applicants familiarize themselves with the ASVAB through the use of the legitimate materials listed in paragraph 4105.1, above. It should be noted, however, that because of the Marine Corps continual need for highly qualified enlistees, recruiter time and effort in this endeavor must be very minimal. Applicants who indicate a need for more than a brief familiarization should be immediately referred to their high school counselor.

5. Security of Screening Tests.

a. Handling and Storage. District and recruiting station commanding officers will employ appropriate safeguards to prevent loss or compromise of screening test materials. Although screening these results do not qualify applicants for enlistment, compromising their validity defeats their intended purpose. At a minimum, all test materials except blank answer sheets should be stored in a locked desk or file drawer when left unattended.

b. Reproduction. District commanding officers are authorized to locally reproduce all screening test materials to allow for efficient screening and processing operations.

4106. SCHEDULING FOR MENTAL TESTING AND PHYSICAL EXAMINATION.

1. If the applicant remains tentatively qualified after the screening described in paragraph 4102 and in section 2 of chapter 3, recruiters will work with the applicant to schedule further processing. Keep in mind that for further processing, the applicant will need an SSN.

2. Mental testing is normally done at a Mobile Examination Test (MET) site or at the MEPS. In either case, MEPCOM Form 714-A (Request for Examination) must be completed by the applicant and the recruiter.

3. Based on the recruiter's personal judgment about the applicant's probable qualifications for enlistment, the recruiter

should complete pre-enlistment processing and schedule the applicant for mental testing, physical examination, and enlistment without any undue delay.

4. Applicants must understand that their trip to the MEPS is for the purpose of enlisting. Before sending an applicant's case file forward, the recruiter and the NCOIC will carefully screen all documents and forms and resolve any irregularities or contradictions. They will also ensure that all necessary documents are with the applicant at the MEPS for processing. History of residences, education, and periods of employment should be continuous, or the missing intervals should be explained. Recruiters must be cautious of applicants with lapses of memory or shadowy backgrounds. Questionable areas must be explained on the appropriate form.

5. Some of the various enlistment options and reenlistment requests require special purpose testing in addition to the ASVAB. These additional test requirements are set forth in the Marine Corps Order that applies to the particular program (see chapter 2, section 3 of this Manual for identification of recruiting orders and for a brief description of each program).

4107. **POSTSCRIPT FOR PROSPECTIVE ENLISTEES.** Prior to actual enlistment, the recruiter should acquaint each prospective enlistee with the many benefits and entitlements that come with a Marine Corps enlistment. The curriculum at recruit training provides thorough briefings on all items essential to transition from civilian life to the Marine Corps. Enlistees who successfully complete recruit training will come to know and share in the pride of being a Marine. They will begin to understand the meaning of "esprit de corps," dedication and commitment, first hand. They will be given the opportunity to continue the proud tradition and legacy of our illustrious Corps. Be sure to cover these additional topics with the applicant/enlistee:

- a. Promotions.
- b. Pay/Leave and Earnings Statements.
- c. Identification Cards.
- d. Veterans Educational Assistance Programs.
- e. Commissioning Programs (as required).
- f. Continued Education.
- g. Assignments and Overseas Duty.

NOTE 1. Other documents are required for verification of eligibility (e.g., a DD Form 214/215 for prior service and a high school diploma/transcripts for educational level). (See chapter 3, section 2).

NOTE 2. The applicant's status will determine use (e.g., if an applicant is in a Reserve component, then a DD Form 368 is required).

NOTE 3. Most forms must be prepared with the applicant, at the initiative of the recruiter or MEPS Liaison NCO. Some forms require entries by the recruiter, by the MEPS Liaison NCO, and by the MEPS.

NOTE 4. Most of these forms do not come as carbon sets and recruiters may not have easy access to a copy machine. Consequently, commanding officers of recruiting stations must establish local procedures to ensure that adequate copies are available for distribution. This function is normally carried out by the MEPS Liaison NCO, who makes the copies from the originals provided by the recruiter for distribution.

CHAPTER 4

ENLISTMENT PROCEDURES

SECTION 2: ENLISTMENT PROCESSING

4200. INTRODUCTION. This section details enlistment processing and discusses the role of the MEPS in the enlistment process. The MEPS is a joint service facility with the responsibility for examining and processing applicants for all of the Armed Forces. This is where enlistment takes place. At this juncture, applicants should bring with them the necessary verifying documents. Documents required to determine eligibility for enlistment are contained in chapter 3, section 2 and on table 4-1, Chapter 3, section 2 contains the specific instructions for the completion of those forms required to document eligibility for each criterion.

4201. GENERAL DUTIES AND RESPONSIBILITIES OF THE MARINE CORPS MEPS LIAISON NCO.

1. The Marine Corps MEPS Liaison NCO's serve as the liaison between the recruiting stations, to include their recruiting forces, and the MEPS. The MEPS Liaison NCO's are the most important element of quality enlistment processing. They manage the flow of Marine Corps applicants and enlistees through the required processing steps at the MEPS. Their primary responsibilities are:

- a. To ensure that only fully qualified applicants are enlisted, and that only fully qualified enlistees depart for active duty.
- b. To ensure that applicants have a clear and honest understanding of their enlistment contracts and guarantees, if any.
- c. To ensure that required documents and enlistment forms are accurate, complete, and properly distributed.

2. There is a section in the Guidebook for RS Operations, Volume III, entitled "How to Manage Your MEPS Operations." It provides detailed information on the duties and functions of the MEPS Liaison NCO. The following paragraphs of this section provide specific enlistment processing instructions.

4202. EXAMINATIONS AT THE MEPS.

1. Mental Examination. If an applicant has not taken the ASVAB previously, either in school or for enlistment in any branch of the Armed Forces, testing at the MEPS or a MET site will be required. The test will determine mental qualification for enlistment. If an applicant is interested in an enlistment program, the test will be a primary factor in determining eligibility for an enlistment guarantee. Because retests are not authorized without prior approval, the recruiter must know if an applicant has ever been tested for any branch of the Armed Forces. All services use the same test, therefore, previous results can be converted to Marine Corps scores. If the applicant already has qualifying scores, enlistment processing may proceed without delay.

2. Physical Examination.

a. The medical staff at the MEPS will perform a thorough physical examination. If any medical records or documents are necessary, the applicant should already have been reminded of this need and have them in hand. The applicant must disclose any previous physical examination taken for any branch of service. The recruiter can verify the results. Medical staff will perform an internal examination on female applicants.

b. Results of the medical examination will determine physical qualification for enlistment. A re-examination will also be conducted at the depots for recruit training. Information on one's medical history which is falsified or withheld prior to commencement of active duty could result in discharge under less than honorable conditions.

4. Return from the MEPS. If applicants are unable to pass either the mental or physical examination, transportation home will be provided. If applicants are mentally and physically qualified, they will be referred to the Marine Corps MEPS Liaison NCO for further screening, processing and enlistment.

4203. APPLICANT INTERVIEW BY THE MEPS LIAISON NCO.

1. To carry out those primary responsibilities identified in paragraph 4201, the MEPS Liaison NCO must interview each applicant. Commanding officers of recruiting stations will include this requirement in the MEPS Liaison NCO's letter of appointment (see "How to Manage your MEPS Operations" in Volume III, Guidebook for RS Operations, for further information and instructions on the appointment letter).

2. Ceasing the Interview. If at any time during the interview an applicant is found to be unqualified, processing will cease unless a waiver is considered to be warranted. If a waiver is considered, it will be processed in accordance with Chapter 3, Section 3 of this Manual.

3. Review of Examination Results. Normally, applicants will be mentally tested and medically examined before the MEPS Liaison NCO conducts an interview. The MEPS Liaison NCO will evaluate examination results. If the applicant meets the minimum mental and physical enlistment requirements, the MEPS Liaison NCO can prepare for the interview. If the applicant is unqualified, and interview is not necessary, and transportation can be arranged to send the applicant home. However, if the applicant is medically unqualified and if there is a basis for a waiver, then the MEPS Liaison NCO should prepare copies of the medical documents, assist in medical consultation requirements, and expedite waiver processing in accordance with local procedures.

4. Review of the Case File. The MEPS Liaison NCO must retrace the recruiter's steps. The MEPS Liaison NCO will carefully review the case file for accuracy and completeness. Any contradictions in the forms and documents must be noted for questioning during the interview. The verifying documents provided by the applicant and by the recruiter must receive close examination to ensure that they clearly support the entries on the enlistment forms, in accordance with chapter 3 of this Manual. Discrepancies within a case file will be reported to the NCOIC of the recruiting substation, with a copy sent to the operations section of the recruiting station. The MEPS Quality Control Checklist (figure 4-2, page 4-41) is used for this purpose.

5. Review of Qualifications. The qualifications for enlistment, as well as the qualifications for desired options, must be personally verified by the MEPS Liaison NCO. If the applicant is qualified, does not have an option, and if the desired option is available, the MEPS Liaison NCO will explain any details and coordinate with the recruiter to obtain the authority to grant a program allocation or a quota serial number (QSN).

a. For enlistments in the Regular Marine Corps, programs are obtained either through the Automated Recruit Management System (ARMS) or from the Marine Corps Recruit Options Center (MCROC), depending on the option desired.

b. For enlistments in the SMCR, programs are associated with QSNs which are assigned through the ARMS or obtained from the CMC (RA).

6. Enlistment Forms and Documents. The MEPS Liaison will initiate and complete all additional enlistment forms as required. Verification of parental consent and of approved waivers for moral offenses, illegal drug use, dependency, education, citizenship, medical deficiencies, prior service, etc., all require special attention.

7. MEPS Liaison NCO Interview. If the forms and documents are accurate and complete, the MEPS Liaison NCO will proceed with the actual interview, emphasizing to the applicant the need for complete honesty. Any facet of the applicant's background or qualifications which might result in a fraudulent or erroneous enlistment must be uncovered. Also, it must be determined if the applicant is concealing or distorting any information, or if the applicant has received any unauthorized help with the mental test or with a police record, etc. Each document and every entry on all enlistment forms will be reviewed with the applicant. Figure 4-2 is used to report discrepancies. MEPS Liaison NCO's must then ensure that each applicant has a complete understanding of the enlistment agreement (e.g., guarantees, terms of enlistment, grade, etc.).

a. Enlistment Program Guarantees. If an applicant is enlisting under an "open" contract, the MEPS Liaison NCO will explain that the Marine Corps will determine the MOS training and assignment upon completion of recruit training, and that there are no guarantees. If the applicant is enlisting with a guarantee, ensure that the applicant has clear understanding of exactly what the option entails, including its limitations. Use of the DD Form 4 and the appropriate Statement(s) of Understanding will be helpful, but the MEPS Liaison NCOs should not limit themselves. The applicant must be questioned to reveal any pre-conceived ideas or misunderstandings.

b. DEP or Awaiting IADT. Explain to the applicant that enlistment into the DEP or SMCR awaiting IADT represents a legal commitment to enlist at a later date in the Regular Marine Corps or to commence IADT on a specific date, provided the individual remains qualified. In turn, the Marine Corps agrees that on that specific date an opening will exist to begin active duty, and in a particular enlistment program if specified. Explain the advantages of the DEP listed in paragraph 2203.2. Ensure that applicants understand that the contract which they initial and sign is a legally and morally binding agreement between them and the United States Marine Corps.

(1) Additionally, explain that members of the DEP:

(a) Are not entitled to full-time Servicemen's Group Life Insurance (SGLI) coverage under Public Law 93-289.

(b) May accrue and become entitled to educational benefits administered by the VA once they report for active duty.

(c) Are not entitled to pay, allowances, or leave, until they report for active duty.

(d) Pay Entry Base Date (PEBD).

1 Non-prior service enlistees (K5) do not establish a pay entry base date (PEBD) until they report for active duty.

2 Prior service enlistees (KA) who still have service to fulfill their military service obligation (MSO) continue to have their Individual Ready Reserve (IRR) time credited to their PEBD.

(e) Do begin their 8-year MSO when they initially "swear" into the USMCR.

(2) Additionally, explain that members of the SMCR awaiting IADT:

(a) Are entitled to full-time Servicemen's Group Life Insurance (SGLI) coverage under Public Law 93-289.

(b) May accrue and become entitled to educational benefits administered by the VA if they have obligated themselves to a "6x2" program.

(c) Are not entitled to pay, allowances, or leave, until they report to IADT.

(d) Do not establish a PEBD until they report for initial active duty for training (IADT). Exceptions are those Category "P" reservists who perform inactive or active duty for training prior to IADT. In those cases, the PEBD will be the date they initially "swear" into the USMCR.

(e) Do begin their 8-year MSO when they initially "swear" into the USMCR.

NOTE. A discharge from the DEP invalidates all accumulated time creditable against the 8-year MSO and/or for pay purposes, as applicable.

(3) Under present statutes, members of the DEP or SMCR awaiting IADT **may** or **may not** be eligible for medical or burial benefits from the Department of the Navy. (See paragraph 4301)

c. Term of Enlistment. Explain the military service obligation and the term of enlistment.

d. Individual Ready Reserve Refresher Training. Inform all enlistees, both Regular and Reserve, that they can be involuntarily ordered to 2 weeks active duty annually while members of the Individual Ready Reserve (IRR). Any Marine who has not completed the full 8-year MSO after release from active duty or completion of service with the SMCR must maintain a full issue of uniforms.

e. Grade upon Enlistment. Explain the opportunities for appointment to a higher grade upon commencement of active duty.

f. Background Investigation. Explain that a background investigation is initiated upon application for enlistment. Fingerprints and a physical description, along with a detailed list of admitted offenses, are sent to the FBI and compared with their files. Emphasize the importance of revealing every incident of involvement with law enforcement or juvenile authorities. All incidents of illegal involvement with drugs must also be revealed. Review the warning contained in Statement of Understanding concerning illegal drug use.

8. Applicant Confirmation. The MEPS Liaison NCO's should terminate their interview by reviewing and confirming the applicant's understanding of:

- a. The term of enlistment and grade upon enlistment; and
- b. The exact nature of program guarantees, or in the case of applicants with and "open" contract, the fact that there are no guarantees of training, assignment, or enlistment bonus; and
- c. the benefits and obligations incurred while enlisted the DEP or in the SMCR awaiting IADT, if applicable; and
- d. The day scheduled to commence active duty.

10. Once the applicant's forms and documents have been reviewed and cross-checked for accuracy, continuity, and completeness, the MEPS Liaison NCO will arrange for NAQ processing.

4204. SF 86 (NAQ) PROCESSING.

1. Definition of terms.

a. Entry-level National Agency Questionnaire (ENTNAQ). A check instituted by the Defense Investigative Service (DIS) whereby FBI files, Identification Division, and other appropriate

agencies are checked for criminal information on a designated individual. This check is normally initiated for non-prior service applicants only.

b. Retention-oriented National Agency Questionnaire (NAQ). A check instituted by DIS whereby FBI files, Identification Division, Fingerprint Identification files and local agencies, as appropriated, are checked for criminal information on a designated individual. This check is normally initiated for prior service applicants.

2. A NAQ will be initiated for **all applicants**. This includes applicants who enlist into the DEP or SMCR awaiting IADT, as well as applicants who enlist directly onto active duty.

3. Recruiters prepare the NAQ related forms per the instructions in Chapter 3, Section 2, Part H. Accuracy in preparation is of paramount importance, and the MEPS Liaison NCO must carefully screen the form and the applicant for any inconsistencies or inaccuracies. When the MEPS Liaison NCO is satisfied, the applicant is then referred to the appropriate MEPS office for the ENTNAQ or NAQ interview. The NAQ interview is normally conducted near the completion of the administrative processing and prior to the group warning on fraudulent enlistments, just before the enlistment ceremony.

4. The purpose of the NAQ interview is to help determine if all information critical to qualification for enlistment has been disclosed. If additional information is disclosed during the interview, it will be provided to the MEPS Liaison NCO for resolution. For example: If an applicant disclosed during the interview, it will be provided to the MEPS Liaison NCO will direct the applicant to the MEPS medical officer. Individuals who have disclosed additional information will not be enlisted or further processed without the express consent of the commanding officer of the recruiting station or his designated representative.

5. If there are no disclosures, or if the consent of the commanding officer of the recruiting station or his designated representative has been given for any discrepancies, the MEPS will complete the processing and submit the NAQ to:

**Personnel Investigation Center
Defense Investigative Service
Post Office Box 1083
Baltimore, MD 21203**

6. If a NAQ report (DIS Form 1) returns with unfavorable

information while a member is in the DEP or awaiting IADT, the individual will either be considered for a waiver per Chapter 3, Section 3 or be discharged. All DIS Form 1 reports for applicants already on active duty will be forwarded to the appropriate recruit depot or command (prior service Marines). See Chapter 3, Section 2, Part H for guidance on rejected or incomplete NAQ's.

7. Follow-up on Unclassifiable Fingerprints. Rejected fingerprint cards returned by the FBI as unclassifiable will be re-accomplished by the MEPS and returned before the enlistee departs for recruit training. If the enlistee has already shipped, the MEPS Liaison NCO will coordinate action with the MEPS, notify the appropriate recruit depot (or command), and request that fingerprinting be re-accomplished and mailed to the FBI, Attn: Identification Division, J. Edgar Hoover Building, Washington, DC 20537-9700.

4205. ENLISTMENT INTO THE MARINE CORPS, THE DEP, OR THE SMCR.

1. After the applicant finishes the NAQ interview, the MEPS Liaison NCO will accept the applicant for enlistment. The applicant's clear understanding and agreement with all aspects of the enlistment contract should be reverified. After signing the acceptance, the MEPS official will administer of the oath of enlistment.

2. For applicants who enlist in the DEP or SMCR to await IADT, the MEPS Liaison NCO must provide complete instructions on required future actions. The need to return to the MEPS for enlistment onto active duty on a scheduled day must be emphasized. Applicants enlisting into the SMCR should also be informed that they will receive an orientation briefing by designated recruiting representatives. Details on this briefing are provided in paragraph 4213.

3. General Provisions while in the DEP. Applicants must be advised that they are not entitled to receive pay while in the DEP, nor will they participate in any Reserve training during the time they are in the program, unless a member of the Category "P" program.

4. DEP for Non-prior Service Personnel.

a. Qualified men and women will be processed per this chapter and the following instructions:

(1) Each applicant intending to enlist into the Marine Corps DEP, or SMCR awaiting IADT, will agree to an assignment to active duty for a period equal to a term of enlistment authorized

by current directives. This term, in years, will be inserted in item 8a of the DD Form 4.

(2) The commanders of the MEPS effecting the enlistment will issue orders per MCO P1100.75.

(3) Individuals subsequently reporting for enlistment onto active duty will be required to execute the remaining portion of the DD Form 4 and section V on the DD Form 1966.

b. Individuals who apply for a Reserve officer program while a member of the DEP or awaiting IADT, and are acceptable to the Officer Selection Officer (OSO), will be processed as follows:

(1) Officer program applicants recommended by the OSO prior to their enlistment to active duty, or to assignment to IADT, will be retained in the DEP or awaiting IADT status until final disposition is made by the CG MCRC on their application.

(2) Application for the appropriate Reserve Officer Program will be per MCO P1100.73, MPPM, Volume III, Officer Procurement, to include a conditional enlistment contract and new service record book. The prior service entry will reflect USMCR (K4, K5, K8, K9, KA and B5) service indicating a date of discharge 1-day prior to enlistment in the USMCR(C) Officer Candidate Program. Upon final determination by the CG, MCRC, accomplish one of the following actions:

(a) Approved Applicants for Reserve Officer Program.

1 Discharge from the USMCR (K4, K5, KA, K8, K9, OR B5) effective the day preceding the date upon which the conditional enlistment contract (that enrolled the individual in the Reserve officer program) was executed.

2 Forward enlisted records to the CMC (MMSB-20) after making the following remark in **red** pencil on the original enlistment contract:

**"SR - discharged (date) CofG to enlist in
USMCR(C) (OCC) Program."**

3 Discharge the applicant through the Military Entrance Processing Reporting System (MEPRS).

(b) Disapproved Applicants for Reserve Officer Programs.
Effect enlistment in the Marine Corps, order to active

duty, or assign to IADT per the contract executed by the individual upon enlistment in the DEP or SMCR awaiting IADT.

(3) Notify the CG MCRC of individuals whose applications for a Reserve officer program have not received final determination within 90-days of their projected active duty date for assistance in promptly resolving the application.

5. Prior Service Personnel Enlisting/Reenlisting in the Marine Corps.

a. Prior service (other service) applicants, when fully qualified for enlistment into the Marine Corps or Marine Corps Reserve, may not be enlisted into the DEP (USMCR (K5)) unless they have been discharged from their former command and served less than 180 days on active duty. However, if enlisted into the DEP, the above provisions regarding acceptance in Officer programs apply. The completion of the DD Form 4 (current edition must be executed with care to avoid errors in terms of service because these applicants will, in most cases, have completed all or a portion of their 8-year MSO. The term of enlistment, however, may be for 3, 4, 5, or 6 years per current directives.

b. Prior service Marines may not be enlisted into the DEP (USMCR (KA)). Applicants must meet the criteria of the MCO 1130.58, and if approved for reenlistment will receive written authorization and assignment instructions which may be effected at any time within 90-days of approval. If applicable, these Marines must be cautioned that delaying their reenlistment over 3 months from date of separation will cause them to lose any entitlement they may have to reenlistment bonuses.

c. For additional details on processing prior service applicants, see paragraph 3291 of this Manual.

d. Discharge of prior service (other service) enlistees from the DEP will be per paragraph 4301 of this Manual.

e. This program is not to be used for enlistment of prior service applicants (USMC and other services) into the SMCR.

6. Maximum Time in the Delayed Entry Program.

a. Recruiting station commanding officers are authorized to grant a maximum 365 day delay to all **non prior service** component and category enlistees.

b. An enlistee's DEP or awaiting IADT time begins on the day of enlistment and cannot exceed the time limits prescribed in paragraph 4205.6. Data bases or administrative forms will not be

manipulated to reflect a new date of original enlistment (DOE). The DOE remains valid unless there is: a change of component codes, an initial error in data entry, or a discharge and subsequent enlistment. A discharge erases all accumulated DEP or awaiting IADT time. If a discharged enlistee is subsequently reaccessed into the DEP; awaiting IADT time again may extend to prescribed limits.

c. Component Code Changes will not be effected in the ARMS until they are effected through MEPS (i.e., applicant is reprocessed through MEPS).

7. Extensions in the DEP. Extensions of time in the DEP or awaiting IADT beyond the prescribed 365 day limit will not normally be authorized. Only the CG, MCRC may grant such requests. DEP extensions will only be submitted in cases such as natural disasters, extreme weather conditions, temporary medical disqualifications, educational (failure to graduate) extensions, and the like. DEP extensions will be submitted via the chain of command in a policy waiver format, for a maximum of 180 days.

4206. PLACE OF ENLISTMENT. The place of enlistment is where the oath of enlistment is administered. All personnel processed through a MEPS will have the oath of enlistment administered at a MEPS.

4207. EFFECTIVE DATE OF ENLISTMENT. The effective date of enlistment or reenlistment is the commencement date of the contract. This will be the same date the oath of enlistment is administered, except in the case of certain "immediate" reenlistments.

4208. TERMS OF ENLISTMENT.

1. Regular.

a. DEP USMCR (Component Code K5). Effective 1 June 1984, enlistments into the DEP USMCR (K5) will be for an 8-year term. Prior service (other service) individuals, who have completed all or a portion of their 8-year MSO, will enlist into the DEP USMCR for a period equal to the intended term of their enlistment into the Regular Marine Corps or the remainder of their 8-year MSO, whichever is the greater.

b. Regular Enlistment.

(1) General. Enlistments into the Regular Marine Corps for non-prior service or prior service (other service or USMCR

K4, K8, K9, or B5) applicants, either directly or from the DEP, will be for terms of 3, 4, 5, or 6 years).

(2) Maximum Terms of Enlistment.

(a) No "open contract" will be for more than 4 years.

(b) Only applicants with a QEP or QEB will be enlisted for 6 years.

(c) All other applicants will be enlisted for 3, 4, or 5 years per this Manual and/or the Marine Corps Order applicable to the program from which the applicant is enlisting. See Chapter 2, Section 3 for discussion of the various enlistment incentive programs.

c. Broken or Continuous Reenlistment. Prior service Marines approved for broken or continuous reenlistment may be authorized a 2,3, or 4 year term of enlistment per instructions issued by the MCRC (see MCO 1130.58 for details).

2. Reserve.

a. Non-prior Service (NPS). All non-prior service applicants enlisting into the SMCR (USMCR K4, K8, K9, or B5) will enlist for a full 8-year term. The specific enlistment program which the applicant chooses designates the periods for SMCR duty (drill participation) and IRR service.

b. Prior Service. All prior service enlistments into the SMCR are processed by the Reserve recruiting force per the instructions of MCO P1040R.35. Questions about this category should be referred to the local Marine Corps Reserve Prior Service recruiter or the Marine Corps Reserve Support Command.

c. Component Code Changes will not be effected into the ARMS until they are effected through MEPS (i.e. applicant is reprocessed through MEPS).

4209. STATEMENT OF UNDERSTANDING (SOU).

1. Enlistment program documents become a part of the enlistment contract. As such, great care must be taken when assigning a program to an applicant and in the completion of the documents and ARMS entry. In the interest of avoiding costly defective enlistments, Marines involved in the contractual process must be extremely careful in completing the documents and will refrain from making inferences that could be misconduct or perceived as assurances, promises, or guarantees which are not specifically written in the enlistment package.

2. Accordingly, each applicant enlisting for a enlistment program will complete an SOU. An example of the SOU is provided in the specific order. Local reproduction of the SOU is authorized. Local changes of the SOU, however, are prohibited.

a. The applicant will complete the SOU in his or her own handwriting, **prior to** enlisting in the Delayed Entry Program. Erasures and/or cross outs are not permitted and render the SOU void.

b. The completed SOU (along with any required appendices) will be marked "Annex B" and attached to the Enlistment or Reenlistment Document (DD Form 4) as required by MCO 1130.53.

3. The completed SOU will be distributed in accordance with the instructions contained in MCO 1130.53. **Further, a copy of the completed SOU will be given to each applicant the day they enlist into the DEP and every time the applicant changes his/hers enlistment option program, or fills out a new SOU.**

a. An appropriate statement on the DD Form 1966, Section VI, will reflect the reason for the program change.

4210. GRADE UPON ENLISTMENT INTO THE MARINE CORPS OR SELECTED MARINE CORPS RESERVE.

1. All enlistments into the Marine Corps or SMCR will be in the grade of private unless otherwise authorized by the MCRC or as specified in table 4-2, on page 4-43.

2. All broken and continuous reenlistments into the Marine Corps will be in the grade specified by MCO 1130.58, unless otherwise authorized by the MCRC.

3. Prior service personnel (Marine Corps or other service) for enlistment or reenlistment in the SMCR will be appointed as specified by the CMC (MMEA). MCO P1040R.35 contains specific details.

4211. OATH OF ENLISTMENT.

1. All Regular Marine Corps or SMCR enlistments and Regular Marine Corps reenlistments (broken or continuous) must be authorized by either the commanding generals of the eastern or western recruiting regions, the district commanding officers, recruiting station commanding officers or their authorized representatives, unless otherwise directed by the CG MCRC.

2. Normally, commissioned officers assigned to the MEPS will administer the oath of enlistment while wearing the prescribed

service uniform. However, recruiting officers are authorized to administer the oaths necessary in the performance of their duties. Provisions of 10 U.S.C. 502 require that the oath of enlistment be administered by a commissioned officer; no exceptions to this statutory requirement can be granted. Any commissioned officer of any Regular or Reserve component of any U.S. Armed Forces (Army, Navy, Air Force, Marine Corps, or Coast Guard), whether or not on active duty, may administer the Oath of Enlistment (10 U.S.C. 1031). "Commissioned officer" includes "commissioned" warrant officers. The phrase "whether or not on active duty" includes retired Regular or Reserve commissioned officers and Reserve commissioned officers not on active duty. The Reserve components of the Armed Forces are the Marine Corps Reserve, Army National Guard of the U.S., Army Reserve, Navy Reserve, Air National Guard of the U.S., Air Force Reserve, and Coast Guard Reserve.

3. Before giving the oath of enlistment to applicants, enlisting officers will:

a. Explain the provisions of the UCMJ, Article 83, emphasizing the UCMJ's significance in respect to truthful answers to questions on their enlistment forms.

b. Tell the applicants that anything in their record that may prohibit enlistment must be disclosed before the oath is administered. Explain that if disclosure is made at this time (before the oath of enlistment), the worst that can happen will be their initial rejection for enlistment and that a waiver may be submitted. Also explain to the applicants that their failure to disclose any criminal or drug involvement or unacceptable moral behavior, etc., may result in punitive action and possible discharge from the Marine Corps.

c. Warn the applicants that fingerprints will be forwarded to the DIS. Warn the applicants that even though a person may conceal a criminal or juvenile record or prior service at the time of enlistment, such a record will be discovered later, and that the applicant, now Marine, will be subject to trial by court-martial for fraudulent enlistment and to possible discharge under less than honorable conditions.

4. The oath of enlistment in the DD Form 4 will be administered orally, in English, to each applicant by a commissioned officer of any of the Armed Forces. Make suitable arrangements to ensure that the oath is administered in a dignified manner and in proper surroundings. The flag of the United States, and the Marine Corps standard when available, will be displayed prominently near the officer administering the oath of enlistment.

5. Immediately after the oath of enlistment, the enlisting officer will:
 - a. Explain the substance of Articles 85 and 86 of the UCMJ.
 - b. Require each enlistee to sign the DD Form 4.
 - c. Provide each enlistee with a legible copy of the enlistment forms as prescribed in table 4-3 on page 4-73.

4212. MEPS QUALITY CONTROL.

1. Use of the MEPS Quality Control Checklist by the MEPS Liaison NCO is required. This checklist can be used as a quality control tool and has multiple purposes:
 - a. To return unacceptable case files.
 - b. To report case file discrepancies.
 - c. To notify recruiters that additional documents and/or forms are required.
 - d. To provide comments on an applicant's case preparation for MEPS processing and enlistment.
 - e. To report on the disposition of applicants (e.g., medical consult hold, etc.).
 - f. To alert the recruiting station command group of possible training deficiencies.
2. Figure 4-2 on page 4-41 is an example of the MEPS Quality Control Checklist. MEPS Liaison NCO's will prepare an original and two copies. The original is sent to the recruiting station operations officer. The first copy is sent to the NCOIC of the respective substation, and the remaining copy is a file copy. If follow-up action is required, the MEPS Liaison NCO will place the file copy with the case file pending the recruiter's response and assign a 2-week suspense date. If there has been no response within this period, the MEPS Liaison NCO will notify the Operations Officer for appropriate action.

4213. ORIENTATION BRIEF FOR NON-PRIOR SERVICE RESERVISTS.

1. An orientation brief affords designated SMCR Unit/I-I representatives the opportunity to fulfill a fundamental leadership responsibility that of welcoming and getting acquainted with new unit members. The new Marine becomes familiar with his/her unit as well as post-IADT duties and

training highlights. More than a mere exchange of information, the interview/orientation brief conveys a sense of belonging and being part of a team. The enthusiasm and interest communicated by the designated SMCR Unit/I-I representative should motivate and strengthen the new reservist's commitment to the unit and to the Marine Corps. Questions by the new reservist should be encouraged and answered in a forthright positive manner.

2. The orientation brief is not a screening process to determine eligibility for enlistment, which is the responsibility of the recruiting station.

3. Each member is assigned a mentor as part of CMC's unit cohesion program. The mentor will stay in contact with the member through recruit training, MCT, and MOS school. Once the member returns to the unit the mentor will assist with checking in.

4. Recruiting station commanders and SMCR unit CO's/I-I's must work together to establish mutually agreeable and efficient procedures for accomplishing the orientation briefs within 30 days after enlistment.

There is one exception: Category P SMCR enlistees will be promoted to PFC with an effective date of rank of the second day of the month following the date of the enlistment of the second referral (see Note 4 below). Even though in a pay status, these enlistees are not authorized to wear the grade insignia until completion of recruit training.

CHAPTER 4

ENLISTMENT PROCEDURES

SECTION 3: POST-ENLISTMENT PROCESSING

4300. MAINTENANCE AND DISPOSITION OF ENLISTMENT CASE FILES.

1. Pending Case Files. Enlistment case files on applicants who were processed and enlisted in the DEP and case files returned by SMCR units on enlistees awaiting IADT will be filed by projected active duty date.

2. Completed Case Files. Recruiting stations will maintain a copy of the enlistment processing record for each enlistee. These case files will be commonly referred to as "residual records." They will be maintained in alphabetical order with separate files for each calendar year. Within each year, the records of those who fail to complete recruit training should be filed separately after the recruiter of record has reviewed the case. Residual records will be kept on file for the term of initial enlistment and then destroyed.

3. Case Files on Applicants/Enlistees Who Do Not Commence Active Duty. In each of the following cases, the original examination records (the SF 88, SF 93, and the DD Form 1304.12K) should be returned to the MEPS after it has been determined that the individual will not commence active duty. Additionally, the following instructions apply:

a. Disqualified Applicants. The enlistment case files of applicants processed and disqualified with no waiver action contemplated will be returned to the recruiter. **All personal documents will be returned to these applicants.** The recruiters will destroy the files as they see fit.

b. Qualified Applicants Who Do Not Enlist. Same as subparagraph 4300.3a, above.

c. Enlistees Discharged From the DEP or From the SMCR Awaiting Initial Active Duty for Training. These individuals will be separated per the instructions in paragraph 4301. The original of the DD Form 4 and of the annotated DD Form 1966 (section VI) showing the date, character, and reason for discharge will be forwarded to the CMC (MMSB-20). **All personal documents will be returned to the individual.** Excluding examination records, remaining material will be kept on file at the recruiting station for 2 years and then destroyed.

4301. DISCHARGES.

1. Special Procedures in the Event of Serious Illness, Injury, or Sudden Death of Applicants or Members of the DEP (K5 OR KA) or SMCR (K4, K8, K9, or B5) Awaiting IADT.

a. General. Government benefits **may** be available to applicants or members of the DEP or SMCR in the event of serious illness, injury, or sudden death while in the DEP, en route to or from a military facility, or while awaiting IADT. No assurance can or should be given by any recruiting personnel that benefits are owed to an applicant or member or to their survivors. Authority to determine entitlements rests with other agencies.

b. Benefits Administered Through the Marine Corps.

(1) Section 1475(a)(5), Title 10, U.S. Code, provides that the Secretary of the Navy shall pay a death gratuity (minimum of \$800) to the survivor of a person who dies while traveling to or from or while at a place for final acceptance or for entry upon active duty (other than for training) in an Armed Force, who has been ordered or directed to go to the place, and who:

(a) Has been provisionally accepted for that duty, or

(b) Has been selected under the Military Selective Service Act for service in that Armed Force. Applicants are covered by this statute. Entitlement to the death gratuity is determined per MCO P3040.4.

(2) BUMED Instruction 6320.3 series provides that applicants for enlistment who suffer acute illness and injuries while awaiting or undergoing enlistment processing at a MEPS or at other military facilities may be given emergency medical care, including emergency hospitalization, at government expense. Claims are processed per BUMED Instruction 6320.1 series.

(3) SMCR members (Category L and P) awaiting IADT may be eligible for Servicemen's Group Life Insurance (SGLI) benefits even though they have not paid premiums, completed an SGLI form, or served on active duty. Final determination is made by the office of SGLI. Report deaths of SMCR members awaiting IADT to the CMC (MHP-10) per MCO P3040.4.

c. Benefits Administered by the Veterans Administration. Title 38, U.S. Code is the foundation for benefits due veterans of military service. These benefits, administered by the VA, provide that any person who:

(1) Has applied for enlistment in the active military service and has been provisionally accepted and directed or ordered to report to a place for final acceptance into such service; or

(2) Has been drafted for service in the Armed Forces and has reported pursuant to selective service notification; and

(3) Has suffered an injury or contracted a disease in the line of duty while en route to or from or while at a place for final acceptance or entry upon active duty, will (for the purpose of chapters 11, 13, 19, 21, 31, and 39 of Title 38, U.S. Code, and for purposes of determining service connection of a disability under chapter 17), be considered to have been on active duty and to have incurred such disability in the active military service. Application for determination of entitlement to veterans' benefits may be made to any VA assistance or regional office.

d. Benefits Administered by the Social Security Administration. Application for determination of benefits available to survivors of deceased applicants or registrants from the Social Security Administration should be made to the nearest social security office.

2. Disqualified Enlistees.

a. Before members of the DEP or SMCR awaiting IADT commence active duty training, they must meet accession qualifications.

b. When an enlistee is found to be disqualified because of mental, moral, physical, or any other factor, discharge action may be necessary. Upon discovery, the commanding officer of the recruiting station must take one of the following courses of action, as appropriate:

(1) If the individual is in the DEP or awaiting IADT, either:

(a) Process for discharge as soon as possible, but not later than the 10th day of the next month, or

(b) If the disqualification is temporary in nature, or if a waiver is deemed appropriate, retain the enlistee in the DEP or SMCR awaiting **IADT, BUT NOT LONGER THAN THE 10TH DAY OF THE NEXT MONTH.** However, an enlistee will not be considered for a waiver if retention in the Marine Corps is an alternative to criminal proceedings. **Applicants arrested and convicted of**

serious/felony offenses, and placed on restraint/probation will be discharged no later than the 10th day of the following month.

(2) If an individual has already been enlisted onto active duty (sworn into the Regular Marine Corps), but has not executed the orders to recruit training or to the assigned command:

(a) Cancel the travel orders, and

(b) Inform the individual of the erroneous, fraudulent, or void enlistment, and order the individual home awaiting disposition, and

(c) **Within 24 hours**, send a message to the CG, MCRC (ENL OPS), with an information copy to the Marine Corps district. Include the individual's grade, name, social security number, a brief description of the erroneous, fraudulent, or voiding conditions, and request authority for immediate discharge.

(3) If the individual has already executed orders to active duty, notify the gaining command of the erroneous, fraudulent, or voiding conditions within 24 hours of discovery. Include the individual's grade, name, social security number, along with a brief description of the circumstances. Send information copies to the CG, MCRC (ENL OPS) and to the appropriate Marine Corps district and region.

c. When an individual is qualified, properly enlisted, and sworn in, but refuses to execute the order to recruit training or to the assigned command, the recruiting station commander will immediately notify the gaining command of the same. The gaining command will join the enlistee by service record only and make an appropriate unit diary entry reflecting "unauthorized absence."

3. Other Situations Involving Members of the DEP and SMCR Awaiting IADT Where Discharge is Appropriate.

a. Hardships. Enlistees who have bona fide hardships may be discharged when it is determined that:

(1) Undue and genuine hardships exists, and

(2) The hardship is not temporary, and

(3) Conditions have arisen or have been aggravated to an excessive degree since enlistment, and

(4) The individual has made every reasonable effort to remedy the situation, and

(5) Separation will eliminate or materially alleviate the conditions, and there are not other means readily available.

b. Education. Any enlistee who has registered and been accepted to any educational institution (e.g., secondary school, community college, university, or approved vocational school), will be discharged upon presentation of a letter of acceptance form the school's registrar. Before members are discharged, they will be informed of the Incremental IADT Program contained in the current edition of MCO 1001R.54 and of the educational benefits associated with the program. They will also be told of the College Enlistment Program (CEP) and its advantages (MCO 1130.60). All individuals who are not enlisted for or interested in these programs and who are discharged to continue their education on a college level, will be referred to the appropriate OSO for possible future recruitment.

c. Acceptance to a Commissioning Program. Any member accepted to a commissioning program will be discharged in accordance with paragraph 4301.4 of this Manual.

d. Desire for Release or Intent Not to Report. Cases will arise in which members express a desire to be released from their enlistment contract. This may have been expressed through letters to a congressional representative via chain of command. Their intention is to not report to the MEPS for enlistment in the Marine Corps, or to not execute their IADT orders. Whenever commanding officers of recruiting stations are confronted with the above situation, the following action will be taken:

(1) The individual will be interviewed and counseled about fulfilling the contract. Individuals will be reminded that their enlistment contract is legally and morally binding.

(2) If the interview and counseling session fails, and the individual insists on being released from the enlistment, the individual will be discharged.

(3) Letters advising individuals of their discharge from the DEP should not chastise or degrade the individual. Rather, we should offer our best wishes for success in their future endeavors so as to maintain a cordial relationship.

4. Procedures for Discharge of Members of the DEP and SMCR Prior to IADT.

a. District commanding officers may effect discharges for members of the DEP and members of the SMCR awaiting IADT under the provisions contained in the current edition of MCO P1900.16. At their discretion, they may authorize recruiting station

commanding officers to effect the requested discharges. Entry-level status begins upon enlisting in any Reserve component and terminates 180 days after the beginning of entry-level active duty training. Therefore, these discharges will be categorized as "uncharacterized entry-level separations." Under normal circumstances, these discharges do not require a discharge certificate (DD Form 256). The letter format in figure 4-3, page 4-67, will be the only correspondence used to effect an "uncharacterized entry-level separation."

b. When appropriate, commanding officers of recruiting stations will request discharge for these enlistees. The request will be in writing, and will give the specific reason that necessitates the discharge. Figure 4-4, page 4-69, is a sample of a district commanding officer's response to such a request.

c. When discharges are directed, commanding officers of recruiting stations are responsible for taking the following actions:

(1) Promptly cancel enlistment programs through ARMS, if appropriate.

(2) Notify the appropriate MEPS commander to facilitate required administrative action and cancellation of any orders issued.

(3) Effect discharges as soon as possible, but not later than the 10th day of the next month, following discovery of the conditions which necessitated the discharges.

(4) Effect discharges for the convenience of the government (entry-level separation), in accordance with the district commanding officer's letter and MCO P1900.16.

(5) Forward original copies of the DD Form 4 and the DD Form 1966 to the CMC (MMSB-20). Annotate the DD Form 1966 to show date, characterization, and reason for discharge.

(6) Report these actions in the ARMS in accordance with the ARMS-RS Users Manual.

(7) Dispose of the case files in accordance with paragraph 4300.3 of this Manual.

(8) For reservists, notify the commanding officer of the SMCR unit of the date of discharge appearing on the discharge letters.

(9) Notify the MEPS commander by completing and submitting a page 1 ADP of the DD Form 1966 in accordance with the following instructions:

(a) Section	Item
I	1 (SSN) Self-explanatory
	2 (NAME) Self-explanatory

ALL OTHER ITEMS WILL BE LEFT BLANK

(b) Write across the face of the form **"Discharged on**

(c) Enter the date as shown on the discharge letter in a 6-digit, numeric, "year month day" format (i.e., 04 July 1998 will read "980704"). For the reason, enter one of the following codes:

4302. ASSIGNMENT AND TRANSFER OF PERSONNEL TO ACTIVE DUTY.

1. Discharge from the DEP and Enlistment onto Active Duty. The following steps must be taken:

a. At Least 48 Hours before Return to Commence Active Duty. The MEPS Liaison NCO must review the case files of members of the DEP or SMCR awaiting IADT for accuracy and completeness. During this review, the MEPS Liaison NCO will ensure that forms have been changed or redone, as appropriate. Any changes to case files should be accomplished as they occur. Caution all applicants to tell recruiting personnel, the MEPS Liaison NCO, or MEPS medical personnel, about any changes to their physical condition as soon as they occur. They must not wait until the last minute. Early notice will give time to gather medical documents for a medical waiver, if necessary. Late notice could cause a delay in enlistment, and result in loss of program guarantee.

b. Active Duty Date. When the individual returns for active duty, the MEPS Liaison NCO determines if there has been any change in qualifications (e.g., educational, moral, medical, drug-use, etc.). Changes in status that require a waiver will be noted and proper action taken.

(1) Inspection Physical. Applicants will be subject to an inspection physical before they commence active duty. At this time, they are obligated to make known the full details of any accidents, injuries, or illnesses that they have had since the initial examination. The MEPS Liaison NCO will review the results of the physical examination, with special attention given to the reverification of height and weight and the date of the physical. Weight will be checked, and if they have gained or lost to the point of exceeding the established limits for their age and height, they will not be allowed to begin active duty. This information is especially important to those whose current weight is already near the minimum or maximum authorized.

NOTE: Broken/continuous reenlistments must meet retention standards with regard to height and weight.

(2) Forms and documents. The MEPS Liaison NCO will again review all enlistment documents and forms with the

applicant for accuracy and completeness. Any changes in their status will be discussed and must be properly documented. At this time, enlistees must reveal any potentially disqualifying factor(s) that has occurred since initial processing (e.g., an offenses, arrests, fines, violations, or tickets; any illegal involvement with drugs, including marijuana; any marriages or divorces; any additional dependents or any other information that might in any way change their qualifications for enlistment; etc.). Special attention will be given to the social security card and to the document that verifies education. If the enlistee entered the DEP or SMCR awaiting IADT as a high school senior, a high school diploma or other form of documentation must be presented to the MEPS Liaison NCO for verification of education status. If enlistees are doubtful or unsure about anything, they should bring it to the MEPS Liaison NCO's attention.

c. After the case file review is finished and any required changes and corrections have been made, the MEPS Liaison NCO reviews the terms of the agreement so that the enlistee has a complete understanding of all factors associated with the contract, including guarantees or absence of guarantees, to include:

- (1) Term of enlistment, and
- (2) Grade upon commencement of active duty, and
- (3) Exact details of any guaranteed program.

d. Applicants/enlistees must be specifically informed of the following:

(1) That only the guarantees listed on the enlistment forms, initialed and signed by the applicants/enlistees as proof of their acceptance and agreement, will be honored by the Marine Corps.

(2) That the recruiter and all other personnel who participate in the enlistment processing are expressly prohibited from making any oral or written promises which do not appear on the enlistment contract and agreement.

(3) That, as in any other legal transaction, neither the Marine Corps nor the individual is bound by terms not specifically contained in writing.

(4) That they should read all documents before initialing or signing them, and that they must understand what they are initialing or signing.

e. Finally, if the responsibilities set forth in paragraph 4201 have been met, the MEPS Liaison NCO will then accept the DEP enlistee into the Regular Marine Corps or present the reservist with orders for IADT. At this point, the MEPS Liaison NCO will send DEP enlistees to an officer at the MEPS who will administer the oath of enlistment into the Regular Marine Corps. The oath releases DEP "poolees" from their DEP contract and commits them to serve on active duty for the term specified. Enlistees for the Marine Corps Reserve do not re-take the oath of enlistment because they are already members of the Reserve.

2. Transfer of Personnel. The commanding officers of recruiting stations will direct the transfer of personnel upon enlistment or reenlistment in the Marine Corps, or upon assignment to IADT in the case of reservists, per the following instructions:

a. Following the swearing-in ceremony, individuals who require recruit training will be transferred to the recruit depot indicated below, unless otherwise modified by the CG MCRC:

(1) To the Commanding General, Marine Corps Recruit Depot/Eastern Recruiting Region, Parris Island, South Carolina:

(a) All personnel enlisted by the following activities:

1st Marine Corps District
4th Marine Corps District
6th Marine Corps District

(b) All female enlistees, regardless of activity.

(2) To the Commanding General, Marine Corps Recruit Depot/Western Recruiting Region, San Diego, California, all male personnel enlisted by the following activities:

8th Marine Corps District
9th Marine Corps District
12th Marine Corps District

NOTE: There is one exception. Personnel entering a first enlistment in either the Regular or Reserve component who are sons of former Marines, or of active duty Marines, will, upon request, be assigned to recruit training at the recruit depot from which their parent received recruit training. Such assignments will be made without regard to the place of enlistment, but must be coordinated with the recruiting staffs at both depots.

b. Authority granting exception to the policy in paragraph 4302.2a will be cited in section VI of the DD Form 1966.

c. Personnel with prior service will be assigned and transferred per MCO 1130.58 and any special instructions provided by the CG, MCRC.

3. Special Procedures for Courtesy Shipments. Courtesy shipments may be authorized by commanding officers of recruiting stations when it is in the best interest of the Marine Corps or when it is necessary to prevent a severe personal hardship to the applicant or the applicant's family.

a. The following exceptions apply:

(1) Courtesy shipments of individuals who enlist or reenlist in the grade of corporal or above requires the approval of the CG MCRC.

(2) Courtesy shipments from overseas are not authorized except as permitted by MCO 1130.61.

b. To effect a courtesy shipment, the following steps must be taken by the "enlisting" recruiting station:

(1) Coordinate with the "shipping" recruiting station that will effect the enlistment.

(2) Modify the individual's active duty orders to direct the member to report to the commanding officer of the recruiting station that will ship the enlistee.

**"(Date): Tr to SplVolRes (New RS & MCC of New RS) by
reason of change of residence. New Home Address:**

(3) At least 15 days before the scheduled active duty date, forward a letter with the complete case file enclosed to the "shipping" recruiting station. See figure 4-5 for a sample letter.

(4) In addition to the above, at least 15 days prior to the scheduled active duty date, ensure that the MEPS Liaison NCO coordinates the courtesy shipment between the contracting MEPS and the shipping MEPS.

(5) The "enlisting" recruiting station may make and retain a reproduced copy of the case file, but all documents and enlistment forms that are required for commencement of active duty must be provided. For SMCR members, include orders to IADT.

(6) In the event a member of SMCR awaiting IADT moves to a new location and requires an intermittent transfer, appropriate action will be taken per chapter 2 of MCO P100R.1. The commanding officer of the recruiting station will coordinate with the respective Reserve unit commander to ensure that the member reports for IADT as ordered.

(7) Regional commanders should be notified of all courtesy shipments requested by their region well in advance to coordinate with the receiving recruit depot.

c. On the shipping date, the "shipping" recruiting station will:

(1) As soon as possible, notify the "enlisting" recruiting station after the shipment occurs, and

(2) Return the residual record.

d. The "enlisting" recruiting station attains the shipping credit, and this attainment will be reported as such in ARMS.

e. MEPS Liaison NCOs and recruiters must ensure that members of the DEP and the SMCR awaiting IADT understand that they must return to the same MEPS for active duty processing unless a courtesy shipment is authorized.

4. Dress Code for Recruits Enroute to Marine Corps Recruit Depot.

a. Male. Dress appropriate casual attire such as jeans/slacks, shirt, and/or sweater-jacket (during winter months). Footwear should consist of running shoes or tennis shoes. All facial hair will be removed prior to arrival at recruit training.

b. Females. A dress, skirt and blouse, or jeans/slacks, is considered appropriate attire. High heels are not appropriate footwear. Luggage should consist of not more than one suitcase.

c. The following garments are considered inappropriate:

(1) T-shirts/Tanktops

(2) Running Suits

- (3) Shorts
- (4) Evening Dress
- (5) Sandals
- (6) High Heels

NOTE: Within the first 2 days after arrival, uniforms will be issued and civilian clothes will be secured in luggage and stored for duration of training.

5. Conduct of Recruits En Route to Marine Corps Recruit Depots. Recruiters will caution all recruits traveling by public conveyance, either singly or in groups, to conduct themselves appropriately while en route. As Marines now active duty, they are subject to the UCMJ. It should be impressed upon them that conduct which brings discredit upon the Marine Corps, or violates Marine Corps regulations, could subject them to trial by court-martial. Recruits shall also be informed that conductors of trains, drivers of buses, and captains of airplanes are responsible to their employers for the safety and comfort of all their passengers and the condition of the equipment in their charge. As such, public carrier representatives have the authority to take such steps as are necessary and legal to restrain disorderly persons traveling on these carriers.

6. Supervisory Personnel to Accompany Recruits Traveling to Recruit Training.

a. The following supervisory personnel will accompany recruit movements from the recruiting station to the recruit depot:

(1) For movements of 50 or less recruits, the most senior Marine available or a designated recruit will be placed in charge.

(2) For movements of between 51 and 100 recruits, one staff noncommissioned officers will be placed in charge.

(3) For movements of more than 100 recruits, two noncommissioned officers will be placed in charge.

b. Supervisory personal specified above will travel in temporary additional duty (TAD) status. The TAD expenditure will be chargeable to recruiting funds allocated to the commanding officer of the respective Marine Corps district.

c. Supervisory personnel accompanying recruit movements will be furnished by the recruiting station at the point of origin, except when such action would cause the station to fall below a 75 percent effective strength. In such a case, the recruiting station will request the necessary personnel from its parent district no less than 5 days prior to the expected date of movement.

4303. TRAVEL ORDERS.

1. Enlistments into the Regular Marine Corps with Recruit Training Required (RTR).

a. Travel orders will be prepared by the MEPS per MCO P1100.75. Commanding officers of recruiting stations are responsible for providing the MEPS with the information needed to prepare the orders. This includes all appropriation data.

MCO P1100.71 (MPPM ADM) provides instructions for appropriation data and information on travel costs of applicants and newly accepted members.

b. Personnel ordered to recruit training will travel by government-sponsored transportation. Travel by privately-owned conveyance will not be authorized.

c. Applicants traveling to recruit training must have photo identification on their person.

2. Enlistments or Reenlistments into the Regular Marine Corps with Recruit Training Not Required (RTNR).

a. Travel orders will be prepared by the commanding officer of the recruiting stations per MCO P1000.6 (ACTS Manual). Proceed time is not authorized. Chapter 2 of MCO P1100.71 (MPPM ADM) provides appropriation data and information on travel costs of active duty and newly accepted members. These personnel may be referred to the MEPS for transportation when they elect government transportation.

b. In certain cases, special entries are required in travel orders.

(1) Advance Pay. Prior Service Marines and Prior Service Enlistment Incentive Program (PSEIP) enlistees may avail themselves of advance pay subsequent to their enlistment or reenlistment in the Regular Marine Corps. However, commanding officers of recruiting stations must first approve the payments of 1-month's pay to lance corporals and below, or payments of 2-or 3-month's pay to staff sergeants, sergeants, or corporals. If

approval is given, it must be encompassed in the travel orders and cite table 4-1-1 in the DODFMR, Vol 7, Part A. To request advance pay for subject prior service and PS(OS)EIP Marines:

(a) Send a message to the Defense Finance and Accounting Center-Kansas City Center with passing instructions to the Activity Pay Branch (DFAS-KANSAS CITY CENTER KANSAS CITY MO//FJJA//), or a letter to Defense Finance and Accounting Service (Code FJJA), 1500 E. 95th St., Kansas City, MO 64197-0001 with the following information:

1 Marine's name, grade, and SSN

2 Marine's first duty station

3 Date of departure to first duty station

4 Mailing address for paycheck, or preferably a direct deposit a direct deposit address (FEDLINE) for direct payment

5 Number of months advance pay desired (normally 1, but a maximum of 3)

6 Marine's Pay Entry Base Date (PEBD) and End of Active Service (EAS)

7 Repayment schedule (normally open to 6 months but may be up to 12 months with the commanding officer's approval).

(b) To assist processing, accompany the request with a copy of orders, if available.

(c) Allow 10 days for receipt and processing of the request by FDD, as well as mailing if payment is by check.

(d) Do not approach another service's disbursing office to make the payment. Advance pay must be processed and paid by FDD. Failure to follow this requirement will result in the Marine having an out-of-balance master military pay account (MMPA).

(e) Do not forward undeliverable checks. They must be returned to the address contained in paragraph 4303.2b(1)(a) above. FDD will adjust the departed Marine's MMPA upon return of the check.

(f) FJJA will establish MMPAs within their centralized database when in receipt of a request for advance

pay. MMPAs will reflect the advance pay disbursements. FDD will no longer prepare and provide Marines a "hard copy" pay record.

(2) Advance Travel.

(a) The Joint Federal Travel Regulations (JFTR) identify military members entitled to transportation of dependents and household goods at government expense. In addition to prior service Marines, PSEIP enlistees may also be eligible. By virtue of their appointed grade of staff sergeant, new accessions for "the United States Marine Band only" also rate dependents' travel and movement of household goods. If a member is so entitled, the following will be included in the travel orders:

1 Pay entry base date, and

2 Home of record.

(b) For prior service Marines who are still serving their 8-year military service obligation, mail a copy of the travel orders, along with DD Form 368, to the Commanding General, Marine Corps Reserve Support Command (MCRSC), 15303 Andrews Rd. Kansas City, MO 64147

(c) In order to obtain a travel advance, the original and two copies of the orders must be mailed to the Active Duty Pay Branch (FJJA), Defense Finance and Accounting Service (DFAS), 1500 E. 95th St., Kansas City, MO 64197-0001. Original orders must be endorsed with a check mailing address or direct deposit address (FEDLINE). Allow 20 days for processing by FJJA and the mailing time.

(d) If available, local Marine Corps finance offices may be used for payment of advance travel. However, another service's finance office should not be used to pay advance travel to Marines. Prior arrangements should be made. FJJA need not be involved if travel advance will be paid locally.

3. Enlistment Into the Selected Marine Corps Reserve. Travel orders for Reservists are the responsibility of the MEPS. The recruiting station commanding officer retains the requirement to ensure that each reservist has a bona fide QSN and is fully qualified for their intended MOS. Waivers must be obtained from the appropriate authority before orders will be issued by the MEPS.

4304. QUALITY CONTROL AND DISTRIBUTION OF ENLISTMENT FORMS AND DOCUMENTS.

As listed in paragraph 4201, one of the MEPS Liaison NCO's primary responsibilities is to ensure that required enlistment forms and documents are accurate and complete. The MEPS Liaison NCO must ensure that the MEPS checklist of those documents is forwarded to the CMC(MMSB-20) and to the gaining command per current Marine Corps requirements.

1. Quality Control. If there are forms or documents missing, or if entries are missing or erroneous, corrective action should be taken before the enlistee departs. Errors or omissions discovered after the enlistee has executed orders to active duty must be reported to the receiving command within 24 hours of discovery. Send information copies to the Marine Corps district, to the CG MCRC and to the SMCR unit, if the enlistee is a reservist. See paragraph 4301.2 for instructions on processing erroneous or fraudulent enlistments.

2. Distribution of Records. The MEPS will distribute records for enlistees and reenlistees into the Regular Marine Corps and for members of the SMCR upon commencement of IADT. (Case files for DEP enlistees and SMCR members awaiting IADT will remain intact and with the MEPS Liaison NCO). Basically, there is a requirement for four separate and distinct packages that, when assembled and distributed become the enlistment records. Table 4-3, page 4-73, provides detailed instructions.

4305. RECRUIT TRAINING.

1. Overview. Recruiters must fully apprise enlistees of the nature of military life as Marines, first in recruit training, and then at subsequent assignments. NOTE 1. Most of these forms do not come as carbon sets, and recruiters may not have easy access to a copy machine. Consequently, commanding officers of recruiting stations must establish local procedures to ensure that adequate copies are available for distribution. This function is normally carried out by the MEPS Liaison NCO, who makes copies from the originals provided by the recruiter.

NOTE 2. For SMCR enlistments, commanding officers of recruiting stations will ensure that the Reserve unit receives the information and documentation necessary to join the new Marine on the unit diary. On behalf of the Commanding Officer, the MEPS Liaison NCO will take the following actions at the time of each enlistment:

a. For reservists enlisting onto an awaiting IADT status, forward a reproduced copy of all documents to the SMCR unit. Retain the original package of documents until the reservist enlists to commence IADT. See below.

b. For reservists commencing IADT, provide a reproduced copy of all documents to the SMCR unit on, or within a few days of, the date of enlistment.

NOTE 3. When both male and female enlistees are traveling to Marine Corps Recruit Depot, Parris Island, their enlistment records will be assembled and packaged separately.

NOTE 4. Records will be assembled in this sequence, top to bottom.

TABLE 4-3

DISTRIBUTION OF RECORDS.--CONTINUED

NOTE 9. In a situation where the MEPS qualifies an applicant for enlistment using file copies of documents from a previous MEPS physical examination, certified copies of those documents may be forwarded to the CMC (MMSB-20) in place of the original medical documents.

NOTE 10. Rejected fingerprint cards returned by the FBI as unclassifiable will be re-accomplished by the MEPS and returned before the enlistee departs for recruit training. If the enlistee has already shipped, the MEPS Liaison NCO will coordinate action with the MEPS, notify the appropriate recruit depot, and request that fingerprinting be re-accomplished and mailed to the FBI, Attn: Identification Division, J. Edgar Hoover Building, Washington, DC.

1. Scope of Instructions.

a. The DD Form 4 is the basic document establishing a legal contract between the United States government and the enlisted member of the Armed Forces. This document is used for all original enlistment and reenlistments (immediate, continuous, or broken) in the Marine Corps or Marine Corps Reserve. The instructions contained herein apply to the preparation and distribution of the DD Form 4 for original enlistments in the Marine Corps and Marine Corps Reserve, and reenlistments (broken and continuous) in the Marine Corps.

b. Each Marine Corps recruiting station and/or Military Entrance Processing Station is responsible for original enlistments and reenlistments as a result of continuous or broken service into the Regular Marine Corps, and original enlistments into the Reserve component.

c. Reserve units are responsible for reenlistments as a result of continuous or broken service into the Reserve component. For these purposes, Marine Corps Reserve units are guided by MCO P104R.35 (Marine Corps Reserve Career Planning Guide).

2. General Instructions.

a. Use either a natural or all-capitalization format in preparing the form (examples shown below use the all-capitalization format). Do not mix formats during preparation. Type the document using a ribbon which will produce black impressions capable of rendering each page of the document suitable for reproduction by photographic or other duplicating process. Ensure all copies are legible. All signatures and initials are required on the original only (removal of the carbons is required prior to signature and required initials). Use black ink for signatures and initials. Take special care to ensure that required items are correctly completed without typewriter strikeovers. The applicant concerned and the enlisting officer will initial any erasures or corrections on all copies of the document. Erasures or corrections to item 5 - "DATE OF ENLISTMENT/REENLISTMENT," item 8 - (service period of enlistment and pay grade), or any item(s) in Sections D - "CERTIFICATION AND ACCEPTANCE" and E - "CONFIRMATION OF

ENLISTMENT OR REENLISTMENT," are prohibited. **Errors in these items will necessitate a complete re-type of the document.**

APPENDIX E

INSTRUCTIONS FOR COMPLETION OF

RECORD OF EMERGENCY DATA (DD FORM 93, 1 JUN 75 EDITION)

The Record of Emergency Data (RED) is used by all services for casualty notification and for certain beneficiary designations. The RED is an extremely important form, and accuracy in preparation is paramount.

1. For the Marine Corps, the DD Form 93 will be used for all accessions (enlistments and reenlistments, Reserve and Regular) that process through MEPS.
2. MEPS personnel will prepare the form in accordance with the instructions on the form and the following:
 - a. Item 3b -- REPORTING UNIT CODE DUTY STATION. Enter "MCC 016" for enlistees accessing to Marine Corps Recruit Depot, Parris Island, South Carolina, and "MCC 017" for enlistees accessing to Marine Corps Recruit Depot, San Diego, California. For enlistees/reenlistees otherwise assigned, see the current edition of MCO P1080.20 for other command MCCs.
 - b. Item 12a -- SGLI. Do not complete.

APPENDIX F

MOBILIZATION

1. Purpose. This appendix establishes general concepts, assumptions, and responsibilities, as well as a general plan of execution to manage the flow of both volunteers and inductees into the Marine Corps upon mobilization, in coordination with the activities of the Selective Service System (SSS).

2. Concept. The concept is to manage the flow of inductees to allow for a maximum enlistment of volunteers.

a. During the first 13 days of mobilization (M-Day to M+12), the system will exclusively process volunteers, including Delayed Entry Program (DEP) enlistees and untrained Reserves. This will be followed by a 17-day period (M+13 to M+29) when draftee processing will receive top priority. Thereafter (M+30 onward), the system will be managed for both volunteers and inductees.

b. The MCRC will determine and provide new or changed requirements at least 16 days in advance so that MEPCOM can modify requirements for SSS input in time to preclude processing overflows or shortfalls. In general, the size of the expected DEP contribution to the accessions requirement will determine the inductee requirement. The DEP contribution will vary depending on the size of the DEP at the time of mobilization and according to the percentage of the pool not in school.

3. Assumptions. The following assumptions will be used in developing plans for processing volunteers and inductees at mobilization.

a. That the Congress will pass legislation reinstituting the draft, effective M-Day.

(1) Authority will not be granted for the induction of women.

(2) The MEPS will not classify or examine registrants prior to M-Day.

(3) Personnel "stop loss" actions will be in effect on M-Day (no resignations, no EAS separations, no retirements, etc.).

b. That the SSS will be able to provide the first inductee for processing by M+13, and will, thereafter, continue to provide sufficient inductees to keep the MEPS filled to capacity.

(1) Marine Corps recruiting service personnel will augment SSS area offices on M-Day.

(2) DoD will continue to support a joint MEPCOM-SSS Computer Center.

c. That the MEPS will provide a sufficient flow of accessions to keep training bases filled to wartime capacity.

(1) The MEPS will operate 7 days a week. Volunteers and inductees will be processed 6 days a week.

(2) The MEPS will process inductees, volunteers from civilian status, untrained Reserves, and DEP personnel. All pre-trained Marine Corps personnel (e.g., IRR Standby Reserve and retired personnel) will be processed under the direction of the CMC (M&RA), as appropriate.

d. That the SSS will be activated during FULL mobilization.

e. That SSS registrants will not be permitted to enlist in the Marine Corps after receipt of their induction orders. However, their enlistments will be permitted if they volunteer prior to receipt of their induction orders.

f. That the Assistant Secretary of Defense (MI&L) will reserve the option to centrally control the distribution of personnel assigned each service if one or more of the services do not receive an adequate number of personnel at the quality levels required.

g. That inductee ceilings on AFQT categories (I, II, III and IV) will be established by DoD; these ceilings may differ from voluntary enlistments.

4. Execution. The Marine Corps will continue to seek those individuals who desire to voluntarily enlist or accept a commission into the Marine Corps during early stages of mobilization (through M+90), and thereafter, if deemed appropriate.

a. General.

(1) Pre-mobilization. Personnel procurement will be governed by current, applicable policies and directives through normal channels.

(2) Selective Mobilization. Same as paragraph 4a(1) above.

(3) Partial Mobilization. Normal recruiting procedures will be followed for approximately the first 90 days after partial mobilization. During that period, the Marine Corps will provide 405 of its retirees, who have been preassigned, to the Joint Augmentations Units (JAU) and to the MEPS to assist with the increased volume of accessions anticipated. Beyond the initial phase, recruiting actions will be dependent upon whether or not the SSS is activated. If the SSS is activated, the Marine Corps will provide a total of 204 recruiters to administer the SSS for the first 45 days of its functioning.

(4) Full Mobilization. During FULL mobilization, process inductees in accordance with the current edition of MCO P1100.75. As in a PARTIAL mobilization, the Marine Corps will help man the SSS and the MEPS.

b. Volunteer Enlistments.

(1) Enlistments and reenlistments in the Marine Corps and Marine Corps Reserve will continue as set forth in current directives.

(2) Activities reenlisting prior service Marines will report such accessions in accordance with the instructions contained in the current edition of MCO P1080.35 (MCTFSPRIM).

(3) Mental and physical standards for entrance into the Marine Corps will include:

(a) Mental qualifications as prescribed in this Manual and in the MCBul 1100 series.

(b) Physical requirements as prescribed in USMEPCOM Regulation 40-1.

c. Selected Marine Corps Reserve (SMCR) Enlistments. During periods of "partial mobilization," voluntary enlistments in the SMCR will continue only for those units not mobilized. Initial skill training for SMCR volunteers will necessitate that units be allowed to enlist personnel above the level of their wartime authorized strengths.

d. Delayed Entry Program (DEP). For the first 3-months after M-Day, the Marine Corps will recruit those personnel not inducted. The DEP will be limited to the current month plus 2-months beyond. At no time may enlistments be delayed beyond the stated 90-day input requirement.

e. Female Volunteers. Women will be allowed to volunteer and will be called from the DEP provided that their accession

processing and training does not delay that of men who are needed for essential combat skills.

f. Accession of Personnel Without a Social Security Number (SSN). No person will be delayed from entry into the Marine Corps solely for the lack of an SSN. The current edition of MCO P1100.75 contains procedures for the MEPS to issue and control temporary identification numbers for personnel reporting without their SSN.

g. Recruiting Force Size. Within the first 90 days, the size of the recruiting force will be adjusted as necessary to meet recruiting needs consistent with applicable DoD directives.

(1) Recruiting Command personnel identified as excess may be subject to reassignment on M-Day as directed by the CMC (MM). Identification of these personnel will be accomplished by the MCRC prior to M-Day.

(2) Remaining Recruiting Command personnel will be assigned throughout the Marine Corps districts to provide maximum exposure to the known, most lucrative markets.

(3) Remaining Recruiting Command personnel will not be issued permanent change of station orders (PSCO) except in extreme circumstances.

(4) Certain USMC Recruiting Command facilities will be turned over to the SSS on M-Day in accordance with DoD memoranda.

5. Responsibility. The CG, MCRC will allocate 204 recruiting personnel as follows:

a. Commanding General, Eastern Recruiting Region. Coordinate and supervise the pre-assignment of 49% of MCRC allotted recruiting personnel to the SSS on M-Day to perform duties as directed for a period of about 45 days.

b. Commanding General, Western Recruiting Region. Coordinate and supervise the pre-assignment of 51% of MCRC allotted recruiting personnel to the SSS on M-Day to perform duties as directed for a period of about 45 days.
